

SESSION III

DESA-IOM collaboration on improving migration statistics

Interregional workshop on

Collecting and using migration-related data for development:
Cooperation and exchange in the European-African corridor

Organizer

UN Department of Economic and Social Affairs

Venue

IFAD, Rome

30 November – 2 December 2016

Background

- September 2015, DESA workshop in Dakar
- March 2016, DESA-IOM Letter of Exchange on the collaboration in the implementation of data related activities under the project “Support to Free Movement of Persons and Migration in West Africa”

DESA's responsibility under the agreement

- Support with technical expertise, backstopping and tools in compiling, analysing and using migration data collected through the 2010 round of population censuses, in ECOWAS member states and Mauritania
- Develop tailor-made census data questionnaires for countries in the project
- Provide remote support to countries in completing the questionnaire
- Provide technical expertise in migration data workshops
- Ensure all ECOWAS regional guidelines are in line with international standards

Tailored questionnaire for project

Tier-I tables (consist of mainly the United Nations Demographic Yearbook tabulations on international migration)

[Table 1: Native and foreign-born population by age and sex](#)

[Table 2a: Foreign-born population by continent/country of birth, age and sex - Both sexes](#)

[Table 2b: Foreign-born population by continent/country of birth, age and sex - Males](#)

[Table 2c: Foreign-born population by continent/country of birth, age and sex - Females](#)

[Table 3a: Foreign-born population 15 years of age and over by continent/country of birth, educational attainment \(ISCED 1997\) and sex - Both sexes](#)

[Table 3b: Foreign-born population 15 years of age and over by continent/country of birth, educational attainment \(ISCED 1997\) and sex - Males](#)

[Table 3c: Foreign-born population 15 years of age and over by continent/country of birth, educational attainment \(ISCED 1997\) and sex - Females](#)

[Table 4: Population by citizenship status, age and sex](#)

[Table 5a: Foreigners \(non-citizens\) by continent/country of citizenship, age and sex - Both sexes](#)

[Table 5b: Foreigners \(non-citizens\) by continent/country of citizenship, age and sex - Males](#)

[Table 5c: Foreigners \(non-citizens\) by continent/country of citizenship, age and sex - Females](#)

[Table 6a: Foreigners \(non-citizens\) 15 years of age and over by continent/country of citizenship, educational attainment \(ISCED 1997\) and sex, Both sexes](#)

[Table 6b: Foreigners \(non-citizens\) 15 years of age and over by continent/country of citizenship, educational attainment \(ISCED 1997\) and sex, Males](#)

[Table 6c: Foreigners \(non-citizens\) 15 years of age and over by continent/country of citizenship, educational attainment \(ISCED 1997\) and sex, Females](#)

[Table 7a: Economically active foreign-born 15 years and over by occupation \(ISCO-08\), age and sex - Both sexes](#)

[Table 7b: Economically active foreign-born 15 years and over by occupation \(ISCO-08\), age and sex - Males](#)

[Table 7c: Economically active foreign-born 15 years and over by occupation \(ISCO-08\), age and sex - Females](#)

[Table 8a: Economically active foreigners 15 years and over by occupation \(ISCO-08\), age and sex - Both sexes](#)

[Table 8b: Economically active foreigners 15 years and over by occupation \(ISCO-08\), age and sex - Males](#)

[Table 8c: Economically active foreigners 15 years and over by occupation \(ISCO-08\), age and sex - Females](#)

Tier-II tabulations

Tabulation on immigrant integration:

Based on country of birth:

Table-II-1. Population aged 15 and over by sex, age group, labour force status (employed, unemployed, outside of labour force) and country of birth

Table-II-2. Employed population aged 15 and over by sex, age group, industry (ISIC Rev. 4) and country of birth status (native-born and foreign-born)

Table-II-3. Employed population aged 15 and over by sex, age group, status in employment and country of birth status (native-born and foreign-born)

Table-II-4. Native-born population aged 15 and over by sex and educational attainment (ISCED 1997)

Table-II-5. Economically active native-born population aged 15 and over by sex, age group and occupation (ISCO-08)

Based on country of citizenship

Table-II-6. Population aged 15 and over by sex, age group, labour force status (employed, unemployed, outside of labour force) and country of citizenship

Table-II-7. Employed population 15 aged and over by sex, age group, industry (ISIC Rev. 4) and citizenship status (citizens and foreigners)

Table-II-8. Employed population aged 15 and over by sex, age group, status in employment and citizenship status (citizens and foreigners)

Table-II-9. Citizens aged 15 and over by sex and educational attainment (ISCED 1997)

Table-II-10. Economically active citizens aged 15 and over by sex, age group and occupation (ISCO-08)

Tabulation on stock of returned migrants

Table-II-11. Stock of returned migrants by sex, age group and country of previous residence

Table-II-12. Stock of returned migrants by sex, age group and year or period of last return

Tabulation on recent immigrant flows

Table-II-13. Population aged one and over by sex, age group and country of usual residence one year ago

Table-II-14. Population aged five and over by sex, age group and country of usual residence five years ago

Tabulation on emigrants

Table-II-15. Number of emigrants by sex, age group (at departure) and country of destination

Table-II-16. Number of emigrants by sex, age group (at departure) and number of years since departure

Table-II-17. Number of emigrants by sex, number of years since departure and country of destination

Table-II-18. Number of emigrants aged 15 and over (at departure) by sex, age group (at departure) and educational attainment (ISCED 1997) at the time of departure

Table-II-19. Number of emigrants aged 15 and over (at departure) by sex, age group (at departure) and main occupation before departure (ISCO-08)

Table-II-20. Number of emigrants aged 15 and over (at departure) by sex, age group (at departure) and main reason for emigrating

Technical assistance

- Providing substantive inputs to the IOM-ECOWAS regional guideline on best practices on migration data collection
- March 2016, Togo, IOM workshop for ECOWAS member states and Mauritania
- July 2016, Ghana, Migration data management training workshop
- Help facilitate the regional data exchange
