

Review of Progress on the Implementation of the ICPD Programme of Action @ 25 years

**Benoit Kalasa, Director
Technical Division, UNFPA**

Expert Group Meeting

52nd Commission Population & Development

UN Population Division

November 1st, 2018

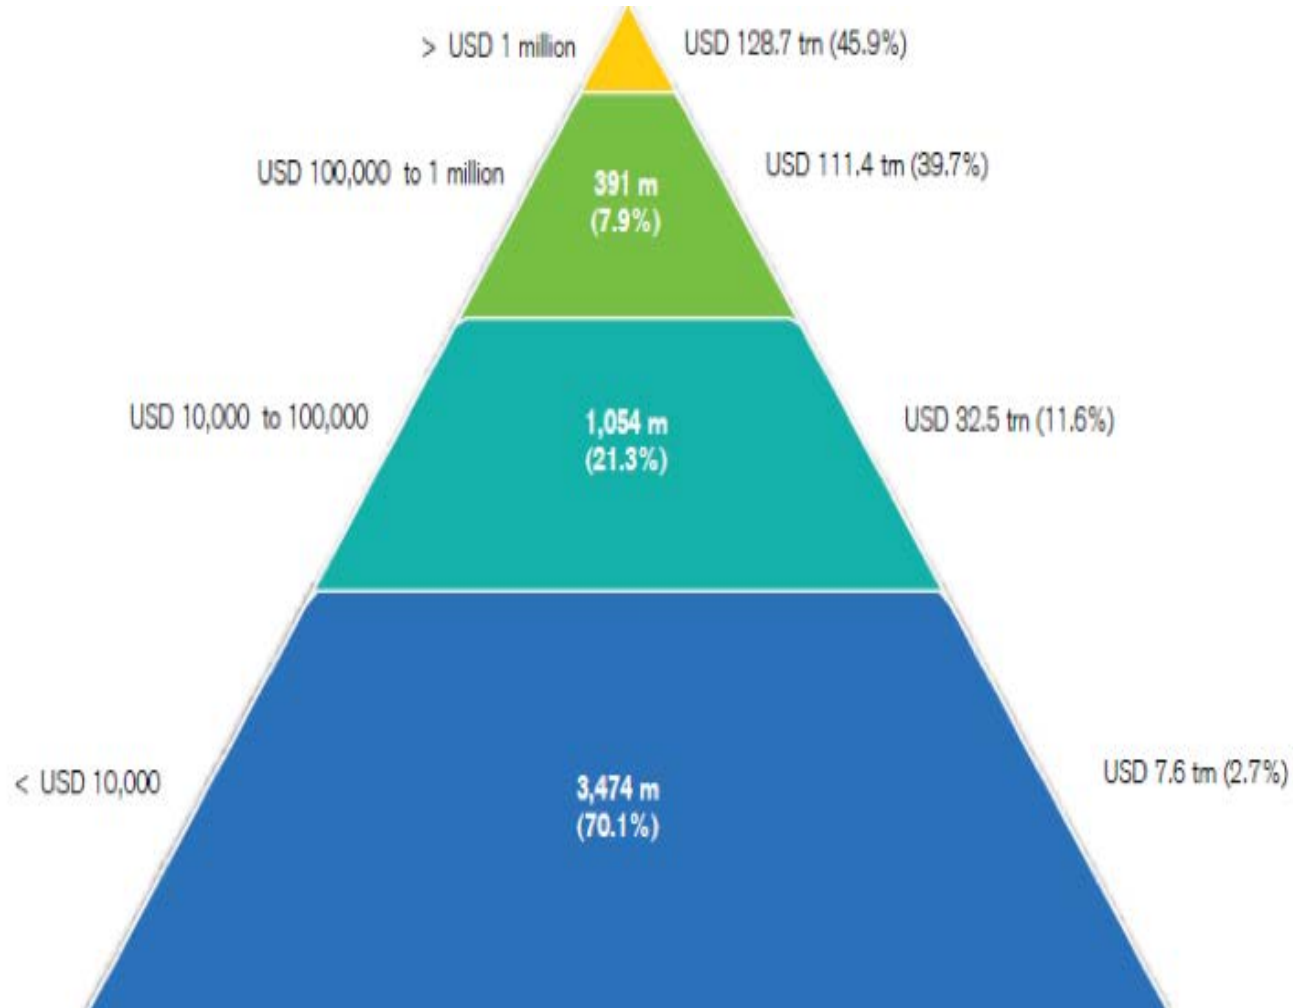

After 25 years – How many people are still waiting for the promise of ICPD?

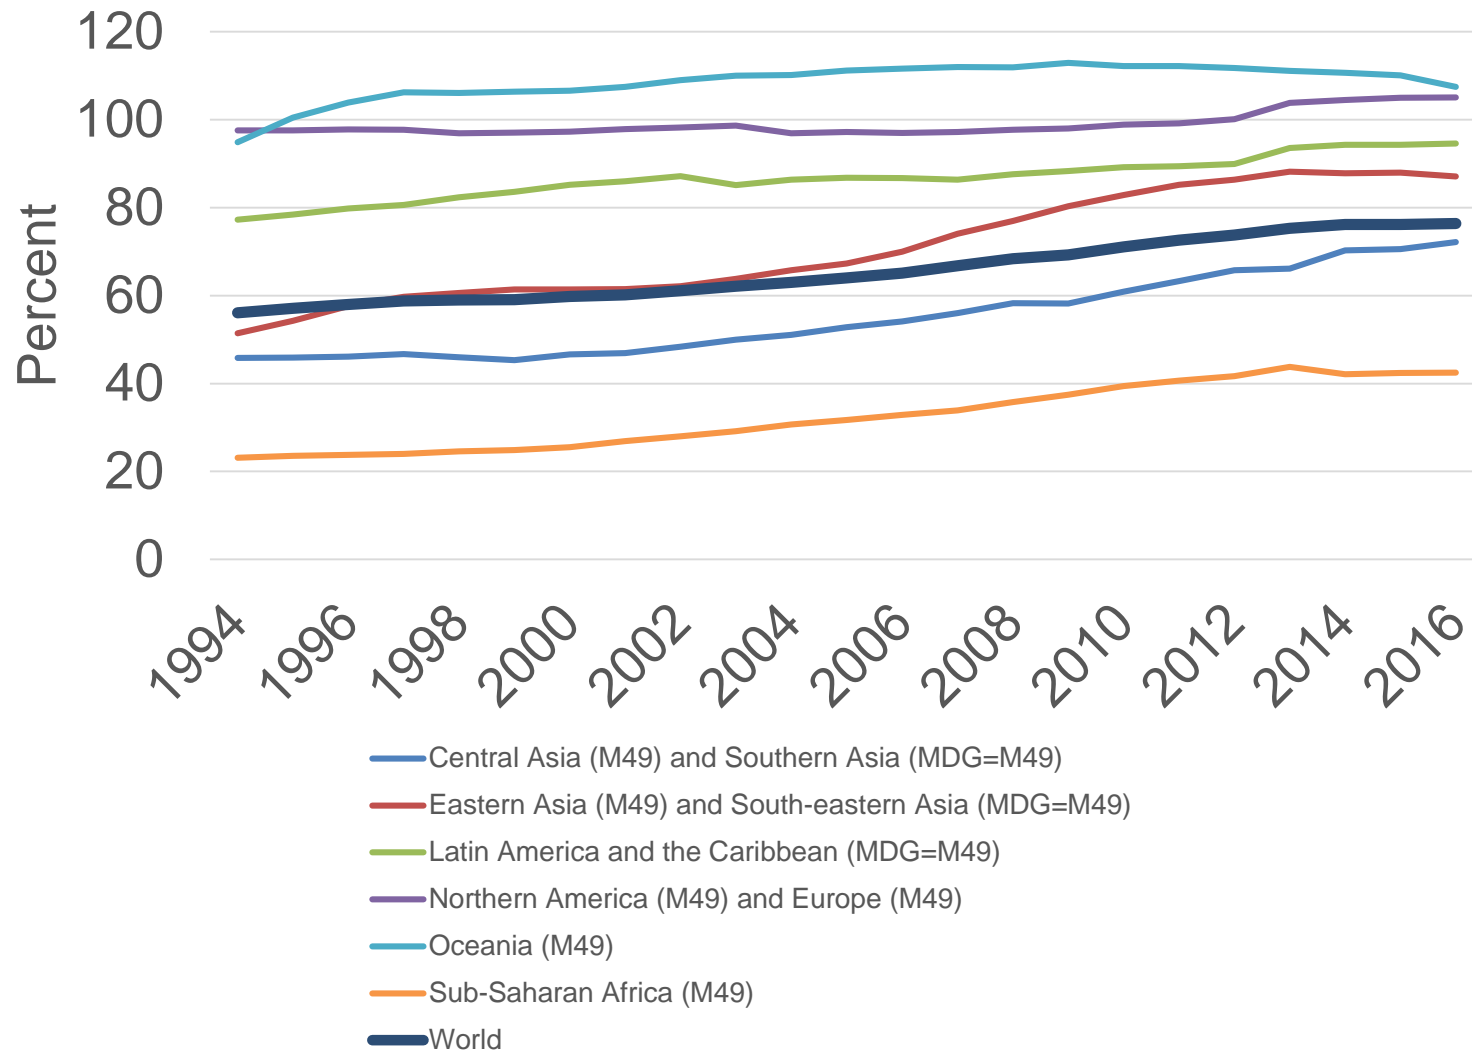

- Since 1994, development has lifted millions out of poverty, increased literacy, and extended life expectancy across the world.
- But many are still waiting for the promise of ICPD.
- As we review progress @ 25 yrs, key shortfalls are identified

Backdrop: Wealth Inequalities continue to worsen

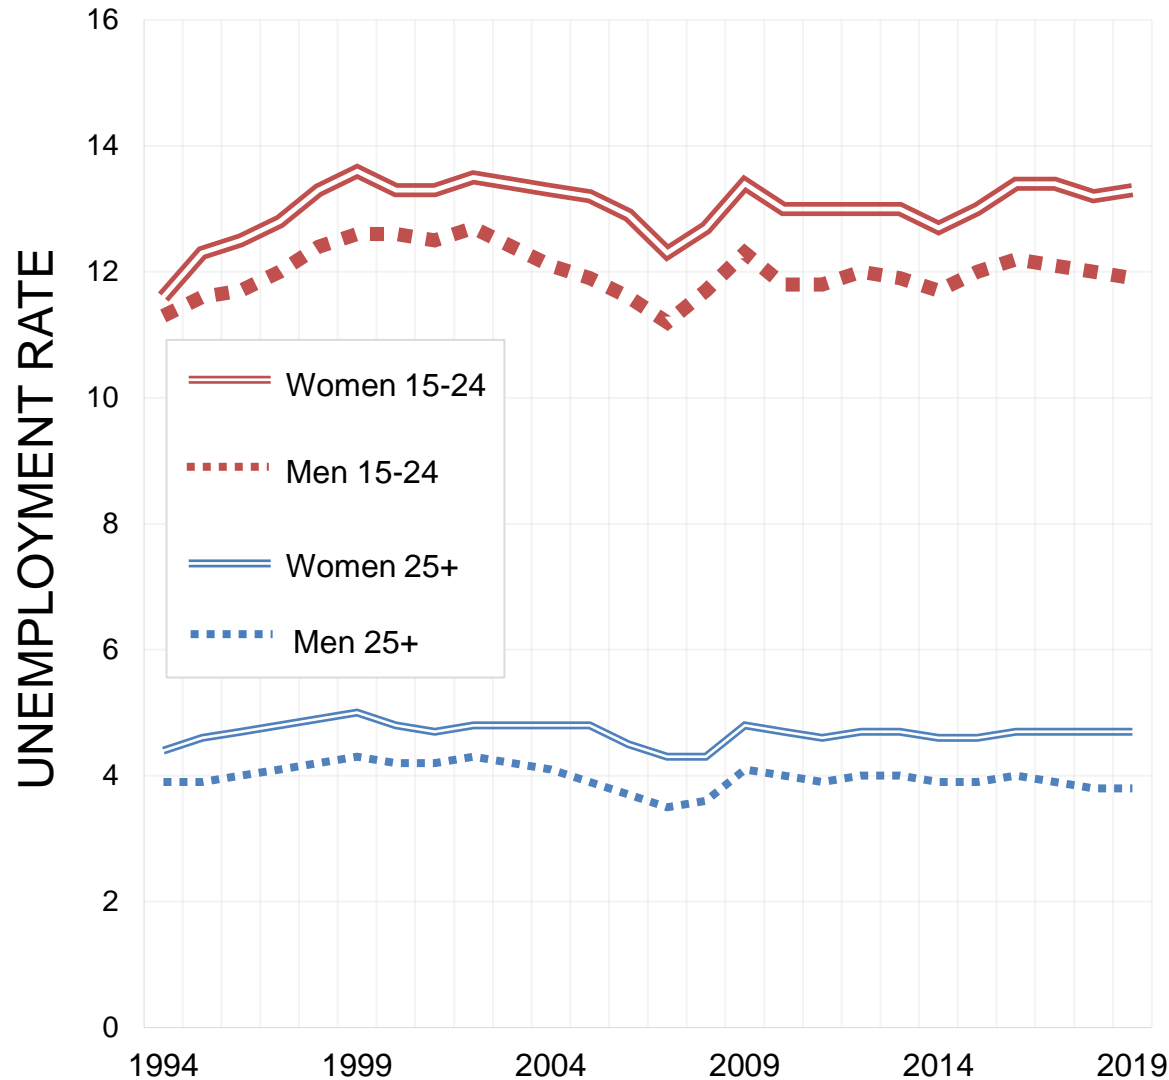

Gross enrolment in secondary by region, 1994-2016

Unemployment 1994-2019

Global unemployment rate, by age and sex

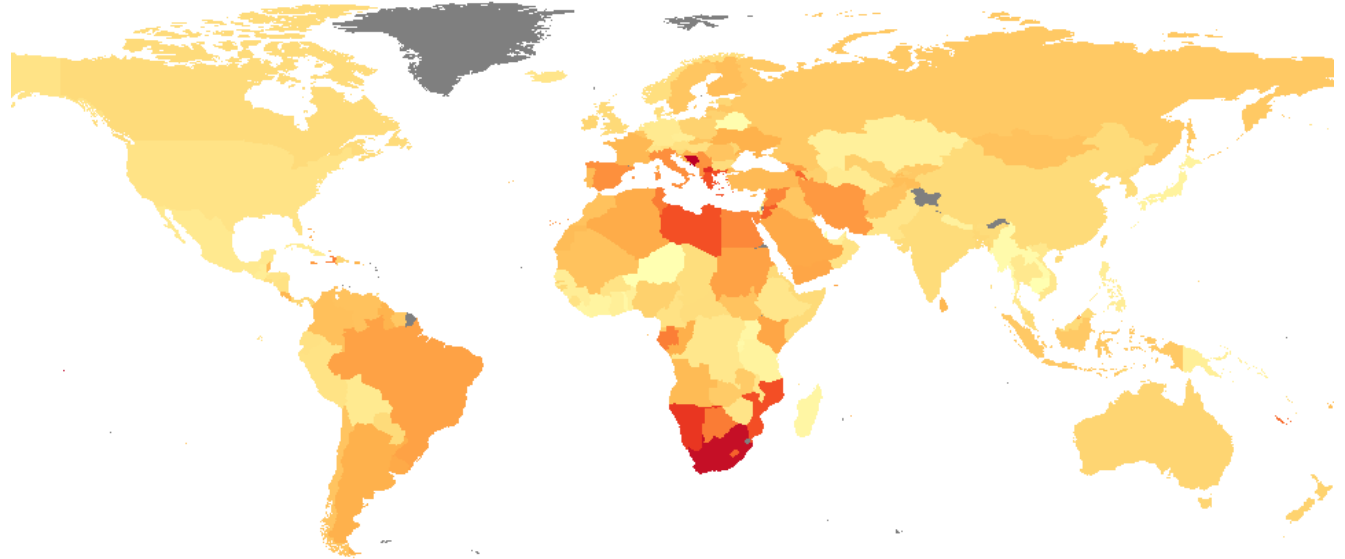

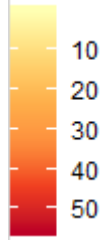

- ❖ Globally, no progress in youth unemployment rates
- ❖ Persistently higher unemployment rates among youth compared adults
- ❖ Persistently higher unemployment rates among women compared to men

Unemployment vs Poverty

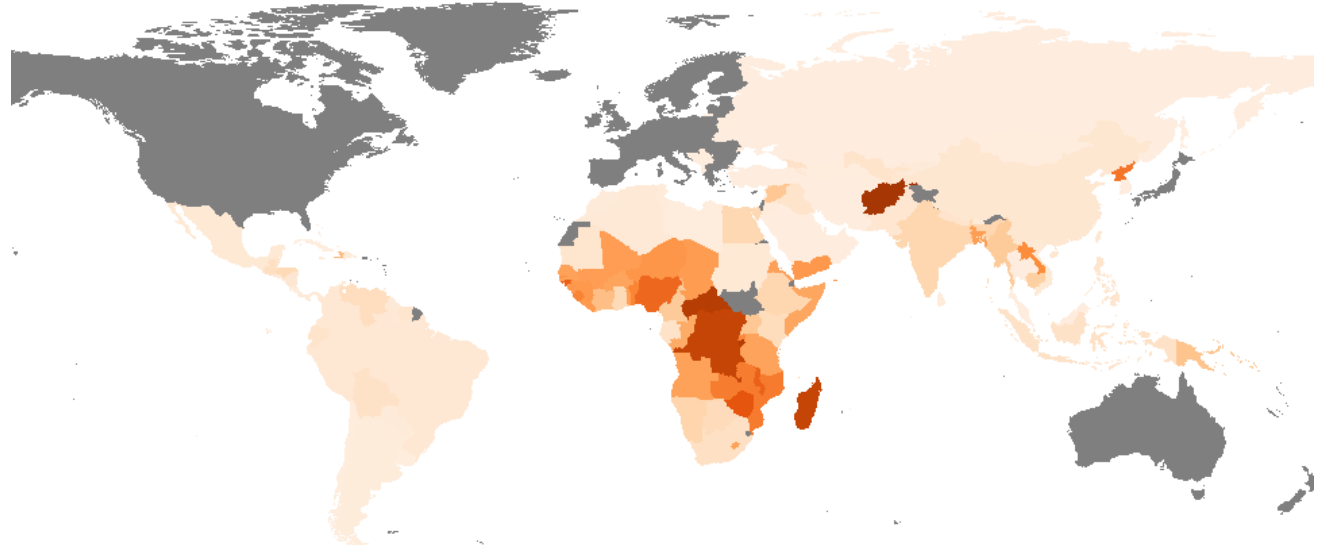

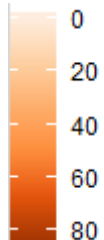

Youth unemployment 2018

Percentage of
population 15-24

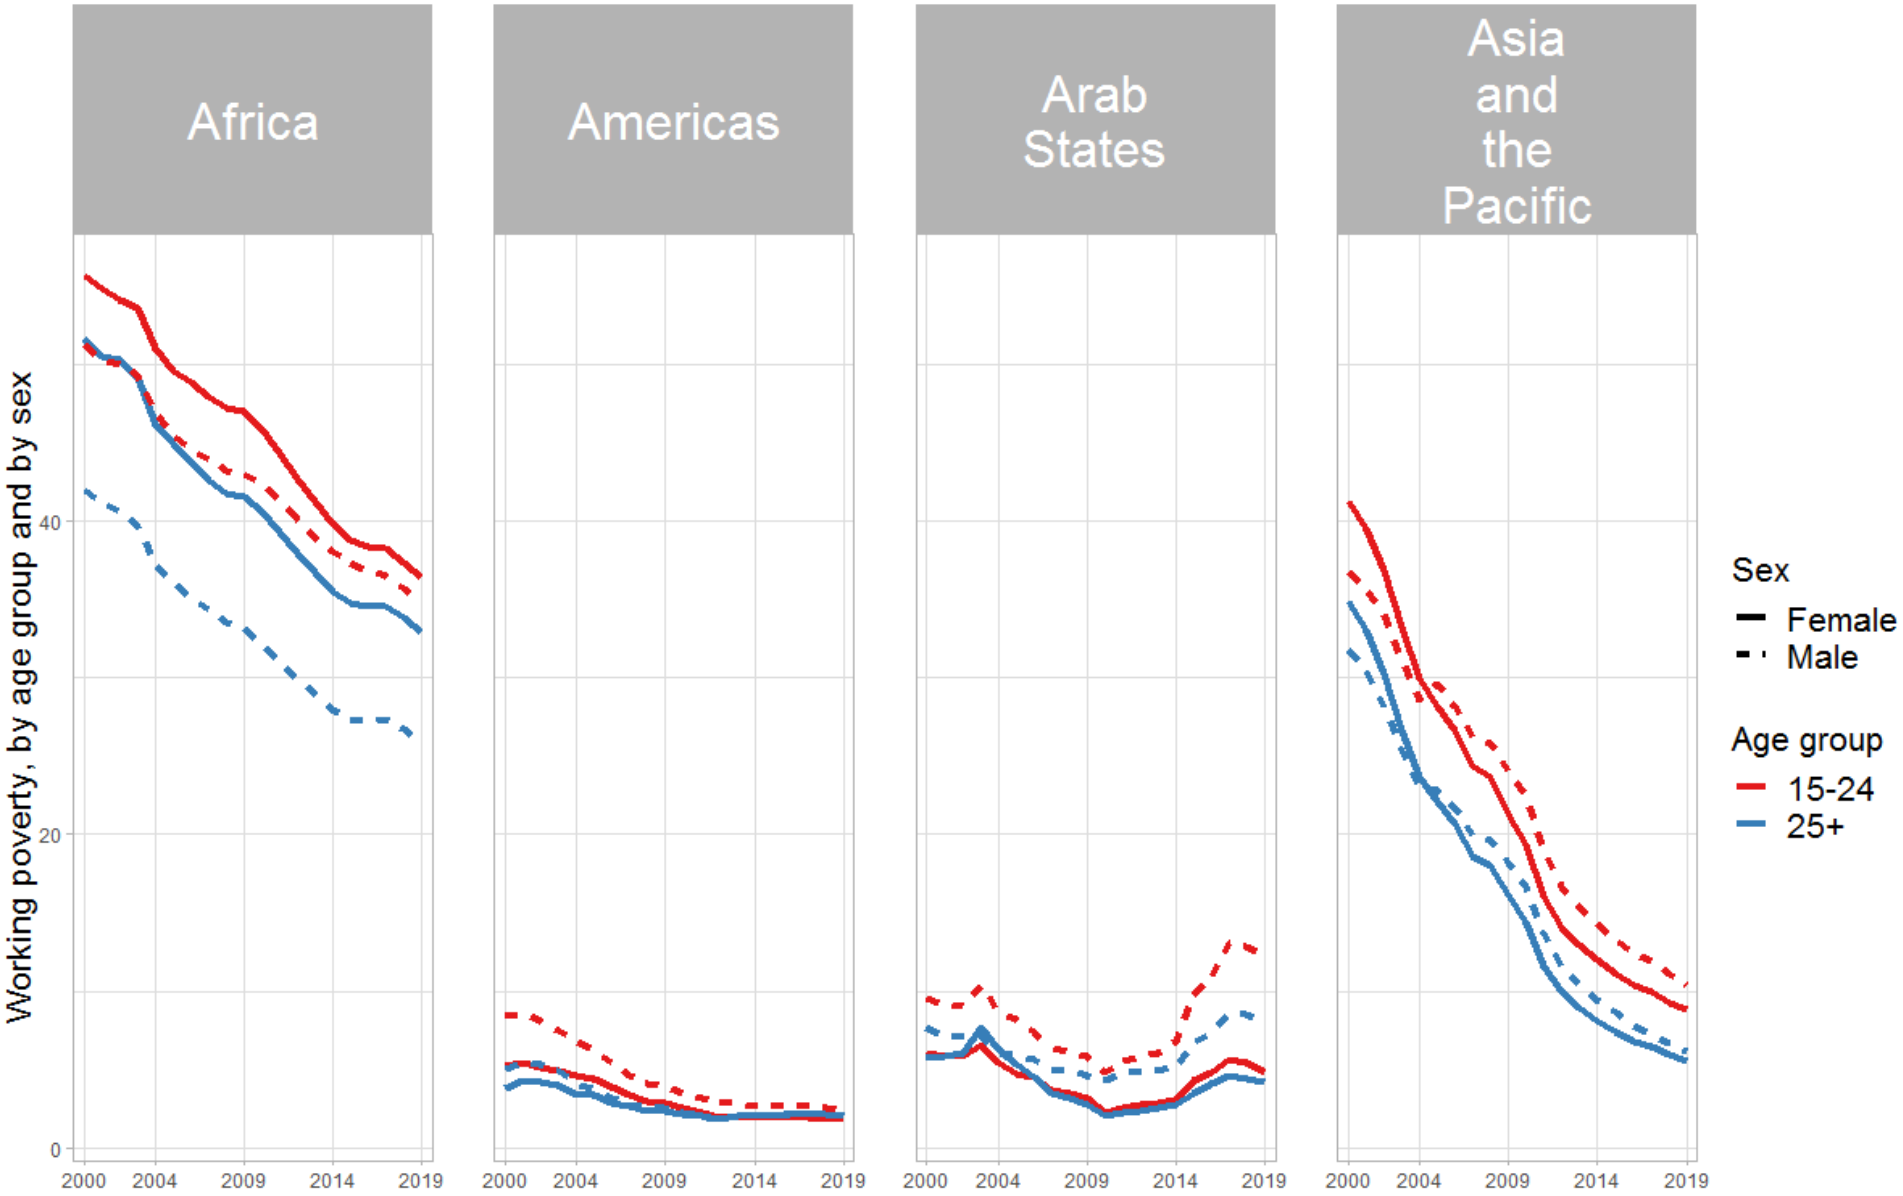

Working poverty among young people 2018

Percentage of
population 15-24

Working poverty 2000-2019

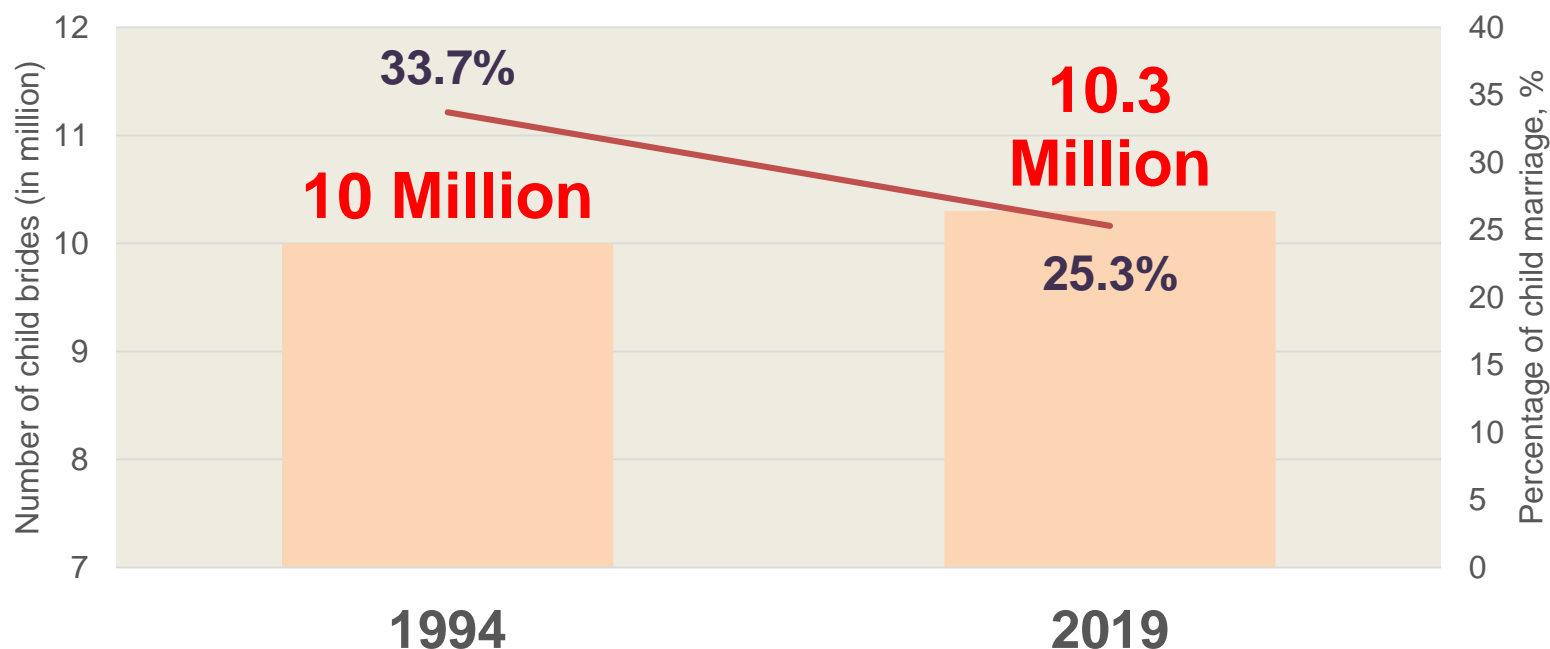

More Girls at Risk of Child Marriage

- In 1994, **10 million** girls got married before age 18
- In 2019, **10.3 million** girls will marry before age 18

Despite the decline in percentage from 33.7% to 25.3%.

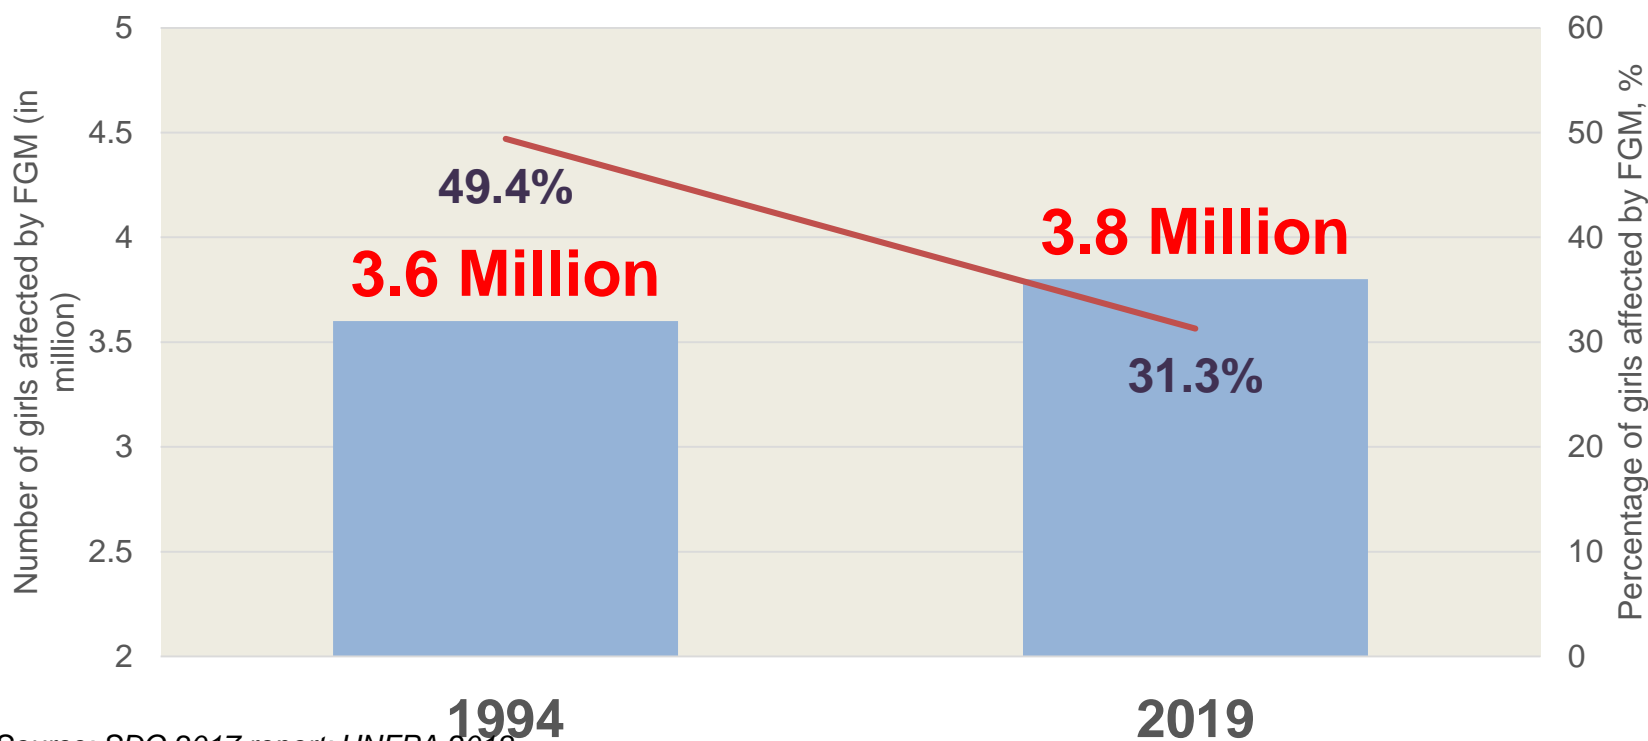

Source: SDG 2017 report; UNFPA 2018

More girls will undergo FGM

- In 1994, **3.6 million** girls age 15-19 had undergone FGM
- In 2019, **3.8 million** girls age 15-19 will have undergone FGM

Despite a decline in percentage from 49.4% to 31.3%

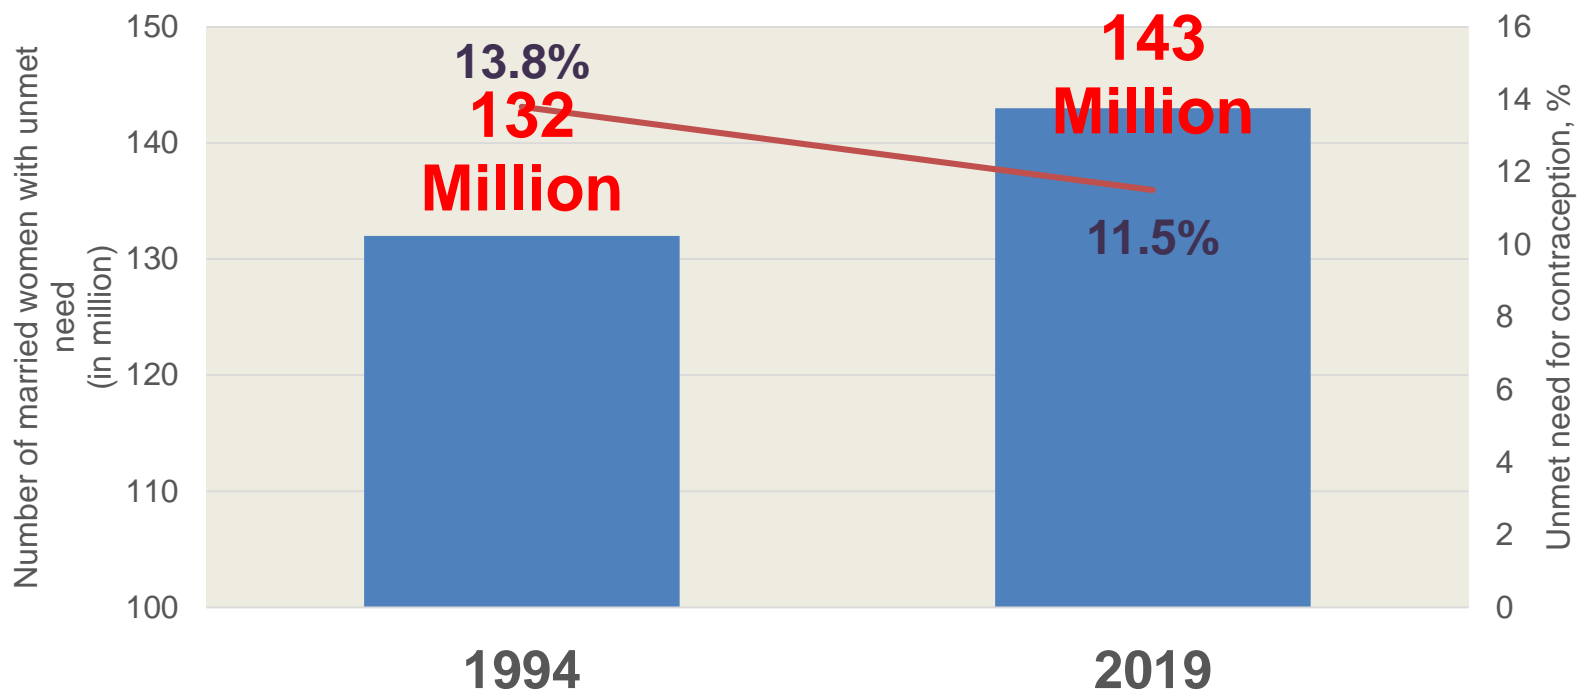

Source: SDG 2017 report; UNFPA 2018

At ICPD+25, more women will need FP

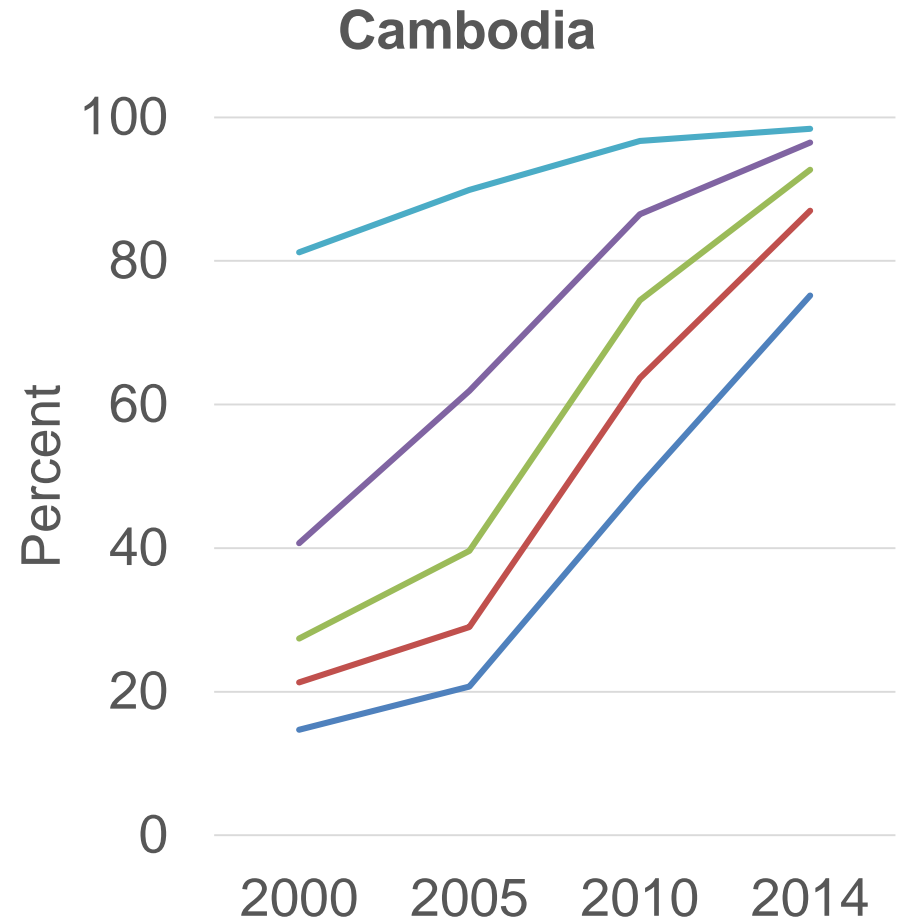

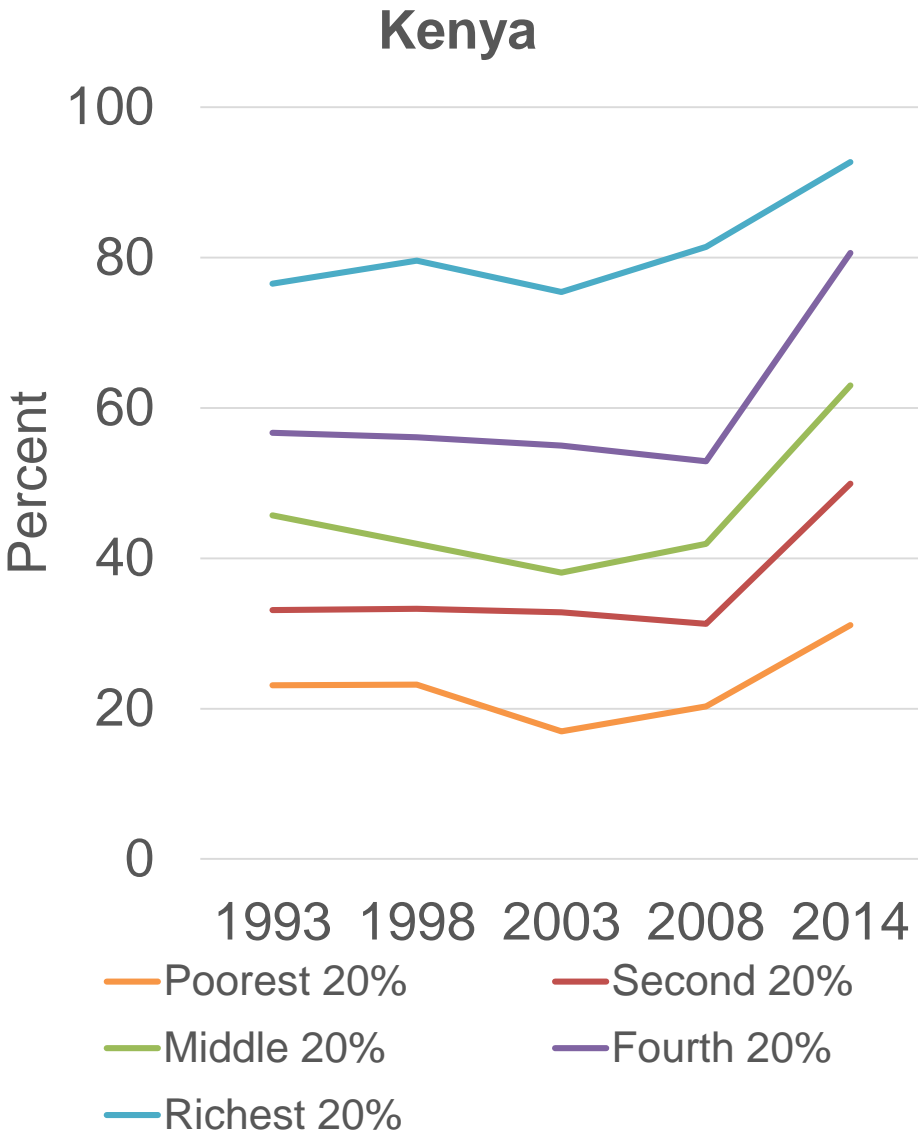

Despite a decline in percent of women with unmet need for FP from 13.8% to 11.5%

Reproductive Health Cancer Mortality, 1994 -2016 (age-standardized/per 100,000 pop)

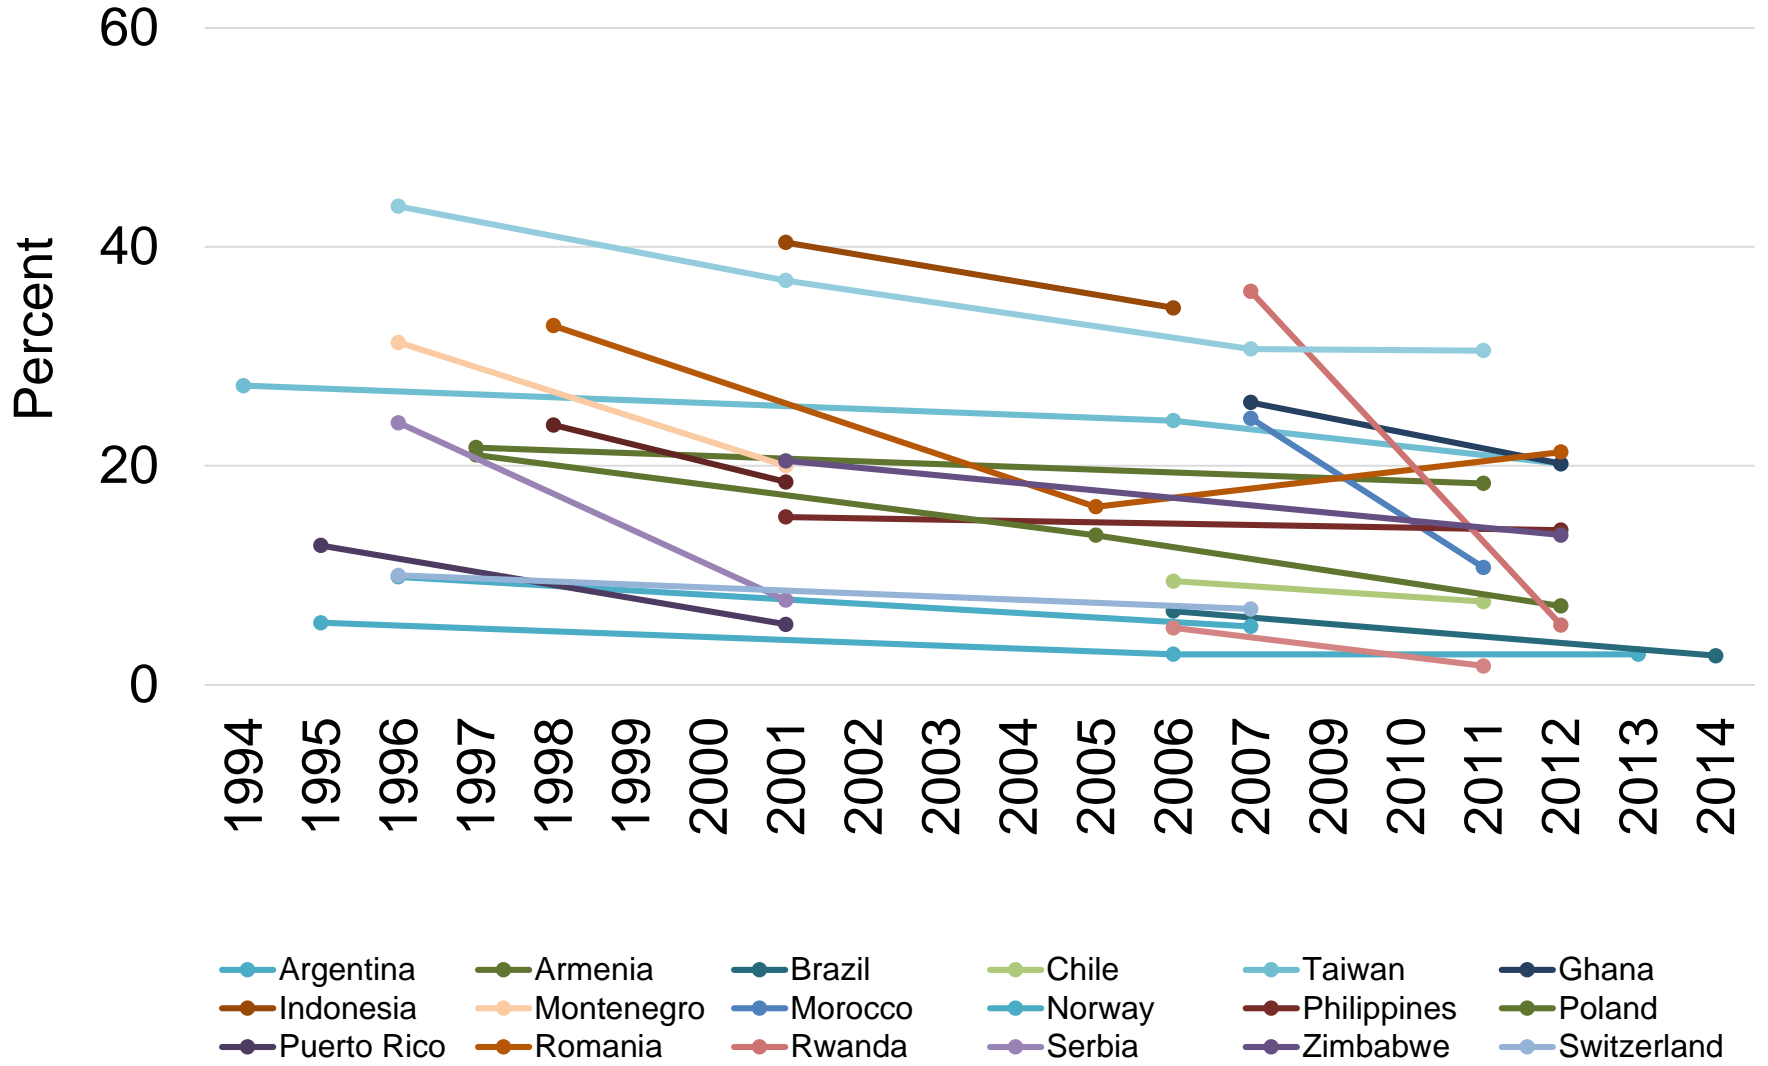

Breast Cancer

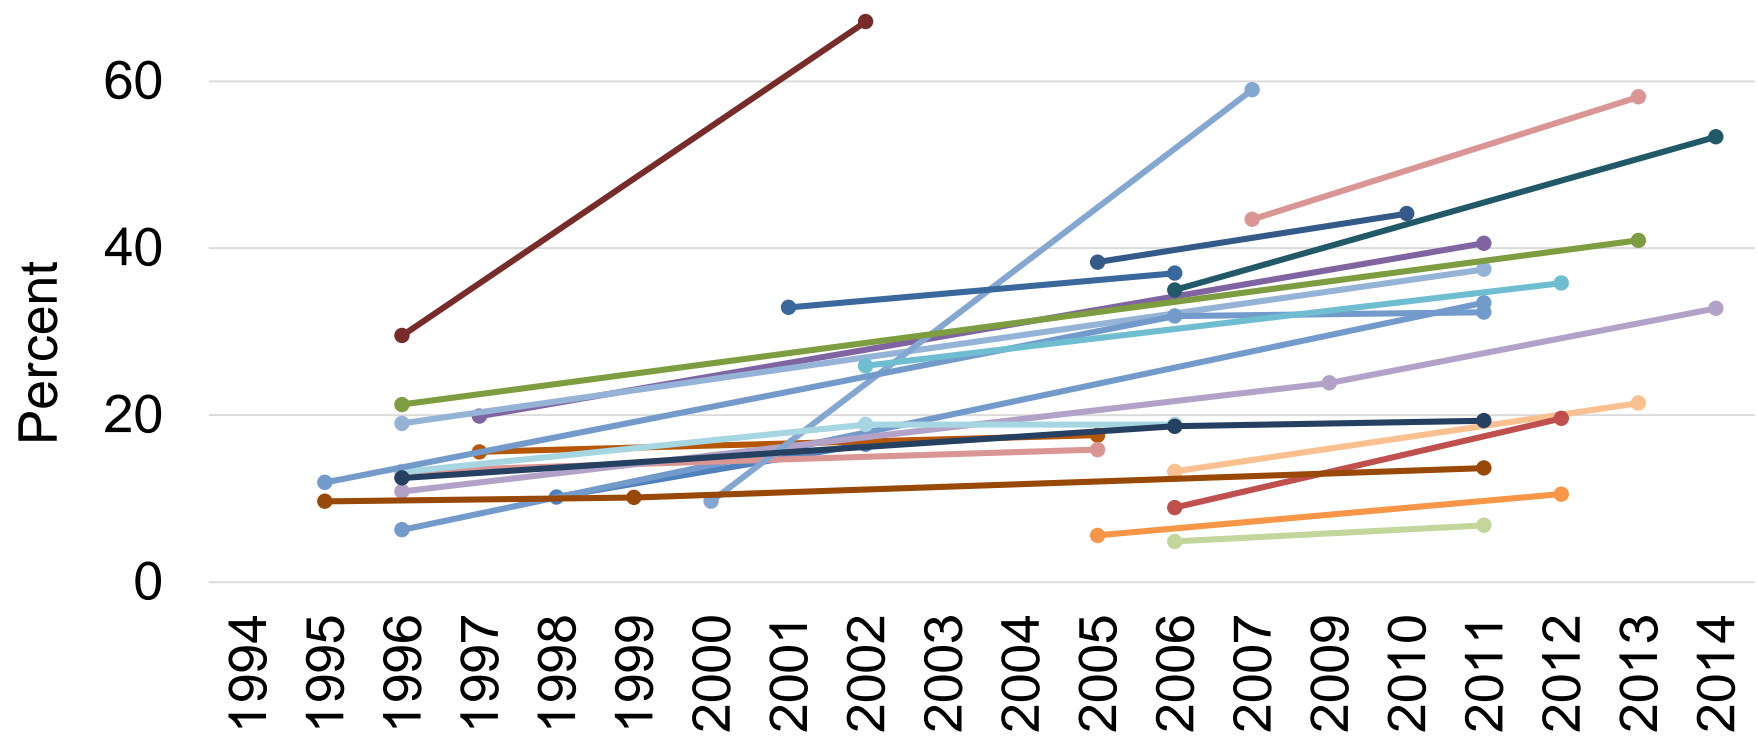

Prostate Cancer

In 21 countries fewer people list immigrants as a group they “would not like as neighbors”

But in 23 countries, this proportion rose

- Albania
- Bulgaria
- Georgia
- South Korea
- Singapore
- Trinidad and Tobago
- Azerbaijan
- Belarus
- Germany
- Moldova
- Viet Nam
- Ukraine
- Australia
- Estonia
- India
- Netherlands
- South Africa
- United States
- Bangladesh
- Finland
- Iran
- Russia
- Thailand
