THIRTEENTH COORDINATION MEETING ON INTERNATIONAL MIGRATION

Population Division Department of Economic and Social Affairs United Nations Secretariat New York, 12- 13 February 2015

OBJECTIVES OF THE MEETING

The Population Division of the Department of Economic and Social Affairs of the United Nations is organizing the thirteenth annual Coordination Meeting on International Migration. The meeting is being held in response to General Assembly resolution 58/208 of 13 February 2004, which requests the Secretary-General to continue convening meetings to coordinate international migration activities.

The thirteenth coordination meeting on international migration has two main objectives. First, it will consider progress in integrating migration into the post-2015 United Nations development agenda, including ways to leverage migration within the renewed framework on financing for development. Second, the meeting will focus on activities to follow-up on and, where relevant, implement the Declaration of the 2013 High-level Dialogue on International Migration and Development (A/RES/68/4) as well as the eight-point agenda for action of the Secretary-General presented in his report to the 2013 High-level Dialogue (A/68/190).

By bringing together entities of the United Nations system, other relevant intergovernmental organizations and civil society as well as interested Member States, the coordination meeting provides a unique opportunity to strengthen collaboration and coordination within the United Nations system as well as with other relevant intergovernmental organizations to fully address the issue of international migration and development.
