

MINISTRY OF TRANSPORT AND COMMUNICATIONS  
GENERAL COMPANY FOR PORTS OF IRAQ

| ITEM NO. | Code No.    | DESCRIPTION                                                  | QTY |
|----------|-------------|--------------------------------------------------------------|-----|
| 1        | 07-80-00001 | Hopper suction dredger                                       | 16  |
| 2        | 07-80-00002 | Cutter suction dredger                                       | 8   |
| 3        | 07-80-00003 | Grab dredger                                                 | 6   |
| 4        | 07-80-00004 | Multipurpose dredger                                         | 4   |
| 5        | 07-80-00005 | Tugboat                                                      | 16  |
| 6        | 07-80-00006 | Diving boat with accessories                                 | 8   |
| 7        | 07-80-00007 | Ambulance boat                                               | 8   |
| 8        | 07-80-00008 | Fire fighting boat                                           | 12  |
| 9        | 07-80-00009 | Pollution boat                                               | 12  |
| 10       | 07-80-00010 | Fast service boat                                            | 10  |
| 11       | 07-80-00011 | Work boat with crane                                         | 6   |
| 12       | 07-80-00012 | Mooring boat                                                 | 12  |
| 13       | 07-80-00013 | Provision boat                                               | 6   |
| 14       | 07-80-00014 | passenger boat                                               | 6   |
| 15       | 07-80-00015 | Fiber glass boat with out board engine                       | 20  |
| 16       | 07-80-00016 | Poilt vessel with high speed pilote service boat             | 4   |
| 17       | 07-80-00017 | Lightening vessel                                            | 4   |
| 18       | 07-80-00018 | Survey vessel with accessoies                                | 4   |
| 19       | 07-80-00019 | Selfe propelled fuel barge                                   | 8   |
| 20       | 07-80-00020 | Selfe propelled fresh water barge                            | 8   |
| 21       | 07-80-00021 | Pile driver                                                  | 6   |
| 22       | 07-80-00022 | Lightening equipments for bouys                              | LOT |
| 23       | 07-80-00023 | Fork lift                                                    | 300 |
| 24       | 07-80-00024 | Straddle carrier                                             | 12  |
| 25       | 07-80-00025 | Side loader                                                  | 12  |
| 26       | 07-80-00026 | Mutipurpose portal crane                                     | 30  |
| 27       | 07-80-00027 | Mobile crane                                                 | 100 |
| 28       | 07-80-00028 | Rubber tyred gantry crane                                    | 24  |
| 29       | 07-80-00029 | Submersible pumps                                            | 100 |
| 30       | 07-80-00030 | Low loader truck                                             | 200 |
| 31       | 07-80-00031 | Flat trailer                                                 | 200 |
| 32       | 07-80-00032 | Spreader                                                     | 40  |
| 33       | 07-80-00033 | Terminal trailer for container                               | 100 |
| 34       | 07-80-00034 | Sulphur loader                                               | 8   |
| 35       | 07-80-00035 | Ro. Ro fork lift                                             | 25  |
| 36       | 07-80-00036 | Body long truck trailer                                      | 24  |
| 37       | 07-80-00037 | Wharfage crane                                               | 80  |
| 38       | 07-80-00038 | Grainship unloader                                           | 24  |
| 39       | 07-80-00039 | Wheeled excavater                                            | 10  |
| 40       | 07-80-00040 | Floating crane                                               | 8   |
| 41       | 07-80-00041 | Floating dock                                                | 4   |
| 42       | 07-80-00042 | Industrial carrier rubber tyre lifting and transport vehicle | 8   |
| 43       | 07-80-00043 | Crawler excavator                                            | 10  |
| 44       | 07-80-00044 | Chart printing machines                                      | 12  |
| 45       | 07-80-00045 | Anti - pollution equipments                                  | lot |

|    |             |                                                             |        |
|----|-------------|-------------------------------------------------------------|--------|
| 46 | 07-80-00046 | Fire fighting vechile                                       | 20     |
|    | 07-80-00047 |                                                             |        |
