DEPARTMENT FOR GENERAL ASSEMBLY AND CONFERENCE MANAGEMENT

PRO/NV/eRegistration 2021

The Protocol and Liaison Service of the Department for General Assembly and Conference Management (DGACM) of the United Nations presents its compliments to the Permanent Missions and Observer Offices to the United Nations and to the Liaison Offices of the Specialized Agencies and related organizations and has the honour to bring to their attention the following:

The eRegistration system currently used to request UN grounds passes for non-New York based delegates attending meetings at UN Headquarters is scheduled to migrate from <https://delegate.un.int> to the new eDelegate platform at <https://edelegate.un.int> on Wednesday, 26 May 2021. In the future, delegations will be able to access all meetings related information on one convenient platform. The eRegistration system will be found at <https://edelegate.un.int> under the Protocol heading. A redirection from the old address will also be in place for a short duration to allow all users to find and bookmark the new site.

Users will be able to access the site using their eDelegate login credentials. In case the new e-deleGATE platform is accessed for the first time, delegates are requested to use the new hyperlink and set a password by clicking on the forgot password link. Usernames have remained the same.

All users are encouraged to log on to the system and familiarize themselves with the new layout. Questions and feedback can be directed to [missions-support@un.int](mailto:missions-support@un.int)

The Protocol and Liaison Service of the Department for General Assembly and Conference Management (DGACM) of the United Nations presents its compliments to the Permanent Missions and Observer Offices to the United Nations and to the Liaison Offices of the Specialized Agencies and related organizations and avails itself of this opportunity to renew to them the assurances of its highest consideration.
