MAINSTREAMING MIGRATION INTO DEVELOPMENT PLANNING

RIAD MEDDEB

United Nations Development Programme (UNDP)

MAURIZIO BUSATTI

International Organization for Migration (IOM)

New York, 17 February 2017

- Positive contribution of migrants for inclusive growth and sustainable development.
- International migration is a multi-dimensional reality ... which requires coherent and comprehensive responses.

Mainstreaming Migration

- UNDP and IOM jointly implement a Joint Global Programme on Mainstreaming Migration into National Development Strategies.
 - Country-level activities in 8 countries: Bangladesh, Ecuador, Jamaica, Kyrgyzstan, Moldova, Morocco, Serbia and Tunisia.
 - Global level activities that are also connected to the Global Migration Group (GMG) Working Group on Mainstreaming Migration.

Guidance note on how to integrate human mobility into United Nations Development Assistance Frameworks (UNDAFs)

- Developed in 2015-2016 by UNDP, IOM with GMG agencies.
- User friendly tool to help UN country teams and Governments to conceptualize the link between human mobility and sustainable human development.
- Includes overview of applicable normative frameworks, guiding questions and examples from public policies around the world.
