Coordination Compact

THE LARGEST UN COUNTER-TERRORISM FRAMEWORK EXPLAINED

 New York 2022

“Since its launch, the Compact has demonstrated a fundamental truth. Countering and defeating terrorism depends on collaboration”.

Mr. António Guterres, United Nations Secretary-General

“The Compact plays a critical role in fostering coordination and coherence among Member States, United Nations entities and other partners in counter-terrorism”.

Mr. Vladimir Voronkov, Under-Secretary-General of UNOCT

ABOUT US

The United Nations Global Counter-Terrorism Coordination Compact was launched by Secretary-General António Guterres in February 2018 to strengthen the coordination of UN counter-terrorism efforts and promote an 'all-of-UN' approach in counter-terrorism.

[The Counter-Terrorism Compact](#) is the largest inter-agency framework across the three pillars of work of the United Nations: peace and security, sustainable development, and human rights. It currently consists of 45 UN and non-UN entities.

It is the primary institutional vehicle for the coordination and coherence of UN counter-terrorism efforts, and provides support to Member States in their implementation of the [United Nations Global Counter-Terrorism Strategy](#) (UN GCTS).

The Under-Secretary-General for Counter-Terrorism, Mr. Vladimir Voronkov, chairs the Counter-Terrorism Compact Coordination Committee, which comprises the representatives of all Counter-Terrorism Compact entities, as well as the Chairs & Vice-Chairs of its eight Working Groups.

The Policy, Knowledge Management and Coordination Branch (PKMCB) of the United Nations Office of Counter-Terrorism (UNOCT) serves as the Secretariat of the Counter-Terrorism Compact and works together with all its entities to counter terrorism and prevent the spread of violent extremism.

PARTNERSHIP WITH GLOBAL COUNTERTERRORISM FORUM

The close and mutually reinforcing relationship between the Global Counterterrorism Forum (GCTF) and the Counter-Terrorism Compact continues to evolve.

Regular coordination meetings strengthen practical, structured cooperation and foster further coordination on priorities and programming. The GCTF invited Compact partners to co-lead initiatives to develop:

- The [GCTF Good Practice Memorandum for the Implementation of Countering the Financing of Terrorism Measures While Safeguarding Civic Space \[AR\] \[FR\]](#); and
- The [GCTF Counterterrorism Watchlisting Toolkit](#).

The GCTF is also contributing to the development of the UNOCT-led Gender and Identity Factors Platform for Preventing and Countering Violent Extremism.

The Working Groups of the Counter-Terrorism Compact and the GCTF recently developed a Joint Options Paper to enhance collaboration, including on topics such as the use of new and emerging technologies for terrorist purposes and gender mainstreaming in all counter-terrorism related activities.
