

ALLIANCE OF SMALL ISLAND STATES

15TH APRIL 2025

CONFERENCE ROOM 3

INTERVENTION ON ARRANGEMENTS FOR THE SECRETARIAT

Thank you, Chair, for giving me the floor. I have the honor of delivering this intervention on behalf of the Alliance of Small Island States.

AOSIS aligns with the statement made by the G77 and China.

On the institutional model, we are still developing our common understanding and position on what would work best. We are considering different options. As we do so, as mentioned by the distinguished representative of G77 and China, we are open to having further information in the form of a comparative analysis on existing global multilateral secretariats. This analysis, in addition to suggestions we will hear today, could help craft the most effective institutional model. We note that this discussion on institutional models will likely influence our discussion on financial rules.

I thank you.
