

Indigenous Peoples & 2030 Agenda for Sustainable Development

Indigenous Peoples for the SDGs and the SDGs for Indigenous Peoples!

End poverty in all its forms everywhere for all people

Achieve food security and double the agricultural productivity of small-scale food producers, in particular indigenous peoples through secure and equal access to land

Ensure healthy lives and promote well-being for all at all ages

Ensure equal access to all levels of education and vocational training for indigenous peoples

End all forms of discrimination and violence against all indigenous women and girls

Ensure availability and sustainable management of water and sanitation for all

Promote sustained, inclusive and sustainable economic growth, full and productive employment and decent work for all

Empower and promote the social, economic and political inclusion of all, irrespective of race, ethnicity, origin or religion

Strengthen efforts to protect and safeguard the world's cultural and natural heritage.

Promote effective climate change-related planning and management, recognizing the role and vulnerability of indigenous peoples

Protect, restore and promote sustainable use of terrestrial ecosystems, sustainably manage forests, combat desertification

Promote peaceful and inclusive societies and provide access to justice for all

Increase the availability of high-quality, timely and reliable data disaggregated by race or ethnicity and strengthen the participation of indigenous peoples in partnerships for sustainable development
