

## Good News

One-on-One TAX CLIENT SERVICE is available

Due to COVID19 pandemic all Tax Unit staff are working from home, so, in person client service is closed. All clients are encouraged to email to [tax@un.org](mailto:tax@un.org) if there is any issue to be discussed or resolved. The Tax Unit is also available to provide one-on-one client service over Microsoft TEAMS. If issues are not resolved by email, a Tax Unit staff, by appointment only, will be available to speak to you. If anyone would like to talk to a Tax Unit representative, please mention in the subject field of email your index number followed by the word REPRESENTATIVE. (Example: "123456-REPRESENTATIVE"). Someone from the Tax Unit will set up an appointment with you to discuss your issue over Microsoft TEAMS.

Stay safe and very best regards,

Quazi Islam
