Let's talk about Stepping Up !

Why is it
important
to share our
work?

CIRCUMSTANCES

BEHAVIOR

ATTITUDE

“One may know how to conquer without being able to do it.”

The Art of War · war · knowledge · abilities

CONCEPTS

We are our greatest critic

**How do we
overcome our
need for
perfection?**

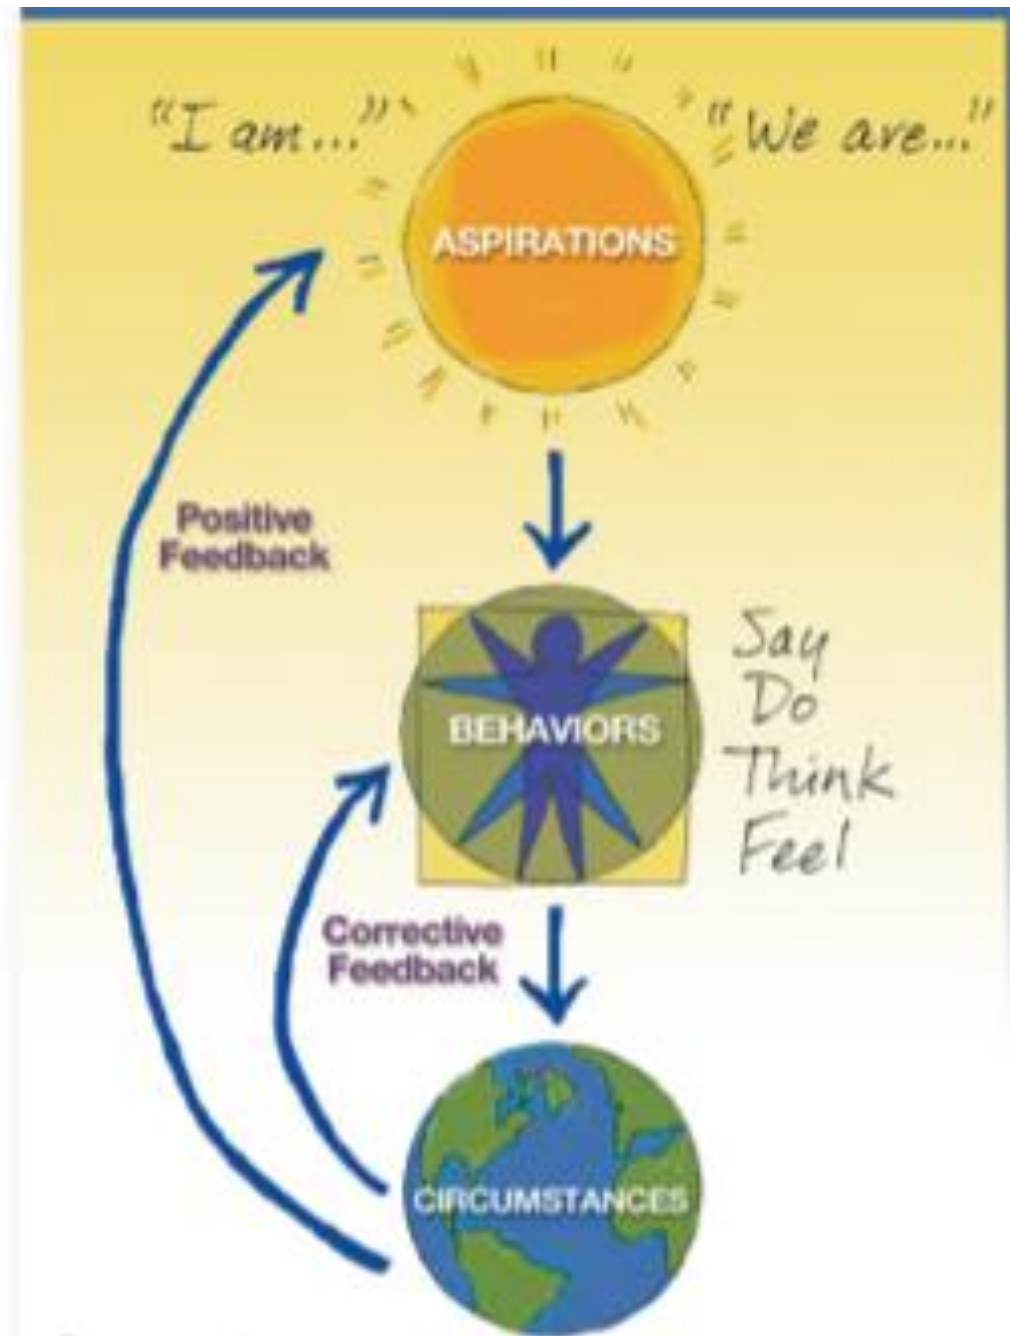

What road do I take?

Well where are you going?

I don't know.

**Then it doesn't matter.
If you don't know where
you are going, any road
will get you there.**

How do I personally deal with creative blocks?

#15 “In the midst of chaos, there is also opportunity.”

Sun Tzu · **The Art of War** · Opportunities

AUTHOR

BOOK

CONCEPT

What are your creative blocks?

80 % of
Singaporeans own
their own homes

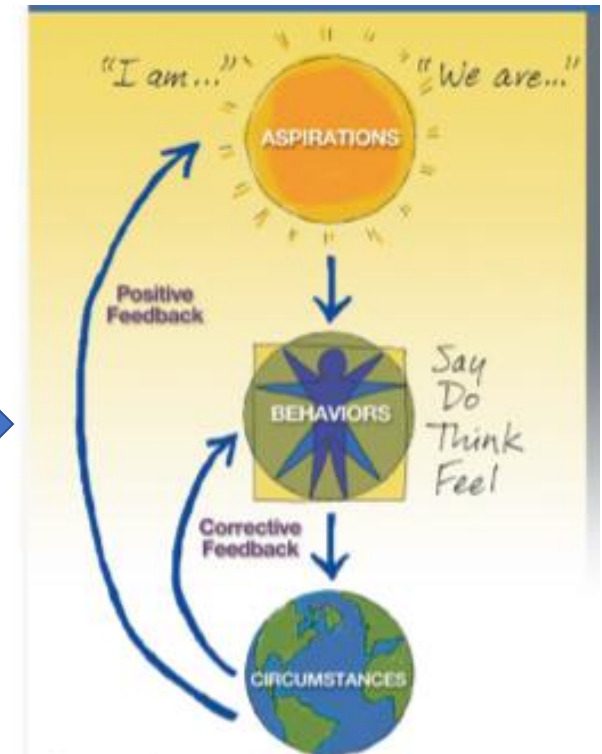

CIRCUMSTANCE

BEHAVIOR

ATTITUDE

“There are no
deprived
neighborhoods in
Singapore”

50 + YEARS

Where did I come from?

How do I create
what's aligned with
my core values?

Who am I?

THARMAN SHANMUGARATNAM
SENIOR MINISTER, SINGAPORE
CHAIRMAN OF THE
GROUP OF 30

[HTTPS://GROUP30.ORG/MEMBERS](https://group30.org/members)

SEEING GLOBAL LOSS OF
CONFIDENCE IN A BETTER FUTURE
FRANKFURT 2017

WE MUST

- Focus on regeneration of individuals, towns, regions, countries
- A spirit of regeneration must run thru all our policies

How to
measure the
quality of my
work?

Who and
What do I
RESPECT?

How do I
KNOW?

- If you know the enemy and you know yourself, you need not fear the result of a hundred battles.
- If you know yourself but not the enemy, for every victory gained you will also suffer a defeat.
- If you know neither the enemy nor yourself, you will succumb in every battle.

How do I deal
the fear of critics
or judgment
from others?

When is it
time to let go
of my
creation?

When it's about
more than me

If not now, WHEN?

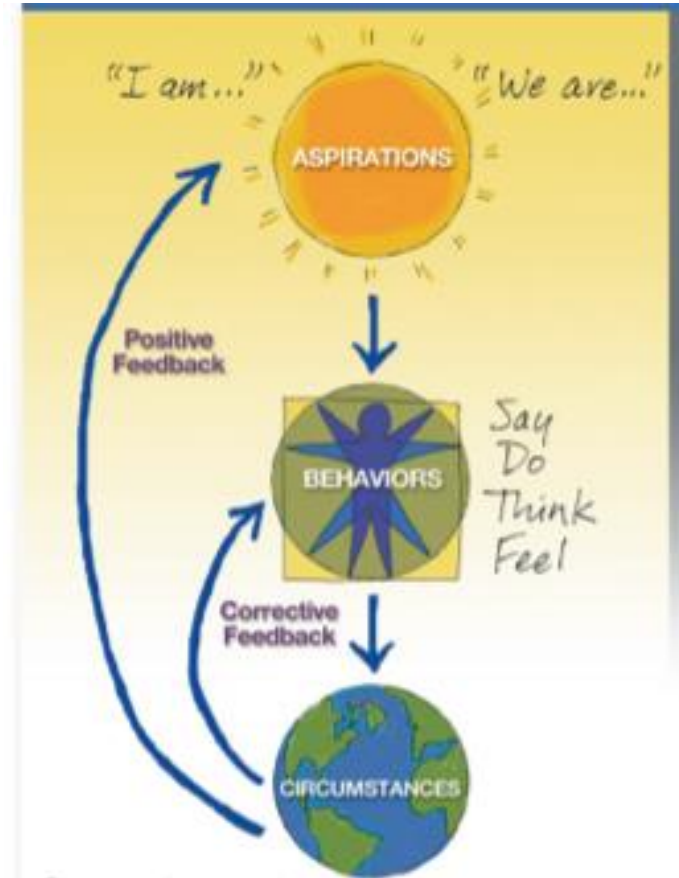

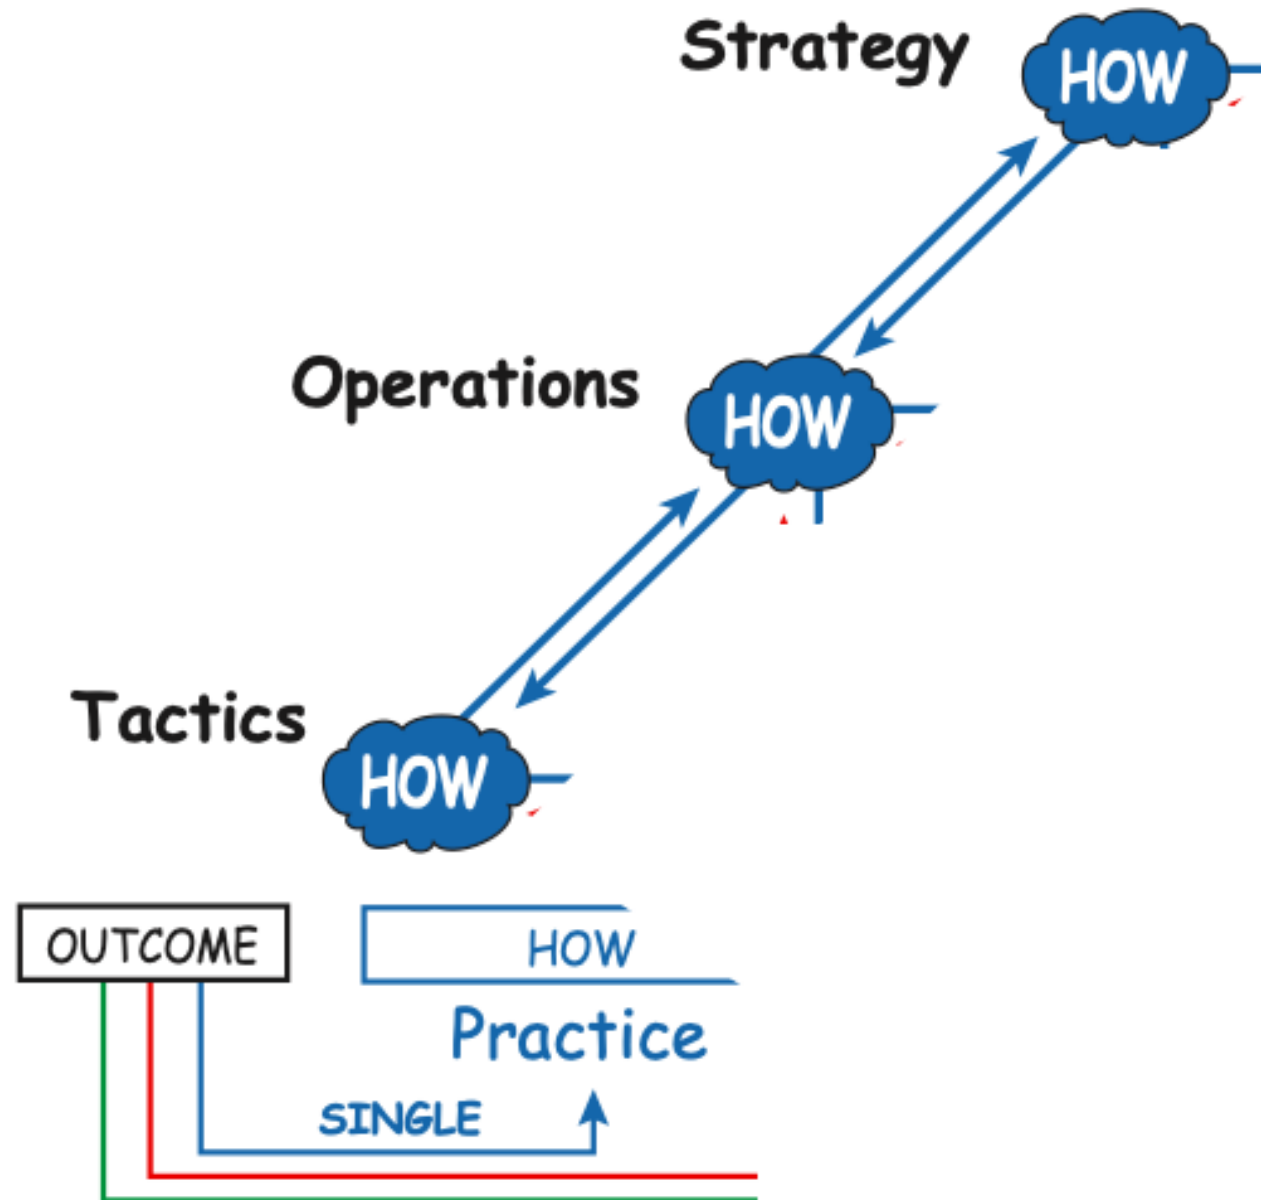

If not you,
WHO?

Network Competencies

Icon	Competency	Illustrative Characteristics
	Ability to Develop Trust	Establishing rapport and building relationships to cultivate a culture of trust.
	Active Listening	Suspending judgment to hear and understand the thoughts, ideas, emotions and perspectives of others.
	Agile Thinking	Thinking systemically with the ability to shift paradigms and perspective, with the capacity to incorporate and appreciate multiple viewpoints.

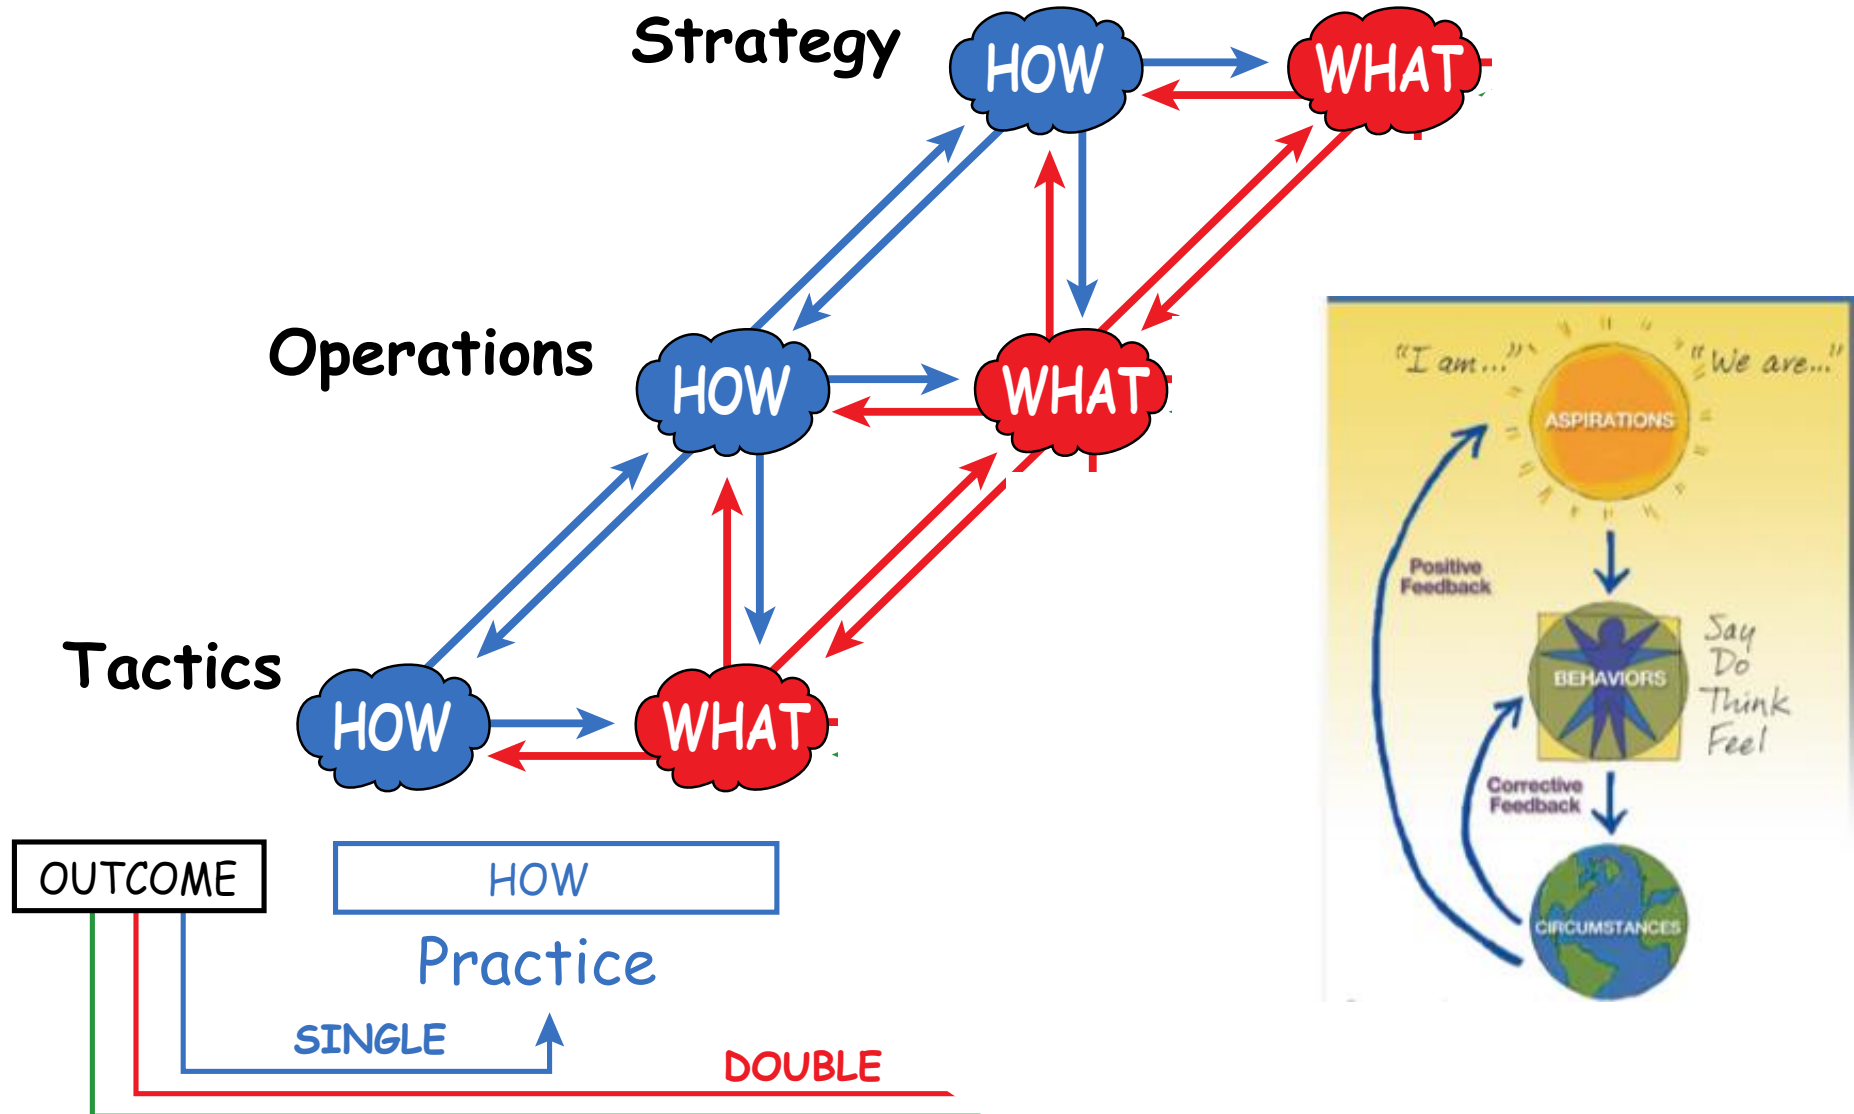

Learn ~ Innovate ~ Forecast ~ Test!

Network Competencies

	Aspirational Future-based Leadership	Leveraging strategy, operations, tactics, to harness the collective wisdom and an inspiring vision of the future to help realize a shared vision of a desired future state.
	Building Partnerships	Ability to form and sustain effective relationships across organizational boundaries in pursuit of mutual interest.
	Creating Learning Networks	Curious and open to new ideas and information with a willingness to share and reflect systematically on the insights arising and the ability to cultivate, encourage and sustain these behavior with others.

Learn ~ Innovate ~ Forecast ~ Test!

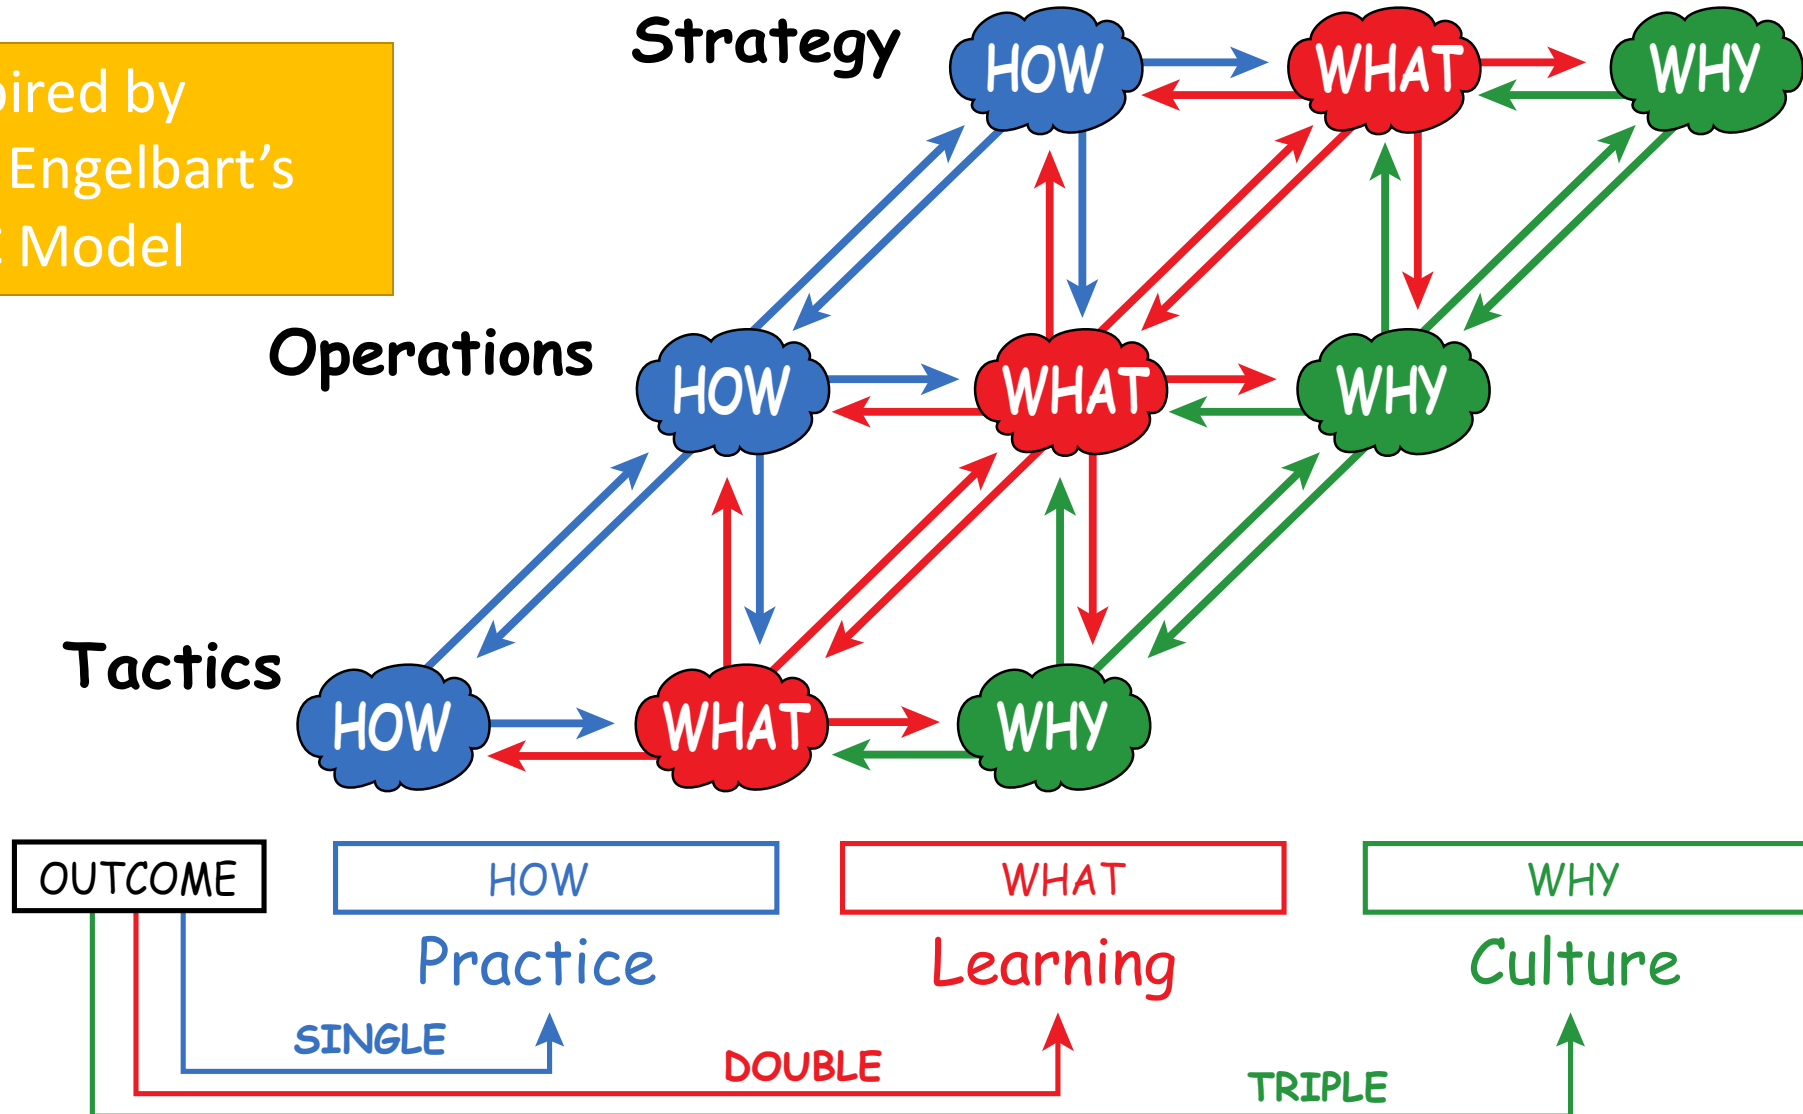

Network Competencies

	Creating Conditions for Success	Offering resources, building capability, anticipating and removing obstacles, to provide clear strategic intent and sustained focus.
	Developing Present Moment Awareness	The ability to see everything as new; including mature self-awareness and freedom from the fog of preconceptions and groupthink.
	Net Centric Communication	Smart and progressive use of information technology to optimize resource use in a complex and rapidly evolving environment.

Learn ~ Innovate ~ Forecast ~ Test!

Inspired by
Douglas Engelbart's
ABC Model

Network Competencies

	Network Leadership	Vision and ability to reach across traditional organizational boundaries and to engage others through collaboration and mutual interests.
	Resilience	Ability to bounce back from adversity. Patience and will power to persevere in the face of setbacks.
	Thriving in Complex and Ambiguous Environments	Ability to tolerate ambiguity and act effectively under conditions of uncertainty, able to recognize patterns and adapt quickly and iteratively as new signals emerge.
