

International Federation for Peace and Sustainable Development

Connecting Continents for Peace

Special Consultative Status with ECOSOC and DPI of the United Nations, Non-Profit Organization; 501(c) (3)

57th Commissions for Social Development

Date & Time: January 20th 1:15 pm- 3pm

Theme: Law and Literacy; the Correlation of Peace and Sustainable Development

Concept Note

The **International Federation for Peace and Sustainable Development** will honorably be hosting the side event, **Law & Literacy, the Correlation for Peace and Sustainable Development**. During this event, we will conquer the defining correlation that the rule of law shares to peace and sustainable development. Furthermore, there will be acknowledgement of the ways that education can prosper from the rule of law. Our panel of experts will discuss current law that is incredibly important for the international community, as well as, the adjustments and advancements that can be made to have beneficial everlasting effects. Education is a human right that **IFPSD** has a strong commitment to and will enforce the importance it holds at this event. There will be exploration on the topic and a focus on how law can reinforce accessibility and the standard for education.
