Mr Chair,

Chinese Delegation believes that the current text of the resolution has taken care of the concerns of all parties to the maximum degree, and it is a very forward-looking and balanced text, therefore, we support this text of resolution. The outcome document of the Session will serve as a very positive contribution towards the promotion of the reproductive health and full development of adolescents and youth around the world.

Chinese delegation would like to take this opportunity to extend its earnest congratulations to you Mr Chair on the success of the session under your capable leadership, and our sincere thanks to

Mr Wennubst, the Facilitator of the informal consultations, the Secretariat and our delegate colleagues who worked day and night for the successful development of the resolution.

I would like to extend my special thanks to Mr Wennubst for the delicious Swiss chocolates which he generously shared with us during the informal consultations of the resolution, and I wish the cause of the development for our beloved adolescents and youth will be as sweet as Swiss chocolates.

Thank you, Mr Chair!
