ENHANCED DOMESTIC FOOD PRODUCTION
Sub-Sector: PUOLTRY PRODUCTION

Sector: AGRICULTURE

**Activity: Reactivation of Broiler
and egg production**

(package approach)

A - Grand Parent one day old chick, hatching eggs and feed .

Code	Item Description and its complementary items(if applicable)	Intended use (and targeted end user)	QTY in Unit	Allocation Criteria	Time frame	
					Field application	Optimal delivery
05-05-00001	Hatching egg for Broiler & layers	Production of one day old chicks for broilers farms (Owner broiler farms in the 15 Governorates)		Degree of participation in the enhanced programme and farm's capacity	All year round	As soon as possible
05-05-00002	A)Soybean meal B) Decorticated soya bean meal (high quality 48% CP)	To balance of poultry feed high quality plant protein (Owners poultry/farm in the 15 Governorates)		Degree of participation in the enhanced programme and farm's capacity	All year round	As soon as possible
05-05-00003	A)Broiler Concentrate (10%) B) Layer concentrate (10%) C) Fish meal concentrate	To balance the broiler feed (Owners of poultry broiler farms in the 15 Governorates) To balance the layer feed (owners of laver farms in the 15 Governorates) To balance broiler and layer feed (owners of poultry farms in the 15 Governorates)		Degree of participation in the enhanced programme and farm's capacity	All year round	As soon as possible
05-05-00004	One day old chicks One day old chicks	for grand parent stock for parent stock		Rearing in grand parent farm to produce parent stock for poultry farms Rearing in parent farm to produce layer stock for layers production farms	All year round	As soon as possible
05-05-00005	A) premix for broiler (vat + mineral + amino acids) B) premix for layer starter (vat + mineral + amino acids) C) premix for layer grower (vat + mineral + amino acids) D) premix for layer (vat +mineral +amino acids E) Broiler breeder premix	To balance poultry feed with high quality premixes used in the rehabilitation poultry programme		Degree of participation in the programme and farm capacity	All year round	as soon as possible
05-05-00006	A) Feed grade maize.	To supply energy for poultry diet		Degree of participation in the programme and farm capacity	All year round	as soon as possible

B) Feed grade barley	To supply energy for poultry and large animal diet				
C) Cotton seed meal	To supply energy for poultry and large animal diet				
D) Dehydrated Alfa Alfa pellet	To supply energy for poultry and large animal diet				
E) Dicalcium phosphate (18.5%P-21% Ca)	To balance poultry diet				

B- Equipment and Spare Parts for Poultry Houses (Layer and broiler) and packing raw materials.

Code	Item Description and its complementary items(if applicable)	Intended use (and targeted end user)	QTY in Unit	Allocation Criteria	Time frame	
					Field application	Optimal delivery
05-05-00007	A) polyethylene particles (P.E.) (Low density) B) polyethylene sacks C) Polypropylene sacks D) Plastic crates for poultry transportation E) Plastic crates for chicks transportation F) Polypropylene particles (P.P.)	To be used for the production of broiler plastic bags To be used for the production of feed bags To be used for frozen broiler To be used for bulk frozen broiler transportation To be used for life broiler transportation to the slaughter houses To be used for life chicks transportation to the hatcheries		To be manufactured locally and to bags for distribution to slaughter houses owners To be manufactured locally and to bags for distribution to feed mills To be distributed to slaughter To be distributed to slaughter houses owners To be distributed to slaughter houses owners To be distributed to hatcheries in the 15 gov.	ALL YEAR ROUND	AS SOON AS POSSIBLE
05-05-00008	(20-50) KVA generator with 10 % spare parts	Stand by generator for poultry farms to cope within the frequent power supply failure (Owners of poultry farms, 15 Governorates)		Participant in poultry enhanced programme in the 15 Governorates, farm size, degree need	ALL YEAR ROUND	AS SOON AS POSSIBLE
05-05-00009	(50 – 60) KVA generator with 10 % spare parts	Stand by generator for large poultry farms to cope with electrical supply failure (Owners of poultry farms, 15 Governorates)		Participant in the enhanced poultry programme, size of the farm/degree of need	ALL YEAR ROUND	AS SOON AS POSSIBLE
05-05-00010	(75– 350) KVA generator with 10 % spare parts	Stand by generator for large poultry farms to cope with electrical supply failure (Owners of poultry farms, 15 Governorates)		Participant in the enhanced poultry programme, size of the farm/degree of need	ALL YEAR ROUND	AS SOON AS POSSIBLE
05-05-00011	Colled transport Vehicles for chicks ,Broiler , Egg .	For collection of chicken egg from farms to slaughter houses and distribution of chicks to farms (State Board of Animal Resource)		Level of poultry activity in the 15 Governorates	ALL YEAR ROUND	AS SOON AS POSSIBLE

05-05-00012	Cooling Water pump	Rehabilitation of cooling system in poultry farms (Owners of poultry farms 15 Governorates)		Participation in poultry programme, degree of need, request	ALL YEAR ROUND	AS SOON AS POSSIBLE
05-05-00013	Electric Motor (1/3-1/2 HP)	Rehabilitation of water cooling system in poultry houses (Owners of poultry farms 15 Governorates)		Participation in poultry programme, degree of need, request	ALL YEAR ROUND	AS SOON AS POSSIBLE
05-05-00014	Electrical motor different types for cooling and drinking systems	Rehabilitation of cooling and drinking system in poultry houses (Poultry farms in 15 Governorates)		Participation in poultry programme, confirmed need	ALL YEAR ROUND	AS SOON AS POSSIBLE
05-05-00015	Chain Feeder Unit Complete	Feeding system in poultry houses (Poultry farms in 15 Governorates)		Participation in poultry programme, confirmed need	ALL YEAR ROUND	AS SOON AS POSSIBLE
05-05-00016	Galvanized steel wire of plastic coated	Maintenance of the electrical system in the poultry houses (Poultry farms in 15 Governorates)		Participation in poultry programme, confirmed need	ALL YEAR ROUND	AS SOON AS POSSIBLE
05-05-00017	Printed circuit different types	Maintenance of the electrical system in the poultry houses (Poultry farms in 15 Governorates)		Participation in poultry programme, confirmed need	ALL YEAR ROUND	AS SOON AS POSSIBLE
05-05-00018	Contactors different types distribution .	Maintenance of the electrical system in the poultry		Participation in poultry programme, confirmed need	ALL YEAR ROUND	AS SOON AS POSSIBLE
05-05-00019	Lubing Cup	Drinking system in the poultry houses (Poultry farms in 15 Governorates)		Participation in poultry programme, confirmed need	ALL YEAR ROUND	AS SOON AS POSSIBLE
05-05-00020	Nozzles for burner	Maintenance of the micro climate system in the poultry houses (Poultry farms in 15 Governorates)		Participation in poultry programme, confirmed need	ALL YEAR ROUND	AS SOON AS POSSIBLE
05-05-00021	Automatic drinker	Water drinking system in the poultry houses (Poultry farms in 15 Governorates)		Participation in poultry programme, confirmed need	ALL YEAR ROUND	AS SOON AS POSSIBLE
05-05-00022	Geared motor for manure removal	Manner removal within the poultry houses (Poultry farms in 15 Governorates)		Participation in poultry programme, confirmed need	ALL YEAR ROUND	AS SOON AS POSSIBLE
05-05-00023	Poultry houses thermometers	Measurement of poultry houses temperature (Owners of poultry farms 15 Governorates)		Participation in the poultry programme, degree of need request	ALL YEAR ROUND	AS SOON AS POSSIBLE
05-05-00024	Brooder for chick	For one day old chick rearing (heating) (Owners of poultry farms 15 Governorates)		Participation in the poultry programme, degree of need request	ALL YEAR ROUND	AS SOON AS POSSIBLE
05-05-00025	A) Exhaust fan different types	Ventilation in poultry houses (Poultry farms in 15 Governorates)		Participation in the poultry programme, degree of need request	ALL YEAR ROUND	AS SOON AS POSSIBLE
	B) wings for exhaust fan different types	Ventilation in poultry houses (Poultry farms in 15 Governorates)		Participation in the poultry programme, degree of need request	ALL YEAR ROUND	AS SOON AS POSSIBLE
05-05-00026	Oil pump	Layers houses for replacement of number of out of order houses (Poultry farms in 15 Governorates)		Participation in the poultry programme, degree of need request	ALL YEAR ROUND	AS SOON AS POSSIBLE

05-05-00027	Geared Motor for feed Distribution	Maintenance of feeding system in parent stock and layers farms (Poultry farms in 15 Governorates)		Participation in the poultry programme, degree of need request	ALL YEAR ROUND	AS SOON AS POSSIBLE
05-05-00028	Timer for feed chain	Controlling for feed distribution (Poultry farms in 15 Governorates)		Participation in the poultry programme, degree of need request	ALL YEAR ROUND	AS SOON AS POSSIBLE
05-05-00029	Cooling nozzle	Roof cooling system in parent stock and layers farms (Poultry farms in 15 Governorates)		Participation in the poultry programme, degree of need request	ALL YEAR ROUND	AS SOON AS POSSIBLE
05-05-00030	Asbestos sheets	Rehabilitation of Manure removal scraper (Poultry farms in 15 Governorates)		Participation in the poultry programme, degree of need request	ALL YEAR ROUND	AS SOON AS POSSIBLE
05-05-00031	Cup drinker with stem	Rehabilitation of drinking system in poultry farms (Poultry farms in 15 Governorates)		Participation in the poultry programme, degree of need request	ALL YEAR ROUND	AS SOON AS POSSIBLE
05-05-00032	Thread Nipples	Rehabilitation of drinking system in poultry farms (Poultry farms in 15 Governorates)		Participation in the poultry programme, degree of need request	ALL YEAR ROUND	AS SOON AS POSSIBLE
05-05-00033	Nipples Pipes	Rehabilitation of drinking system in poultry farms (Poultry farms in 15 Governorates)		Participation in the poultry programme, degree of need request	ALL YEAR ROUND	AS SOON AS POSSIBLE
05-05-00034	Feeding Chain 290 mtr	Rehabilitation of structural system in poultry farms (Poultry farms in 15 Governorates)		Participation in the poultry programme, degree of need request	ALL YEAR ROUND	AS SOON AS POSSIBLE
05-05-00035	Independent Drive Unit 2 Way 12 M/Min 1 KW	Rehabilitation of structural system in poultry farms (Poultry farms in 15 Governorates)		Participation in the poultry programme, degree of need request	ALL YEAR ROUND	AS SOON AS POSSIBLE
05-05-00036	Corner 90 Degree with leg	Rehabilitation of structural system in poultry farms (Poultry farms in 15 Governorates)		Participation in the poultry programme, degree of need request	ALL YEAR ROUND	AS SOON AS POSSIBLE
05-05-00037	Normal Trough 3M 1.25 thickness	Rehabilitation of structural system in poultry farms (Poultry farms in 15 Governorates)		Participation in the poultry programme, degree of need request	ALL YEAR ROUND	AS SOON AS POSSIBLE
05-05-00038	Normal Trough 3M 1.25 thickness + holes + slide	Rehabilitation of structural system in poultry farms (Poultry farms in 15 Governorates)		Participation in the poultry programme, degree of need request	ALL YEAR ROUND	AS SOON AS POSSIBLE
05-05-00039	Trough Coupler	Rehabilitation of structural system in poultry farms (Poultry farms in 15 Governorates)		Participation in the poultry programme, degree of need request	ALL YEAR ROUND	AS SOON AS POSSIBLE
05-05-00040	Leg for Coupler	Rehabilitation of structural system in poultry farms (Poultry farms in 15 Governorates)		Participation in the poultry programme, degree of need request	ALL YEAR ROUND	AS SOON AS POSSIBLE
05-05-00041	Electrical Panel 1x .55-.75 KW 3 PH	Rehabilitation of structural system in poultry farms (Poultry farms in 15 Governorates)		Participation in the poultry programme, degree of need request	ALL YEAR ROUND	AS SOON AS POSSIBLE

05-05-00042	Time Clock 24 HR	Rehabilitation of structural system in poultry farms (Poultry farms in 15 Governorates)		Participation in the poultry programme, degree of need request	ALL YEAR ROUND	AS SOON AS POSSIBLE
05-05-00043	Feed Cleaner 6-19 M/Min	Rehabilitation of structural system in poultry farms (Poultry farms in 15 Governorates)		Participation in the poultry programme, degree of need request	ALL YEAR ROUND	AS SOON AS POSSIBLE
05-05-00044	Debeaker	Rehabilitation of structural system in poultry farms (Poultry farms in 15 Governorates)		Participation in the poultry programme, degree of need request	ALL YEAR ROUND	AS SOON AS POSSIBLE
05-05-00045	Feed chain	Rehabilitation of structural system in poultry farms (Poultry farms in 15 Governorates)		Participation in the poultry programme, degree of need request	ALL YEAR ROUND	AS SOON AS POSSIBLE
05-05-00046	Geared motor	Rehabilitation of structural system in poultry farms (Poultry farms in 15 Governorates)		Participation in the poultry programme, degree of need request	ALL YEAR ROUND	AS SOON AS POSSIBLE
05-05-00047	Motor for ventilator	Rehabilitation of structural system in poultry farms (Poultry farms in 15 Governorates)		Participation in the poultry programme, degree of need request	ALL YEAR ROUND	AS SOON AS POSSIBLE
05-05-00048	Pump complete	Rehabilitation of structural system in poultry farms (Poultry farms in 15 Governorates)		Participation in the poultry programme, degree of need request	ALL YEAR ROUND	AS SOON AS POSSIBLE
