

Imagine a Gender Equal United Nations

Gender equality should become a reality in our working environment. The framework is in place: with leadership and our own efforts we can make it happen.

On the occasion of International Women's Day

Ms. Rachel Mayanja

Special Adviser on Gender Issues and Advancement of Women

Invites you to a panel discussion on

Investing in Women: What is being done

Thursday, 6 March 2008

1:15 - 2:45 pm
