

## SESSION V

# Implementing the 2030 Agenda for Sustainable Development: Measuring migration-related indicators

## GROUP WORK

*Interregional workshop on*

Collecting and using migration-related data for development:  
Cooperation and exchange in the European-African corridor

*Organizer*

**UN Department of Economic and Social Affairs**

*Venue*

**IFAD, Rome**

**30 November – 2 December 2016**

# Group work

1. How relevant are the proposed indicators for the respective targets?
2. Are data (expected to be) available to measure the proposed indicators?
3. Are there more appropriate indicators (policy/data availability perspective)?
