The United Nations (UN), Department of Operational Support is looking for information from potential companies on providing a highly mobile surgical capability (trauma/orthopaedic) with remote supervision (tele surgery/ tele-medicine) for a Peace Keeping Mission in Africa region.

The requirements are:

- 1- Infrastructure: semi-rigid/containerized, mobile/not fixed on truck, can be easily airlifted
- 2- Medical Equipment- needed for surgery
- 3- Medical Consumables and Pharmaceuticals supplies for the surgery

All supporting equipment i.e generators, medical gases etc.. shall be included so that the capability is fully operational upon deployment. Medical Consumables and Pharmaceuticals are needed to conduct up to 20 surgical operations under general anesthesia.

The solution providers are expected to provide the number of people who will be involved in the installation and deployment of the capability and the trainings required.

The solution providers are also expected to have the ability to sustain the operation of the capability

(provision of equipment specific, spare parts, maintenance, service) for a duration of 5 years after deployment.

The UN would like to know the following information :

1. Background information of your company, brochure of the company, if any. Contact information.
2. What kind of solutions do you have to cater the need mentioned above? What components are included in the solutions? Please provide catalogues, web links etc. for better understanding, if possible.
3. If you have already deployed such/ similar solutions before, details of those products.
4. Can your proposed solution be deployed in Africa?
5. Rough budgetary pricing for each kind of solution?
6. If ordered, lead time to deliver?

Interested companies should send the above requested information by email to Muhammed Riadul Islam, Procurement Officer email: islam21@un.org. The weblink of the RFI is not accessible for uploading document and the documents needs to be sent by email.
