Special event on climate

54. At the twenty-eighth Conference of the Parties to the United Nations Framework Convention on Climate Change (COP28) in Dubai, all Parties to the Paris Agreement were invited to present their next nationally determined contributions at a special event to be held under the auspices of the Secretary-General.

55. The event will be held on Wednesday, 24 September, from 2 to 6 p.m. in the Trusteeship Council Chamber. Further information regarding the event, including the provisional programme for the high-level meeting, will be circulated by the Climate Action Team of the Executive Office of the Secretary-General.

V. Documentation and interpretation

56. Delegations should submit requests for a limited number of hard copies of official documents to the Chief of the Meetings Support Section (email: chiefmss-dgacm@un.org), at least three working days prior to the date on which they are needed. Official documentation is also available online through the Official Document System (<https://documents.un.org>).

57. Delegations requiring hard copies of documents can use the print-on-demand services provided at the Documents Assistance Centre located on the 2nd floor of the Conference Building (room CB-0264) as well as the Documents Counter located in the first basement level of the Secretariat Building (room S-1B-032). For further enquiries, contact 212 963 7348/9 or chiefmss-dgacm@un.org.

58. A number of online services are made available for the benefit of delegations. Participants can register through the eSubscription service (<https://esubscription.un.org/>) of the Department for General Assembly and Conference Management to receive a list with links to official documents and the *Journal*, sent directly to a designated email address.

59. To facilitate the provision of interpretation, verbatim reporting and summary record services, delegations are requested to submit their statements (preferably in Microsoft Word, as well as the PDF versions) by email to estatements@un.org. The title of the meeting and the name of the speaker, as well as the agenda item, should be indicated in the subject line of the email and in the heading of the statement. The statement should be submitted well in advance of the meeting, but no later than two hours before delivery, and not in hard copy. The statements will remain embargoed until their delivery, after which they will be available in the eStatements section of the *Journal*.

60. Statements made in any of the six official languages of the General Assembly are interpreted into the other official languages. Speakers are requested to deliver the statement at a speed that is interpretable. While delegations are increasingly given a time frame in which to deliver their statements, they are kindly requested to do so at a normal speed, to enable the interpreters to provide an accurate and complete rendition of their statements. When statements are delivered at a fast pace, the quality of the interpretation may suffer. It is suggested not to exceed the speed of about 100 to 120 words per minute (as a guide for statements delivered in English) to ensure that the statement is delivered at a normal pace.

61. Any speaker may also make a statement in a language other than the official languages. In such cases, in accordance with rule 53 of the rules of procedure of the General Assembly, the delegation in question must provide an interpreter from the non-official language into an official language. A spare interpretation booth, if available, will be reserved in each conference room to accommodate interpreters

provided by Member States to interpret from their national languages into one of the six official languages. This facility will be available only for the duration of the national statement and only in one direction. Exceptional arrangements for bidirectional interpretation facilities for Heads of State or Government may be requested. However, ability to accommodate such requests will be very limited. Delegations seeking to provide their own interpreters for non-official languages are requested to inform the Meetings Management Section of the Department for General Assembly and Conference Management, well in advance and no later than three business days prior to the expected usage of a spare interpretation booth, by email (gmeets@un.org) and to copy the Interpretation Service (is-unhq@un.org), the Protocol and Liaison Service (unprotocol@un.org) and the Broadcast and Conference Support Section (request-for-services@un.org). When sending an email, the subject line should include the phrase “HLW booth borrowing request” and the requested date and time. The Meetings Management Section will provide further instructions.

62. The daily *Journal of the United Nations*, featuring information on the current day’s meetings and on forthcoming meetings, and summaries of official meetings held the previous day, is available in a multilingual digital format, compatible with mobile devices such as smartphones and tablets, at <https://journal.un.org>. The *Journal of the United Nations* offers a downloadable PDF for the daily programme and individual PDFs that can be downloaded for each meeting. The meeting-level PDF contains information about the meeting such as the agenda, documents, eStatements, summary of the meeting, official records, webcast and meetings coverage. In addition, the progressive web app is a downloadable application that allows users to read the *Journal* on their devices. Instead of manually going to the *Journal* website through a browser, the progressive web app allows readers to view the *Journal* directly from an app. The progressive web app for the *Journal* is available in all six official languages. Enquiries regarding the *Journal* should be addressed to the Journal Unit (email: journal@un.org).

VI. Credentials

63. In accordance with rule 27 of the rules of procedure of the General Assembly, credentials for the eightieth session of the General Assembly must be addressed to the Secretary-General and signed by the Head of State or Government or the Minister for Foreign Affairs. In accordance with rule 25 of the rules of procedure, the delegation may consist of not more than five representatives and five alternate representatives and as many advisers, technical advisers, experts and persons of similar status as may be required by the delegation.

64. Delegations of Member States are requested to submit scanned copies of the credentials, as well as of other communications containing the names of representatives to the eightieth session (such as letters and notes verbales from the permanent missions), by 2 September, through the online platform, e-Credentials, under the tab entitled “80th session of the General Assembly”, which can be accessed through the e-deleGATE portal (<https://e-delegate.un.org>). Email submissions of scanned copies of the credentials will not be accepted. Only the original hard copy of the formal credentials should be delivered to the Office of Legal Affairs located on the 36th floor of the Secretariat Building. For enquiries, please email ecredentials@un.org.

Please note that it is not necessary to register as a virtual participant in order to follow meetings online, which are broadcast on United Nations Web TV or on the Internet. Delegations wishing to obtain information on the system may refer to the updated guidelines on eRegistration and the frequently asked questions on the Protocol and Liaison Service website (www.un.org/dgacm/sites/www.un.org.dgacm/files/Documents_Protocol/faq-eregistration-2023-aug-eng.pdf). During the address of the heads of delegation at the plenary meeting of the general debate, seats will be reserved in a VIP area for spouses of the Heads of State or Government, Vice-Presidents and Crown Princes or Princesses, provided that the Chief of Protocol is notified in advance of their attendance. Priority will be given to spouses of Heads of State. In addition, depending on availability, a limited number of seats will be reserved for guests of delegations on the 4th floor balcony and in VIP section A (up to eight seats) of the General Assembly Hall during the address of the head of delegation. Access to those areas will require a special courtesy ticket distributed by the Protocol and Liaison Service upon reservation.

75. To make a reservation in the VIP area and the balcony, permanent missions are required to submit a request, by completing an online SG.40 form (entitled “Reservation for courtesy tickets for the general debate”) in the Protocol dropdown menu in the e-delegate portal (at <https://edelegate.un.int/portal/protocol/tickets>), specifying the names and titles of all attendees (one seat for the spouse of the head of delegation and up to eight seats for VIP section A) and the date (morning or afternoon) of the address of the head of delegation, at least one week in advance of the address. The number of tickets desired for the 4th floor balcony should also be indicated in the form; however, tickets are subject to availability. The link will be active for reservations starting Tuesday, 9 September. The special courtesy tickets will be available for collection at the Protocol Office, in room S-0200, after 3 p.m. on the day prior to the address to be made by the head of delegation.

76. All documents, forms and information material on the eightieth session of the General Assembly issued by the Protocol and Liaison Service may be accessed at its website (www.un.org/dgacm/en/content/protocol).

VIII. Welcoming

77. Heads of State or Government, Vice-Presidents and Crown Princes or Princesses participating in the eightieth session of the General Assembly will be welcomed by the Secretary-General from 8 to 8.30 a.m., and by the Deputy Secretary-General from 8.30 to 8.50 a.m., on Tuesday, 23 September, in the Economic and Social Council Chamber and North Delegates Lounge on the 2nd floor of the General Assembly Building.

IX. Joint briefing

78. A joint in-person briefing on the high-level meetings and the general debate will be held on Thursday, 14 August, at 3 p.m. in Conference Room 4, by the Department for General Assembly and Conference Management, including the Protocol and

Liaison Service, and by the Department of Safety and Security, the Division of Administration of the Department of Operational Support, the Office of Information and Communications Technology, the Department of Global Communications and the Executive Office of the Secretary-General.

X. Arrangements for meetings

Facilities (side events and bilateral meetings)

79. In its resolution [77/335](#), the General Assembly invited Member States and United Nations system entities to join a voluntary pledge to limit the number of side events during the general debate. Requests for side events from Member States will be coordinated and scheduled by the Department for General Assembly and Conference Management, in accordance with the established procedures, and according to precedence of meetings that are being organized by regional groups or other major groupings.

80. For bilateral meetings, temporary booths will be available in the General Assembly Building and the visitors' lobby during the high-level week of the eightieth session, starting from Monday, 22 September 2025. Seating capacity is limited to two principals and six advisers in total.

Reservation system for bilateral meetings

81. An electronic reservation system will be activated through gMeets (<https://conferences.unite.un.org/gMeets>) on Tuesday, 26 August 2025, to provide for the equitable and efficient use of the facilities. Delegations are requested to submit reservations electronically by accessing <https://conferences.unite.un.org/gMeets> using their gMeets account username and password and clicking on the "Bilateral" tab. Delegations that require a gMeets account can email gmeets-helpdesk@un.org. The date and time of the bilateral meeting and the name of the other delegation participating in the meeting should be specified in the request. Reservations will be accepted for bilateral meetings of 20 minutes' duration, on the hour and half hour. To prevent double bookings, only the delegations initiating the bilateral meeting(s) should submit the request.

82. Information about booth assignments will be provided one day prior to the meeting. Depending on the programme, every effort will be made to keep a delegation's consecutive appointments in the same booth. Late requests will be accepted until 6 p.m. on the day prior to the meeting, and every effort will be made to assign a booth on the basis of the availability of space at that time. Delegations requiring further information regarding bilateral meeting requests should send their questions or enquiries to bilats-msu@un.org.

XI. Treaty event

83. To promote the wider participation of States in over 600 multilateral treaties deposited with the Secretary-General by facilitating their signature or deposit of binding instruments of ratification, acceptance, approval or accession during the eightieth session of the General Assembly, special arrangements will be made, including media coverage, for a treaty event from 23 to 26 September 2025 in the treaty-signing area on the ground floor of the General Assembly Building. Appointments for signature, ratification, acceptance, approval or accession should be arranged well in advance with the Treaty Section (email: treatysection@un.org). The Treaty Section can also be contacted at 212 963 5047 (Front Desk). Those countries

intending to sign, ratify or accede to a convention or treaty must submit copies of their instruments of full powers, if required for signature, or copies of their instruments of ratification or accession, to the Treaty Section for review, preferably, by 5 September 2025. The original instruments are expected at the time of undertaking the relevant treaty action.

84. Detailed information relating to the 2025 treaty event, including the letter of invitation from the Secretary-General, highlighted treaties, as well as a list of all multilateral treaties deposited with the Secretary-General and procedural information, can be obtained from the United Nations Treaty Collection website (<https://treaties.un.org>).

85. It should be noted that it is the responsibility of the delegation to escort the representative who will be undertaking the relevant treaty action to the venue five minutes prior to the scheduled appointment. A protocol officer will be present to greet and escort dignitaries (Heads of State or Government, Vice-Presidents, Crown Princes or Princesses).

86. In order to have access to the premises during the 2025 treaty event, national and international media must have previously obtained proper media accreditation from the Media Accreditation and Liaison Unit of the Department of Global Communications. For more information, please visit www.un.org/malu/ or contact the Unit at malu@un.org or 212 963 6934.

XII. Security arrangements

General considerations

87. The Headquarters complex will remain closed to the public for the entirety of the high-level period and the general debate, as from 6 p.m. on Friday, 12 September, until close of business on Friday, 3 October 2025. All guided tours will be suspended during this period. The complex will open to the public at 9 a.m. on Monday, 6 October 2025.

88. Access to the United Nations complex during the high-level meetings will be restricted to delegates and their staff; staff members of the United Nations Secretariat and of the funds, programmes and agencies of the United Nations system; accredited media; and affiliates who have been issued a United Nations grounds pass.

89. Members of civil society and non-governmental organizations who are invited to attend high-level meetings or other events will be required to be in possession of a valid Member State-issued photo identification and a name-specific special event ticket (indicating a specific meeting, date and time) at all times. Representatives of non-governmental organizations already in possession of a valid United Nations grounds pass may present it along with a special event ticket to access the premises; a United Nations non-governmental organization (NGO) pass alone does not grant access during the week of 22–26 September 2025. The issuance of name-specific special event tickets is the responsibility of the United Nations sponsoring office and/or permanent mission. Non-United Nations guests will require a sponsoring office or delegation staff member to escort them from the access point on Second Avenue and 46th Street to the 47th Street and First Avenue entrance, where they will enter the Headquarters complex one hour prior to the start of a meeting or special event. After screening, they will proceed to the meeting or event location.

90. For all government delegations (Member States or observers), grounds passes will be issued at the office of the Pass and Identification Unit, located at 320 East 45th Street. For grounds passes for national security officers accompanying Heads of

State or Government, contact the Special Services Unit (email: security-unhq-specialservices@un.org; telephone: 212 963 7531). Missions and offices are required to submit their registration requests for security personnel (in-person participants only) by using the existing eRegistration system, available through the e-deleGATE portal (<https://e-delegate.un.org>).

91. It should be noted that access to the United Nations Headquarters complex will be denied to anyone who is not in the above-listed categories and who is not in possession of a valid grounds pass or special event ticket. To avoid last-minute difficulties, all Governments are requested to ensure the proper accreditation of their delegations.

92. Questions or concerns should be directed to the Chief of the Security and Safety Service, United Nations Headquarters, by contacting the Security Event Planning Unit (email: security_service_coordinator@un.org; telephone: 212 963 7028).

Access to the United Nations Headquarters complex from Monday, 22 September, to Saturday, 27 September and Monday, 29 September 2025

93. The opening hours of the pedestrian entrances are as follows:

42nd Street and First Avenue	24/7 (VIP pass holders, delegates, staff and affiliates)
46th Street and First Avenue	6 a.m. to close of business (VIP pass holders, delegates with a secondary pass, staff and affiliates with secondary passes only)
47th Street and First Avenue	6 a.m. to close of business (delegates, staff and affiliates without a secondary pass, media, members of civil society in possession of a secondary ticket and non-United Nations guests in possession of a name-specific special event ticket only)

94. Please be aware that all packages brought onto the premises by all categories of persons, including delegates and staff, will be subject to security inspection.

95. Prior arrangements are required to be made through notification to the Security Operations Centre at 212 963 6666 for after-hours access to the premises by the press and affiliates.

No pedestrian access through the delegates' entrance

96. During the high-level week of the eightieth session, the delegates' pedestrian gate, located at 45th Street and First Avenue, will be closed owing to motorcade activity. The gate located on the south side of the 46th Street and First Avenue will be reserved for the use of high-level VIPs, heads of delegations, permanent representatives to the United Nations, members of delegations that have been issued secondary access cards and senior United Nations staff who are in possession of gold-coloured grounds passes in order to access the delegates' entrance.

Pass and identification office: issuance of grounds passes

97. In preparation for the eightieth session of the General Assembly, the Pass and Identification Unit, located on the ground floor of the FF Building at 320 East 45th Street, will be open to staff members and members of delegations.

98. The issuance of annual and temporary non-governmental organization passes will be suspended on Friday, 29 August 2025, and will resume at the end of the general debate, on 30 September 2025. Any non-governmental organization invited to attend meetings or events during the high-level period will be issued with special event tickets by the sponsoring United Nations office or Member State.

99. The days and hours of operation of the office will be as follows:

Monday to Thursday, 15 to 18 September	8 a.m.–4 p.m.
Friday, 19 September	7 a.m.–6 p.m.
Saturday and Sunday, 20 and 21 September	7 a.m.–5 p.m.
Monday to Friday, 22 to 26 September	7 a.m.–6 p.m.
Saturday, 27 September	8 a.m.–12 p.m.
Sunday, 28 September	CLOSED
Monday, 29 September	8 a.m.–4 p.m.

Access to restricted areas

100. In accordance with the established procedures, it should be noted that access to the General Assembly and Conference Buildings is reserved for members of delegations and staff who are conducting official business. In all cases, including for staff members of the United Nations, valid United Nations grounds passes and secondary colour-coded access cards will be required. Owing to space constraints on the 2nd floor of the General Assembly Building, members of delegations in possession of a grounds pass and a secondary colour-coded access card are requested not to congregate within that area and instead to use the 2nd floor of the Conference Building.

101. Representatives of non-governmental organizations in possession of a valid name-specific special event ticket are not permitted access to the restricted areas; their access to meetings at Headquarters will be honoured upon verification of a valid name-specific special event ticket issued for that day's meeting(s).

Escorted motorcade drop-off

102. Escorted motorcades will be authorized to enter the United Nations Headquarters complex at the 43rd Street and First Avenue vehicular entrance and drop off their passengers at the delegates' arrival tent. Thereafter, they will be required to exit the premises through the 45th Street and First Avenue gate. All escorted motorcade movements on the premises will be established by the Security and Safety Service and coordinated in conjunction with the host country.

Unescorted motorcade drop-off

103. Unescorted vehicles will be allowed to drop off passengers at the 46th Street and First Avenue crosswalk. A valid United Nations grounds pass and an authorized United Nations e-tag (issued by the Garage Administration and labelled "UNGA80")

will be required for presentation at the 46th Street between Second Avenue and Third Avenue vehicle checkpoint prior to access being granted.

Traffic in the Secretariat Circle and through the 43rd Street gate

104. The very limited operating space in the Secretariat Circle and delegates roadway areas requires strict controls in respect of access to those areas, in order to ensure safety and to avoid undue obstructions and delays of delegation vehicles and the motorcades of high-level government officials.

105. Vehicular access to the premises through the gate at First Avenue and 43rd Street is permitted only to host country law enforcement-escorted motorcades.

106. The regular traffic pattern permitting authorized vehicles to exit the Secretariat Circle through the 45th Street gate from 9 a.m. to 7 p.m. on weekdays will resume on Tuesday, 30 September 2025.

Parking

107. For the duration of the high-level meetings and the general debate, with the exception of escorted motorcades, all vehicles authorized to enter the premises will be permitted to enter the garage through the 48th Street entrance, which will be operational from 6 a.m. to close of business daily from 22 to 27 September and on 29 September 2025. The exit will be through 42nd Street. Please note that traffic lanes within the third basement service drive and roadways in the garage must be kept free of stationary vehicles at all times. Vehicles left in those areas will be subject to towing.

108. All vehicles entering the Headquarters complex will be subject to search. Thus, it is highly recommended that drivers limit the contents inside their vehicles in order to expedite the physical security clearances.

109. Bicycles, scooters and other portable personal means of transport, including battery operated versions, will not be permitted in the Headquarters premises.

XIII. Media access arrangements and services

110. Media representatives with a valid United Nations grounds pass will be allowed to cover the general debate and other high-level meetings without additional accreditation.

111. Accreditation of media representatives accompanying the delegation, **including official photographers and videographers**, is carried out by the Media Accreditation and Liaison Unit. Missions and offices are required to submit their media accreditation requests by using the eRegistration system, available through the e-deleGATE portal at <https://e-delegate.un.org> (instructions can be found at www.un.org/en/media/accreditation/pdf/eRegistration_guide_media_passes.pdf). Requests should be submitted no later than 12 September 2025 to ensure timely processing. Government press or information officers and spokespersons should not be accredited as members of the media, unless their role is to take photos or videos and they carry professional camera equipment. Official photographers and videographers should be accredited as media to ensure access to cover meetings and other media opportunities. Media accreditation is not issued to non-governmental organization information outlets.

112. Media representatives who wish to apply for accreditation independently must submit the public form and upload a request on the letterhead of their media organization. The deadline for media representatives to request accreditation on their own behalf is 29 August 2025. Instructions and the public form can be found at www.un.org/en/media/accreditation/accreditation.shtml. Media representatives who

submitted their own application through the public form must pick up their pass in person. There is no need to submit applications in both systems (public form and eRegistration), as this may cause delays.

113. Media passes can be collected at the Pass and Identification Unit at 320 East 45th Street (see sect. XII on security arrangements for days and hours of operation).

114. The designated entrance for accredited media is located at 47th Street and First Avenue, where media representatives and their equipment will be subject to security screening. All media representatives must clearly display their United Nations grounds passes at all times.

115. Members of the media are advised to arrive early to allow sufficient time for screening. Last-minute arrivals will encounter delays, in particular when First Avenue is closed for motorcades.

116. Accredited media representatives, including official photographers and videographers, must be escorted by Media Accreditation and Liaison Unit staff at all times in the restricted areas. Escort is available from the Media Accreditation and Liaison Unit office (room S-0250) and the ad hoc liaison desks.

117. Photographers and videographers will be escorted by Media Accreditation and Liaison Unit staff to the General Assembly Hall media booths to cover national statements. Official photographers will also be able to take photographs from the bridge at the back of the General Assembly Hall during national statements. Photographers are advised to bring a long lens. Owing to space limitations, they may not be able to remain on the bridge to cover other speeches.

118. A limited number of tickets will be available for the press gallery of the General Assembly Hall and other meetings that require secondary event tickets. These seats are reserved for print media without cameras. Media liaison desk staff will distribute tickets on a first-come, first-served basis 30 minutes before the meetings. Missions and offices organizing side events should inform the Media Accreditation and Liaison Unit whether media can attend and allocate press tickets accordingly.

119. Photographers and videographers interested in covering photo opportunities at bilateral meetings with the Secretary-General must be at the Media Accreditation and Liaison Unit office (room S-0250) at least 30 minutes ahead of the meeting time. The welcoming by the Secretary-General will be covered only by United Nations Photo, United Nations Television and United Nations Web TV and shared with interested delegations.

120. Delegations will be provided with two secondary “press attaché” cards. These cards must be worn by a delegate grounds pass holder and should not be given to media pass holders. “Press attaché” card holders may enter with their delegation’s media representative(s) at the 47th Street entrance and escort up to five media pass holders to the **designated bilateral booths in the General Assembly Building** (access through the visitors’ plaza). “Press attaché” card holders must remain with their delegation’s media representative(s) and escort them out of the restricted area after they complete their assignments.

121. A temporary media centre will be located on the North Lawn, where accredited media can work, watch and record live feeds from select meetings and briefings and connect to the Wi-Fi network (5 GHz). Media representatives are required to bring their own cables to record live video and audio feeds. The following feeds will be available: HD-SDI (1080x1920/60i) on a 75-ohm BNC connector with all embedded audio channels and, for separate audio, balanced analogue audio at microphone level (-48 dBu) on a 600-ohm XLR connector.

122. Downloadable video files and photographs will be available from the Department of Global Communications (see the section below entitled “United Nations audiovisual materials”).

123. Members of the media can request documents, statements and press releases from the Media Documents Centre by emailing mdc@un.org or visiting room S-0219.

124. A list of meetings, briefings and other events open to the media will be posted daily at www.un.org/en/media/accreditation/alert.shtml.

125. Information regarding media accreditation and arrangements during the high-level period will be continually updated and available at www.un.org/en/media/accreditation/unga.shtml.

XV. Access to representatives of non-governmental organizations

150. From Friday, 29 August, no new passes will be approved or issued for representatives of non-governmental organizations in consultative status with the Economic and Social Council for the duration of the high-level week of the General Assembly. Access to United Nations premises will be granted with valid United Nations grounds passes only until Sunday, 21 September. From Monday, 22 September to Monday, 29 September, the use of annual and temporary grounds passes for non-governmental organizations in consultative status with the Economic and Social Council to enter the Headquarters complex will be suspended.

151. A limited number of special passes for the General Assembly will be distributed daily from Tuesday, 23 September to Saturday, 27 September by the Non-Governmental Organizations Branch of the Department of Economic and Social Affairs on a first-come, first-served basis at the corner of Second Avenue and 46th Street (to be confirmed) from 9 to 10 a.m. and from 2 to 3 p.m. for participation on the same day. Owing to the limited number of passes available, and in order to provide equal opportunity to all non-governmental organizations in consultative status to attend the sessions, special half-day passes will be distributed to one representative of each non-governmental organization to attend either the morning session or the afternoon session of the general debate, but not both. In other words, non-governmental organizations participating in the morning session cannot participate in the afternoon session.

152. If representatives of non-governmental organizations register for specific events and are approved to participate, they will be issued special event passes for those events by the Department of Safety and Security, for distribution by the event organizers. The usual procedures for United Nations grounds passes will be reinstated as from Thursday, 2 October.

XVI. Medical services**Prevention of infectious disease transmission**

153. Any attendees who feel unwell at home or at their hotel accommodation should not enter the United Nations complex. Rather, they should immediately seek medical support from an external provider. Likewise, all attendees of General Assembly events who feel unwell should immediately leave the complex and seek medical support from an external provider. Any attendees who develop symptoms of an infectious disease or who test positive for an infectious disease after attending an event at the United Nations complex are strongly encouraged to notify their sponsoring entity or permanent mission, who will determine whether this information

is to be shared with other attendees according to their own protocols. All contacts of a confirmed case of an infectious disease that spreads from person to person should self-monitor for symptoms and follow the protocols of the local health authorities, namely the New York City Department of Health (www.nyc.gov/site/doh/index.page) and the United States Centers for Disease Control and Prevention (www.cdc.gov/index.html), accordingly.

Emergencies/other care

154. During the high-level meetings, an immediate medical response capability for emergencies will operate from the Headquarters medical clinic in the Secretariat Building and, depending on the circumstances, may be supported by New York City emergency response services.
