It is with honor that I, Riad Malki, Minister of Foreign Affairs and Expatriates of the State of Palestine, make the following declaration on the maritime boundaries of the State of Palestine, in accordance with the provisions of the United Nations Convention on the Law of the Sea of 1982, which serves as the reference under international law for maritime delimitation.

As a State Party to the United Nations Convention on the Law of the Sea of 1982, and exercising its rights in accordance with Articles 3, 4, 5, 33 & 57 of the Convention, the State of Palestine makes this declaration to specify the extent of territorial sea, contiguous zone, exclusive economic zone and continental shelf, and the baseline from which the breadth of each of those maritime areas is measured.

The maritime areas and baseline are defined by geographic coordinates that are determined by reference to the World Geodetic System 1984 (WGS 84) and set out in Tables 1 through 6 below, which constitute an integral part of this Declaration. A general illustration of the limits of those maritime areas is provided in Figure 1, below.
