

Accessible Digital Textbooks for All:

Access to learning for children with disabilities through innovation and technology

A presentation in the margins of the *International Day of Persons with Disabilities*

December 3rd, 2019, from 3:00pm- 4:30pm, in Danny Kaye, UNICEF House, 3 UN Plaza, NYC

RSVP by December 2nd at: <https://forms.gle/zUs9YiDhwk8abhHeA>

Join us to learn about the innovative progress made so far by cross-sectoral UNICEF teams (Disability, Education, Innovation and ICTD) and their partners, and to celebrate the launch of the [Accessible Digital Textbooks for all website](#) and the *Emerging Lessons* report. Participants will be able to experience the concept of Universal Design for Learning through the digital textbooks and understand how technology an innovation can promote inclusive education for all.

Speakers to include:

- Fayaz King, DED of Field Results and Innovation, UNICEF;
- Rosangela Berman Bieler, Chief, Disability Section, UNICEF;
- Robert Jenkins, Chief, Education and Associate Director, UNICEF;
- Daniel Couture, Chief Information Officer, ICTD Director's Office, UNICEF;

The event will be accessible with International Sign interpretation and real-time captioning.
