POPULATION AND
DEVELOPMENT
FIFTY-FOURTH
SESSION

VIRTUAL SIDE EVENT
TUESDAY, APRIL 20,
2021 8:30-9:45AM EDT
ORGANIZER: HCRFF
863 7469 3089
PASSCODE:308828

FOOD INSECURITY IS ALSO AN ISSUE FOR BOTH HOMELESS AND LOW-INCOME POPULATIONS

Hunger and homelessness have distinct causes and disparate impacts on different segments of the population. Estimates for hungry people are at 690 million people or 8.9 percent of the world population, up 10 million in one year or 60 million in five years. 381 million in the world are undernourished.
