The Under-Secretary-General for Management, pursuant to section 4.2 of Secretary-General’s bulletin ST/SGB/1997/1, and for the purpose of implementing staff regulation 2.1 by setting out the policies and procedures for the maintenance of the post classification system, hereby promulgates the following:

Section 1

Request for the classification or reclassification of a post

1.1 Requests for the classification or reclassification of a post shall be made by the Executive Officer, the head of Administration at offices away from Headquarters, or other appropriate official in the following cases:

(a) When a post is newly established or has not previously been classified;
(b) When the duties and responsibilities of the post have changed substantially as a result of a restructuring within an office and/or a General Assembly resolution;
(c) Prior to the issuance of a vacancy announcement, when a substantive change in the functions of a post has occurred since the previous classification; and
(d) When required by a classification review or audit of a post or related posts, as determined by the classification or human resources officer concerned.
1.2 The Office of Human Resources Management (OHRM), or the local Human Resources office in those cases where authority for classification has been delegated, shall provide classification advice when departments submit, with their budget requests, job descriptions for new posts and for the reclassification of existing posts.

1.3 Incumbents who consider that the duties and responsibilities of their posts have been substantially affected by a restructuring within the office and/or a General Assembly resolution may request OHRM or the local human resources office to review the matter for appropriate action under section 1.1 (d).

Section 2
Procedure for classification or reclassification

2.1 Requests for classification or reclassification of posts\(^1\) shall be submitted to:

(a) The Assistant Secretary-General, OHRM, in the case of:

2.3 The classification analysis shall be conducted independently by two classification or human resources officers on the basis of the classification standards set in section 3 below. The decision regarding the classification of the post will be taken by or, on behalf of, the Assistant Secretary-General, OHRM, or the head of office. The head of office will make the decision in the case of posts in the General Service and related categories administered by ECA, ECLAC, ESCAP, ESCWA, UNOG, UNON and UNOV, up to and including the G-7 level, and in the case of any other posts for which classification authority has specifically been delegated.

2.4 A notice of the classification results, including the final ratings and/or comments on the basis of which the decision was taken, shall be sent to the requesting executive or administrative office, which will keep it in its records and provide a copy to the incumbent of the post.

(i) in the Field Service category, and
Section 4
Implementation

4.1 Classification decisions shall become effective as of the first of the month following receipt of a classification request fulfilling the conditions of section 2.2 above. When a classification request is submitted for advice prior to a budgetary submission, the classification shall become effective once the reclassification has been approved in the budget.

4.2 The classification of a post shall not negatively affect the existing contractual status, salary or other entitlement of the staff member encumbering the post. Staff members whose posts are classified at a level below their personal grade level will retain their current grade and salary level, on the understanding that every reasonable effort will be made to reassign them to a post at their personal grade level.

4.3 Staff members whose posts are classified at a level above their current personal grade level in the same category may be considered for promotion in accordance with established procedures, including issuance of a vacancy announcement, where applicable.

Section 5
Appeal of classification decisions

The decision on the classification level of a post may be appealed by the head of the organizational unit in which the post is located, and/or the incumbent of the post at the time of its classification, on the ground that the classification standards were incorrectly applied, resulting in the classification of the post at the wrong level.

Section 6
Appeal Procedure
6.1 Appeals shall be submitted in writing to:

(a) The Assistant Secretary-General, OHRM, in the case of appeals regarding:
   (i) posts in the Professional category and at the D-1 and D-2 levels or reclassification of a General Service post to the Professional category;
   (ii) posts in the Field Service category, and
   (iii) posts in the General Service and related categories at Headquarters and in small and medium-sized duty stations, except when posts in such duty stations are administered by the offices indicated in subparagraph (b) below;

(b) The respective Head of Office in the case of posts in the General Service and related categories administered by ECA, ECLAC, ESCAP, ESCWA, UNOG, UNON, and UNOV, up to and including posts at the G-7 level, except where the appeal involves a request for reclassification of such a post to the Professional category.

6.2 Appeals must be accompanied by the job description on the basis of which the post was classified.

6.3 Appeals must be submitted within 60 days from the date on which the classification decision is received.

6.4 The appeal shall be referred for review to:

(a) In the case of appeals submitted to the Assistant Secretary-General, OHRM, the responsible office in OHRM, which will submit a report with its findings and recommendation for decision by, or on behalf of, the Assistant Secretary-General, OHRM, and

(b) In the case of appeals submitted to the Head of Office, the local Human Resources Service or Section, which will submit a report with its findings and recommendation for decision by, or on behalf of, the Head of Office.

6.5 If the review results in an upgrading of the classification to the level sought by the appellant, the appellant shall be notified in writing of the decision.

6.6 If it is decided to maintain the original classification, or to classify the post at a lower level than
that claimed by the appellant, the appeal, together with the report of the reviewing Service or Section, shall be referred to the appropriate Classification Appeals Committee established in accordance with the provisions of section 7 below.

6.7 The Secretary of the Appeals Committee shall transmit a copy of the report of the reviewing Service or Section to the appellant for comments which must be submitted within a period of three weeks. The appellant’s comments will be provided to OHRM or the Human Resources Service or Section concerned, as appropriate, for their observations which must be submitted within a period of two weeks.

6.8 In cases where the Administration has questioned the receivability of the appeal, the Committee shall first determine whether the appeal is receivable. The following appeals shall not be receivable:

(a) appeals submitted after the 60-day time-limit, unless exceptional circumstances warrant the waiver of the time-limit;

(b) appeals which are based on new functions which were not the subject of the contested decision;

(c) appeals which are based exclusively on comparison with other posts without any reference as to the reason why the classification decision, on its own merits, would be incorrect.

6.9 If the appeal is found to be non-receivable, the appellant shall be informed of the decision and of the reasons therefor.

6.10 If the appeal is found to be receivable, the Committee shall so inform the parties. The Committee shall then determine whether it requires any additional information. It may invite any staff member who may have information relevant to the appeal to appear before it or request any additional written information which it deems useful.

6.11 For a meeting of the Committee, a quorum shall be required consisting of a majority of the members and comprising:

(a) the chairperson or a member designated by him or her to act in his/her absence, and

(b) an equal number of members designated by the administration and the staff.
However, if no members have been designated by the staff in accordance with the provisions of section 7.2 through 7.5 of this instruction within three months of a formal request to that effect, the quorum requirement shall be satisfied if the chairperson or a member designated by him or her to act in his or her absence, and at least two members of the Committee, are present.

6.12 The Appeals Committee shall adopt its report by majority vote. If the recommendation of the Appeals Committee is not adopted unanimously, any member who dissents from the majority position may have his or her opinion included in the report.

6.13 The Appeals Committee shall submit its report to the Assistant Secretary-General, OHRM, or the respective Head of Office, as appropriate. The report shall constitute the official record of the proceedings in the appeal. It shall contain a summary of the case and a reasoned recommendation concerning the disposition of the appeal.

6.14 The Assistant Secretary-General, OHRM, or the Head of Office, as appropriate, shall take the final decision on the appeal. A copy of the final decision shall be communicated promptly to the appellant, together with a copy of the report of the Appeals Committee. Any further recourse against the decision shall be submitted to the United Nations Administrative Tribunal.

6.15 In those cases where the appeal is successful, the effective date of implementation of the post classification shall be, subject to the availability of a post, the same effective date as that of the original decision, as defined in section 4.1 above.
