ANNEX I. DETAILED INSTRUCTIONS

The template consists of three sections:

- Section A: Identification of the initiative
- Section B: Initiative results statements and indicators
- Section C: About the initiative

Completion of all three sections of this template follows the results chain from a higher goal in the thematic areas for the implementation of SCR 1325 through outputs to strategies/activities.

Section A. Identification of the initiative

This section requests information on the actions to be taken or to be performed through which UN entity is intended to produce specific outputs. In the boxes in this section, entities are requested to provide: 1) a brief title of the initiative; 2) a short narrative description; 3) information on main partners; and 4) indicate which of the five thematic area/or areas the initiative aims at: Prevention; Participation; Protection; Relief and Recovery; or Normative. Broad definition of the thematic areas together with examples are provided below to facilitate identification of thematic areas. We encourage marking more than one area only when considered strictly necessary. If the initiative is a joint effort by several entities or a coordinating mechanism, please provide the full name (s) of the coordination mechanism and entities involved.

¹ PREVENTION

- Initiatives that seek to create human-rights based processes in post-conflict societies

³ PARTICIPATION

- Promote and support women's active and meaningful participation and representation in formal and informal decision-making and programmes, including in programme planning, design, and evaluation.
- Improve efforts to reach out to and consult with local and international women's rights groups/organizations.
- Enhance efforts to recruit and appoint women to senior positions in the UN, including SRSGs and RCs and in peacekeeping forces, including military, police, and civilian personnel.

Examples:

- initiatives that seek to broker women's participation in formal peace negotiations
- initiatives that seek to create safe spaces for women and women's groups to discuss, to organize etc.

⁴RELIEF AND RECOVERY

- Ensure that all relief and recovery efforts ensure equal access to services and take into account the different needs and priorities of women, girls, men, and boys.
- Ensure that women and girls have equal access to aid distribution mechanisms and that goods and services are distributed in a gender-sensitive manner

Examples:

- initiatives to ensure that the consolidated appeals process and emergency, recovery and rehabilitation response policies include a gender analysis

Section B. Initiative results statements and indicators

In this section entities are requested to place their reported initiative (s) in a Results Based Management (RBM) framework and provide information on:

- **Output/expected accomplishments:** This refers to the products and services which results from the completion of planned activities within a specific initiative
- **Indicator of output/expected achievement:** Please provide indicators for the reported initiatives. You can list both qualitative and quantitative indicators that will allow the verification of changes produced by the initiative relative to what has been planned. Make sure that output indicators measure the output statements. Please refer to Annex 2 for the list of suggested indicators.
- **Source.** Please provide information about the data sources for your selected indicator
- **Baseline:** Please provide baseline data against which progress can be measured. The baseline might be defined on the basis of the results achieved by each entity through implementation of 2006-2007 action plan.

Section C. About the initiative.

This section requests more specific information on the initiative.

- **Where?** Indicate where the initiative will be implemented – HQ, global, region, country. Please specify name of region (s) or country (ies). [NOTE: If the same initiative will be implemented in several countries or regions, please use one template for the initiative but list all the relevant locations]
- **When?** Indicate the time-frame of the initiative. Please be as specific as possible, e.g. instead of reporting “ongoing,” provide information of start and end dates and/or frequency.

- **How?** Each initiative should be categorized according to five broad categories: policy development; advocacy; capacity building; partnerships/networking and provision of goods and services. For analytical purposes the category 'capacity building' has been divided into three sub-categories: 'training', 'guidelines' and 'other capacity building'. The box below explains these categories.

POLICY DEVELOPMENT

The development of policy directives or codes of conduct, including for project design, reporting, monitoring and evaluation. This would also involve policies for all levels and categories of staff outlining roles and responsibilities as well as more general external policies to guide efforts by external partners or other actors.

Examples:

- Development of departmental policy frameworks on gender mainstreaming in the area of peace and security
- Development of a departmental action plan for integrating a gender perspective into its work

ADVOCACY

Raising awareness, including through education, media and outreach (including websites) and information campaigns about SCR 1325 in general or about particular issues dealt with in the resolution. This would also involve promoting issues, approaches or strategies for the implementation of SCR 1325 in internal or external fora – including through statements, in official meetings and public events.

Examples:

- Promotion of the inclusion of a gender perspective in entity reporting through meeting interventions
- Development of gender sensitive public information materials

CAPACITY-BUILDING

This includes training; the design and implementation of guidelines; and other initiatives which build human and/or institutional capacity for implementation of SCR 1325. Capacity-building initiatives can be both internal to the UN and external such as the building of capacity of national or local government institutions or personnel or that of civil society to implement the resolution.

Examples:

- Provision of systematic gender training to all levels and categories of UN staff
- Appointment of and support to gender advisors/ technical experts in the UN system at HQ and field levels
- Provision of training and technical support to regional and national actors to ensure that women's rights and gender perspectives are fully incorporated in legal reform, security sector reform
- Provision of technical and financial support to women's group, networks and peace initiatives at the national level.

PARTNERSHIP AND NETWORKING

This includes initiatives whose focus is to develop and strengthen partnerships or networks for the implementation of SCR 1325. These can be both internal and external to the UN.

Examples:

- Strengthening of partnerships with civil society actors to implement projects on women, peace and security
- Development or support of partnerships and networks at all levels of government for implementation efforts
- Develop/strengthen inter-agency collaboration and coordination among UN entities in specific areas of 1325 work

PROVISION OF GOODS AND SERVICES

This will include initiatives that will ensure equal access to and use of goods and services.

Examples:

- Access to productive resources and capital
- Provision of food, shelter, fuel, medical supplies
- Access to and provision of legal or medical services

- **Estimated resources (US\$).** To allow for an improved analysis of actual resources available for implementation of SCR 1325, entities are requested to provide information on resources available for implementation of their initiatives. Entities are requested to indicate: a) spending period, b) total budget for the initiative and c) amount earmarked for women (if specific information is available). If the initiative is being implemented in more than one location, please provide information on resource allocation by location, if information is available.
