

STATEMENT BY GUATEMALA AFTER THE ADOPTION OF CPD RESOLUTION
ON
FERTILITY, REPRODUCTIVE HEALTH AND DEVELOPMENT

The delegation of Guatemala would like to add its voice to those who thanked the President for its leadership and the facilitator for his hard work, as well as the flexibility of all delegations.

I take this opportunity to state that the Constitution of Guatemala recognizes the protection of life from the moment of conception. Also want to welcome the adoption of this resolution as a good base for our future work.
