### PURPOSE:

The purpose of this document is to provide instructions for vendors on how to register into the Ariba e-tendering platform and address any login issues. It is advised that vendors use this instruction before and during any registration process within the SAP Ariba solution. The process described in this guide relate to UN Secretariat solicitations.

## REGISTER IN UN ARIBA: NEW VENDOR ROLE

In this section, you will find steps to register as a new vendor in Ariba.

If you are accessing the Ariba system for the first time, open the welcome registration interface and click “Sign Up”.

Welcome, [Redacted]

Have a question? [Click here to see a Quick Start guide.](#)

Welcome to the Ariba Network. A password reset request was issued from **United Nations - TEST** site.

United Nations - TEST uses SAP Ariba to manage procurement activities.

Create an SAP Ariba supplier account and manage your response to procurement activities required by United Nations - TEST. [Sign up](#)

Already have an account? [Log in](#)

### About Ariba Network

The Ariba Network is your entryway to all your Ariba seller solutions. You now have a single location to manage all of your customer relationships and supplier activities regardless of which Ariba solution your customers are using. Once you have completed the registration, you will be able to:

- Respond more efficiently to your customer requests
- Work more quickly with your customers in all stages of workflow approval
- Strengthen your relationships with customers using an Ariba Network solution
- Review pending sourcing events for multiple buyers with one login
- Apply your Company Profile across Ariba Network, Ariba Discovery and Ariba Sourcing activities

Moving to the Ariba Network allows you to log into a single location to manage:

- All your Ariba customer relationships
- All your event actions, tasks and transactions
- Your profile information
- All your registration activities
- Your contact and user administrative tasks

After updating your user login information and/or your company information, click “Create account and continue”.

Create account [Create account and continue](#) [Cancel](#)

First, create an SAP Ariba supplier account, then complete questionnaires required by United Nations - TEST.

☐ I hereby agree that SAP Business Network will make parts of my (company) information accessible to other users and the public based on my role within the SAP Business Network and the applicable profile visibility settings. Please see the [SAP Business Network Privacy Statement](#) to learn how we process personal data.

If you receive the “Potential existing accounts” alert, please proceed to section “Manage Potential Existing Account” below. If not, please contact your organization administrator, and request approval to your account. Each organization has an Administrator role to manage their own accounts directly with the Ariba platform.

If you create your account successfully, you will see THE UNITED NATIONS listed on the top left corner of your Ariba dashboard. On the Dashboard you can click on your event and view the event interface and confirm the remaining time to bid on the solicitation.

You may now access your account.

## RENEW EXPIRED ACCOUNT LINK

In some cases, you may log-into the Ariba interface and see a message that the link sent to access an event has expired. To activate an expired account link, request Ariba support from the UN at [aribae-tendering@un.org](mailto:aribae-tendering@un.org) to reset via a new invitation email. If needed you can reset your password as well.

### Ariba Account Password Reset Information Inbox x

**Ariba Commerce Cloud** <ordersender-prod@ansmtp.ariba.com>

to me ▾

Dear Umoja Sir,

Your password reset request to access the Ariba Commerce Cloud has been processed. To complete the password reset process, click the following link to confirm your email address and enter your new password:

The request was initiated by the United Nations Secretariat - TEST administrator on your behalf.

<https://service.ariba.com/Authenticator.aw/ad/pswdReset?key=>

**Important: The link will expire in 24 hours.**

If this link doesn't work, please copy and paste it into your browser's address bar.

You can also log in using a one-time password created in the Ariba Supplier mobile app, available now for iPhone® and iPad® on the App Store®.

Sincerely,

**The SAP Ariba Team**

<https://seller.ariba.com>

When you open the new link, please activate **within 24 hours**, and ***please use the incognito window for Chrome browser or use the in Private window for Edge browser.*** Once you have selected above link, you can follow the steps and set up the account in UN Ariba.

## ERROR MESSAGE: DO\_NOT\_USE NOTE IN CONTACT FIELD

If there is a DO\_NOT\_USE note in the email field, please contact organization administrator or UN Ariba support at [aribae-tendering@un.org](mailto:aribae-tendering@un.org).

## GENERIC EMAIL ADDRESS LOGIN

Make sure you use the same email address registered in UNMG. Your company may have chosen to use a generic email address. If this is the case then be sure to use this account for the Ariba interface. Also, please make sure it is the correct mailbox that was provided to UNMG.

## REGISTER IN UN ARIBA: ADMINISTRATOR ROLE

In this section, you will find steps to be able to manage accounts as an organization administrator. Each company has their own company accounts in Ariba. In larger organizations an administrator may play an active role managing access for their company users in Ariba. This is done directly through the Ariba interface.

To confirm successful creation of an administrator account, please check the proper access is granted as described below. Any issues with administrator access can be addressed to [aribae-tendering@un.org](mailto:aribae-tendering@un.org).

After login, select [Initials](#) → [Settings](#) → [Users](#).
