The General Assembly,

Recalling its resolution 808 (IX) of 4 November 1954,

Emphasizing the urgency of decreasing the danger of war and improving the prospects of a durable peace through achieving international agreement on reduction, limitation and open inspection of armaments and armed forces,

Welcoming the narrowing of differences which has resulted from the extensive negotiations in the Sub-Committee of the Disarmament Commission,

Believing that immediate, carefully measured steps can be taken for partial measures of disarmament and that such steps will facilitate further measures of disarmament,

1. Urges that the States concerned, and particularly those which are members of the Sub-Committee of the Disarmament Commission, give priority to reaching a disarmament agreement which, upon its entry into force, will provide for the following:

(a) The immediate suspension of testing of nuclear weapons with prompt installation of effective international control, including inspection posts equipped with appropriate scientific instruments located within the territories of the United States of America, the Union of Soviet Socialist Republics, and the United Kingdom of Great Britain and Northern Ireland, in Pacific Ocean areas, and at other points as required;

4. Recommends that any such technical group or groups be composed of one expert from each of the States members of the Sub-Committee and one from each of three other States Members of the United Nations which shall be designated by the Secretary-General in consultation with the Sub-Committee;

5. Invites the States concerned, and particularly those which are members of the Sub-Committee, to consider the possibility of devoting, out of the funds made available as a result of disarmament, as and when sufficient progress is made, additional resources to the improvement of living conditions throughout the world and especially in the less developed countries;

Further noting that resolutions 395 (V) of 2 December 1950, 511 (VI) of 12 January 1952 and 616 A (VII) of 5 December 1952 have successively affirmed that a policy of "racial segregation" (apartheid) is necessarily based on doctrines of racial discrimination,

Noting the annual report of the Director of the United Nations Relief and Works Agency for Palestinian Refugees in the Near East and the report of the Advisory Commission of the Agency,

Having reviewed the budget for relief and rehabilitation prepared by the Director of the Agency, and having noted the comment of the Advisory Commission to the effect that the budget is minimal,

Noting with grave concern that contributions to the budget are not yet sufficient, that the financial situation of the Agency is serious, and that cuts have already had to be made in the rehabilitation programme,

Noting that repatriation or compensation of the refugees, as provided for in paragraph 11 of resolution 194 (III), has not been effected, that no substantial progress has been made in the programme endorsed in paragraph 2 of resolution 513 (VI) for the reintegration of refugees and that, therefore, the situation of the refugees continues to be a matter of serious concern,

1155 (XII). Proposed Economic Commission for Africa

The General Assembly,

Recognising the urgent need for international co-operation in the economic development of under-developed countries,

Reaffirming its responsibilities and obligations, under Articles 55 and 56 of the Charter of the United Nations, to foster the economic development of all under-developed areas,

Recognising that the countries and territories of Africa are faced with serious economic problems affecting the welfare and progress of the peoples of that region,

Recognising that co-operation among the African countries can be of assistance in raising both the level of economic activity and the standards of life in that continent, and that such measures would be facilitated by close co-operation with the United Nations and its subsidiary organs,

Considering that the regional economic commissions of the United Nations have performed valuable functions within their respective areas and that their work is vitally important from the point of view of the United Nations as expressed in General Assembly resolution 627 (VII) of 21 December 1952,

Noting that the work of the regional economic commissions has been extremely useful to the economies of under-developed countries in Asia and Latin America, and considering therefore that Africa should benefit from the advantages of such a system,

Noting further that the group of experts appointed by the Secretary-General, at the request of the Economic and Social Council, to study measures for the economic development of under-developed countries, recommended in 1951 that in order to assist the Governments and peoples of Africa to analyse and keep under continuous survey the development problems of that continent, the United Nations should establish an Economic Commission for Africa and provide for it an international secretariat,1

Recommends that, for the purpose of giving effective aid to the countries and territories of Africa and in accordance with Article 68 of the Charter of the United Nations, the Economic and Social Council, at its next session, give prompt and favourable consideration to the establishment of an Economic Commission for Africa.

723rd plenary meeting,

1156 (XII). Expansion of international trade

The General Assembly,

Recalling its resolution 1027 (XI) of 20 February 1957 and Economic and Social Council resolution 654 A (XXIV) of 30 July 1957,

Recognizing that further expansion of international trade is necessary to full employment and the improvement of living standards of all countries, and especially to the economic development of the less developed countries,

Recognizing further that, for achieving the above-mentioned objectives, greater efforts should be made to promote free and fair international competition by eliminating or lowering unduly high tariffs and other unjustifiable barriers to international trade, having due regard to the special problems arising from the economic development needs of the less developed countries,

Taking into account its resolution 1028 (XI) of 20 February 1957 concerning the needs of land-locked countries in the matter of transit facilities,

Considering that, although existing organizations and agreements concerned with international trade have done valuable work in this field, establishment of the Organization for Trade Co-operation as a permanent international body in this field will further strengthen these organizations and agreements,

Recalling that the Agreement on the Organization for Trade Co-operation makes provision with respect to membership for all countries which are or shall become contracting parties to the General Agreement for Tariffs and Trade or with respect to the association of countries invited by the Organization for Trade Co-operation to take part in its work,

1. Reaffirms the requests contained in paragraph 1 of General Assembly resolution 1027 (XI) of 20 February 1957, which urges the Governments of Member States to continue their efforts to reduce existing barriers to international trade in a mutually satisfactory manner for the purpose of expanding such trade at the fastest feasible rate;

2. Endorses Economic and Social Council resolution 654 A (XXIV) of 30 July 1957, and urges the Governments of Member States to take action with a view to approving the Agreement on the Organization for Trade Co-operation at as early a date as possible.

723rd plenary meeting, 26 November 1957.

1158 (XII). Activities of the regional economic commissions

The General Assembly,

Recalling Economic and Social Council resolutions 579 A (XX) and 579 B (XX) of 4 August 1955 on the expansion of world trade and inter-regional trade consultations, and Council resolution 614 A (XXII) of 9 August 1956 on measures for the development of trade co-operation,

Recognizing the desirability for a more effective international exchange of views within the framework of the United Nations regarding means of improving international economic conditions, as expressed in Economic and Social Council resolutions 654 A (XXIV) and 654 E (XXIV) of 30 July 1957,

Considering that within the scope of their activities the regional economic commissions are confronted with similar or related problems,

1. Expresses its appreciation of the valuable services of the regional economic commissions, and in particular those rendered in recent years in the realization of projects depending upon co-operation among countries participating in the work of the commissions and tending, on the one hand, to strengthen international economic co-operation and, on the other, to improve economic conditions, especially in the less developed countries;

2. Notes with satisfaction the efforts being made by each of the regional economic commissions to further co-ordination of its activities and to streamline its work programme, especially in accordance with Economic and Social Council resolution 630 A 1 (XXII) of 9 August 1956, as referred to in paragraph 10 of the annex to Council resolution 664 (XXIV) of 1 August 1957, and expresses its belief that these efforts will result in a more effective exchange of information and experience in matters of common interest;

3. Expresses the hope that the regional economic commissions will continue, within their respective terms of reference and in conformity with the relevant resolutions of the Economic and Social Council, their valuable services and efforts.

723rd plenary meeting, 26 November 1957.

1157 (XII). Bases for international economic co-operation

The General Assembly,

Considering that the strengthening and development of international economic cooperation is, under the Charter, one of the most important means available to the United Nations for the promotion of peaceful relations among peoples,

Recalling that the General Assembly and the Economic and Social Council have on several occasions adopted resolutions embodying various principles relating to international economic co-operation,

Taking into account the fact that a large number of countries have recently been admitted to membership in the United Nations and, consequently, were not represented in the debates on those resolutions,

Considering also that, in view of the proposals and opinions submitted and expressed in the General Assembly at its twelfth session, it would be useful for all Member States to have at their disposal a compendium of those principles,

Requests the Secretary-General to prepare such a compendium of resolutions or extracts from them, with a subject index, in order to facilitate the study of the resolutions, to transmit the compendium to all Member States as soon as it is prepared, and to inform the Economic and Social Council during 1958 that he has done so.

723rd plenary meeting, 26 November 1957.
Resolutions adopted on the reports of the Second Committee

The General Assembly,

Recalling its resolutions 410 (V) of 1 December 1950, 701 (VII) of 11 March 1953, 725 (VIII) of 7 December 1953, 828 (IX) of 14 December 1954, 920 (X) of 25 October 1955 and 1020 (XI) of 7 December 1956,

Taking note of:

(a) The report of the Agent General of the United Nations Korean Reconstruction Agency on the work of the Agency for the period 1 July 1956 to 30 June 1957, and of the comments thereon by the United Nations Commission for the Unification and Rehabilitation of Korea,

(b) The addendum to the Agent General’s report, dated 31 October 1957,

(c) The memorandum of the Agent General to the Advisory Committee of the Agency, dated 13 November 1957,

Recognising the special importance of the Agency’s programme for the relief and rehabilitation of the Republic of Korea,

1. Commends the Agent General of the United Nations Korean Reconstruction Agency for the excellent work performed by the Agency in pursuing its mission of assisting the Korean people to relieve the sufferings and to repair the devastation caused by aggression;

2. Expresses its conviction that the work of the Agency will have long-lasting and significant effects upon the economy of Korea and upon the well-being of the Korean people;

3. Expresses its appreciation for the valuable assistance given to the Agency by specialized agencies of the United Nations and by voluntary non-governmental organizations;

4. Approves the recommendation of the Agent General that the Agency cease as an operational organization on 30 June 1958;

5. Further approves the arrangements and procedures proposed by the Agent General in his memorandum of 13 November 1957 for the completion, after 30 June 1958, of the residual responsibilities of the Agency and the subsequent liquidation of its accounts.

723rd plenary meeting, 26 November 1957.

1215 (XII). United Nations technical assistance programmes

The General Assembly,

Noting the achievements of the Expanded Programme of Technical Assistance and of the regular United Nations programme of technical assistance,

Noting further that, for 1958, seventy-five Governments have so far pledged contributions to the Expanded Programme and that, in 1957, the Expanded Programme provided assistance to more than one hundred countries and territories throughout the world,

Recognizing that the Expanded Programme of Technical Assistance is a co-operative programme to the success of which all participating Governments contribute,

Further recognizing that continued efforts should be made to use all the available technical assistance resources as effectively as possible in assisting the less developed countries to further economic progress and achieve higher standards of living,

1. Takes note of chapter III B of the report of the Economic and Social Council;

2. Requests the Economic and Social Council to study the desirability of promoting, with the co-operation of Governments, increased use of such regional and national training facilities as may be made available under the United Nations programme of technical assistance;

3. Suggests that, in the preparation of the report required under section III of Economic and Social Council resolution 659 B (XXIV) of 30 July 1957, account be taken of suggestions put forward by delegations during the twelfth session of the General Assembly for the purpose of assisting in the development of the Expanded Programme of Technical Assistance.

730th plenary meeting, 14 December 1957.

1217 (XII). Demographic questions

The General Assembly,

Considering that there is a close relationship between economic problems and population problems, especially with regard to countries which are in the process of economic development,

Bearing in mind the resolutions of the General Assembly and of the Economic and Social Council which refer to the relations existing between economic development and social change,

Recalling that international co-operation towards economic development will be more effective when more is known about the population changes that accompany such development,

1. Invites States Members, particularly those which are in the process of economic development, to follow as closely as possible the interrelationships existing between economic and population changes;

2. Invites the attention of the Economic and Social Council and of the specialized agencies concerned to the growing importance of this question;

3. Requests the Secretary-General to continue to ensure the co-ordination of the activities of the United Nations in the demographic and economic fields, particularly with reference to countries which are in the process of economic development;

4. Requests the Economic and Social Council to include pertinent information concerning the demographic activities of the Council in the chapter on economic development of its annual report to the General Assembly.

730th plenary meeting, 14 December 1957.

1218 (XII). Study of international commodity problems

The General Assembly,

Considering that it is essential to the economic development of under-developed countries that they should be able to derive appreciable resources from their own national savings,

Mindful that export revenues are basic for the economic development of many countries, and in particular of the under-developed countries,

Noting that the general level of primary commodity prices continues to be unstable and has been falling during 1957,

Considering that such conditions have harmful effects on the economy of countries exporting primary products, including their balance of payments, their programmes for economic development and their purchases from other countries,

Bearing in mind the serious economic and social effects which arise in both exporting and importing countries from excessive fluctuations in prices of primary products,

1. Endorses the decision of the Economic and Social Council, in its resolution 656 (XXIV) of 30 July
Resolutions adopted on the reports of the Second Committee

1957, to discuss the subject of international commodity problems at its twenty-sixth session;

2. Draws the attention of the Governments of Member States to General Assembly resolution 1029 (X) of 20 February 1957 and invites them, in terms of paragraph 1 of that resolution, to submit their commodity problems to the Commission on International Commodity Trade which, at its sixth session in May 1958, will prepare a report for consideration at the twenty-sixth session of the Economic and Social Council;

3. Draws the attention of the Economic and Social Council to the importance of the United Nations assisting in the promotion of international commodity agreements as an effective means of improving and stabilizing commodity prices;

4. Requests the Economic and Social Council to communicate to the General Assembly, at its thirteenth session, the conclusions drawn from its action under this resolution.

730th plenary meeting,
14 December 1957.

1219 (XII). Financing of economic development

The General Assembly,

In conformity with the determination of the United Nations, as expressed in its Charter, to promote social progress and better standards of life in larger freedom, and for these ends, to employ international machinery for the promotion of the economic and social advancement of all peoples,

Conscious of the particular needs of the less developed countries for international aid in achieving accelerated development of their economic and social infrastructure,

Recalling its resolutions on the establishment of an international fund for economic development within the framework of the United Nations and, in particular, reaffirming its unanimously adopted resolutions 724 A (VIII) and 724 B (VIII) of 7 December 1953,

Noting the recommendation of the Economic and Social Council in its resolution 662 B (XXIV) of 31 July 1957,

Recognizing that the United Nations Expanded Programme of Technical Assistance is of proven effectiveness in promoting the economic development of the less developed countries,

Recognizing however that neither the Expanded Programme nor other existing programmes of the United Nations or the specialized agencies can now meet certain urgent needs which, if met, would advance the processes of technical, economic and social development of the less developed countries, and, in particular, would facilitate new capital investments of all types—private and public, national and international—by creating conditions which would make such investments either feasible or more effective,

Convinced that a rapidly achieved enlargement in the financial resources and scope of technical assistance rendered by the United Nations and the specialized agencies to the less developed countries would constitute a constructive advance in United Nations assistance and would be of immediate significance in accelerating their economic development,

Recognizing that, while long-term pledges are desirable, some Governments are unable to make financial commitments except with the approval of their legislatures and on an annual basis,

I

Commends the Ad Hoc Committee on the Question of the Establishment of a Special United Nations Fund for Economic Development for the work embodied in its final and supplementary reports prepared in accordance with General Assembly resolutions 923 (X) of 9 December 1953 and 1030 (XII) of 26 February 1957;

II

1. Decides that, subject to the conditions prescribed hereunder, there shall be established as an expansion of the existing technical assistance and development activities of the United Nations and the specialized agencies a separate Special Fund which would provide systematic and sustained assistance in fields essential to the integrated technical, economic and social development of the less developed countries,

2. Decides further that, in view of the resources prospectively available at this time, which are not likely to exceed $100 million annually, the operations of the Special Fund shall be directed towards enlarging the scope of the United Nations programmes of technical assistance so as to include special projects in certain basic fields to be defined by the Preparatory Committee provided for in paragraph 4 below, for example, intensive surveys of water, mineral and potential power resources, the establishment—including staffing and equipping—of training institutes in public administration, statistics and technology, and of agricultural and industrial research and productivity centres;

3. Considers that while, without impairing the separate identity of the Special Fund, the fullest possible use should be made of the existing machinery of the United Nations, the specialized agencies—including the existing international financial institutions—and the Expanded Programme of Technical Assistance, the Special Fund will require some new administrative and operational machinery;

4. Decides to establish a Preparatory Committee composed of representatives of sixteen Governments to do the following, taking into account the principles set out in the annex to the present resolution and the views and suggestions forwarded by Governments pursuant to paragraph 7 below:

(a) Define the basic fields of assistance which the Special Fund should encompass and, within these fields, the types of projects which should be eligible for assistance;

(b) Define in the light of paragraph 3 above the administrative and operational machinery to be recommended for the Special Fund, including such changes as may be required in the present legislation and procedures of the Expanded Programme of Technical Assistance;

(c) Ascertain the extent to which Governments would be willing to contribute to the Special Fund;

5. Invites the President of the General Assembly to appoint the members of the Preparatory Committee;

*Ibid., document A/3580.
6. Invites the Secretary-General to provide the Preparatory Committee with all the necessary facilities, including the provision of such expert consultants as might be required;

7. Requests Governments to assist the Preparatory Committee in its work by forwarding their views and suggestions to the Committee through the Secretary-General and, in particular, by indicating the extent to which they would be willing to contribute to the Special Fund;

8. Invites the Secretary-General, the executive heads of the specialized agencies and the Executive Chairman of the Technical Assistance Board to forward their views and suggestions to the Preparatory Committee;

9. Requests the Preparatory Committee to submit the results of its work in the form of a report and recommendations to the Economic and Social Council, at its twenty-sixth session;

10. Requests the Economic and Social Council to transmit the Preparatory Committee's report, together with its own comments, to the General Assembly, at its thirteenth session, for final action;

11. Looks forward to the establishment of the Special Fund as of 1 January 1959;

12. Appeals to all States Members of the United Nations, in a spirit of co-operation and solidarity, to give the greatest possible assistance to the Special Fund;

III

Decides that as and when the resources prospectively available are considered by the General Assembly to be sufficient to enter into the field of capital development, principally the development of the economic and social infrastructure of the less developed countries, the Assembly shall review the scope and future activities of the Special Fund and take such action as it may deem appropriate.

730th plenary meeting,
14 December 1957.

ANNEX

1. The Special Fund shall be a multilateral fund of the United Nations, with financial resources principally derived from voluntary annual contributions of Governments and others in or transferable into currency usable by the Fund and, as much as possible, pledged or indicated for a number of years.

2. Assistance from the Special Fund shall be given only to projects which would make a contribution to the economic development of the requesting country or countries. The operations of the Fund shall be in conformity with the principles of the Charter of the United Nations and shall not be influenced by political considerations.

3. The Special Fund shall be administered by a chief executive officer under policies established by an executive body in accordance with such rules and principles as may be laid down by the General Assembly and the Economic and Social Council. The membership of the executive body shall be equally distributed between two groups, one consisting mainly of major contributing countries and the other consisting mainly of less developed countries. Each member of the executive body shall have one vote. Decisions of the executive body on questions of policy, including the allocation of funds, shall require a qualified majority vote.

*  *

At the 730th plenary meeting on 14 December 1957, after the adoption of the resolution, the President of the General Assembly appointed the following States Members to be represented on the Preparatory Committee, in accordance with paragraph 5 of section II of the resolution above: CANADA, CHILE, DENMARK, EGYPT, FRANCE, GHANA, INDIA, JAPAN, MEXICO, NETHERLANDS, PAKISTAN, PERU, UNION OF SOVIET SOCIALIST REPUBLICS, UNITED KINGDOM OF GREAT BRITAIN AND NORTHERN IRELAND, UNITED STATES OF AMERICA and YUGOSLAVIA.

1160 (XII). United Nations Children’s Fund

The General Assembly,

Having considered chapter VI, section III, of the report of the Economic and Social Council,1 dealing with the United Nations Children’s Fund,

Impressed with the practical effectiveness of the Fund in aiding over a hundred countries and territories, particularly in under-developed areas, to establish permanent children’s services,

Appreciating also the essential role of the Fund in increasing the capacity of countries for economic and social progress,

Aware however of the many needs which the Fund is unable to meet,

1. Expresses the hope that Governments, organizations and individuals will give increased support to the United Nations Children’s Fund;
2. Congratulates the Executive Board and the Executive Director of the Fund on their outstanding work.

723rd plenary meeting,
26 November 1957.

1161 (XII). Balanced and integrated economic and social progress

The General Assembly,

Having considered chapters VI and VII of the report of the Economic and Social Council2 and Council resolution 663 H (XXIV) of 31 July 1957 on the world social situation,

Noting that in this report it was stated that the elements of economic and social progress were now known but that knowledge was lacking on how to combine them in such a way as to promote optimum development,3

Considering that problems of economic and social development interact upon each other,

Realizing that a balanced and integrated economic and social development would contribute towards the promotion and maintenance of peace and security, social progress and better standards of living, and the observance of, and respect for, human rights and fundamental freedoms for all,

1. Commends the Economic and Social Council for the work done during the period under review;
2. Notes the programmes of work approved by the Economic and Social Council for the ensuing two years, particularly the study of balanced economic and social development called for in paragraph 1 (h) of Council resolution 663 E (XXIV) of 31 July 1957;
3. Recommends that the Economic and Social Council, in co-operation with the specialized agencies, intensify its efforts in the study and recommendation of measures to effect a balanced and integrated economic and social progress.

723rd plenary meeting,
26 November 1957.

2 Ibid., Supplement No. 3 (A/3613), para. 411.
1162 (XII). Participation of women in community development

The General Assembly,

Having noted with satisfaction that community development programmes are being carried out or are being planned on a long-term basis with international collaboration,

Recognizing that, in order to accelerate community development, which depends basically on the human element, women should be encouraged to play an even greater and more effective part in it, both in their own interest and in the interest of the community,

Noting that the reports on this question do not state to what extent women are participating in community development programmes,

1. Recommends to Member States in which community development programmes are being carried out that they should, by every means in their power, encourage the full participation of women in the development of their respective communities;

2. Recommends to the Secretary-General and the specialized agencies concerned that, in giving assistance to Governments, they should collaborate with those Governments in achieving this purpose;

3. Requests the Secretary-General to include, in his future reports to the Economic and Social Council on the progress of community development, a brief description of the methods used to achieve this purpose, the results obtained and the progress made as regards the participation of women in community development.

723rd plenary meeting,
26 November 1957.

1163 (XII). Seminars on the status of women

The General Assembly,

Taking note of chapter VII, section XI, of the report of the Economic and Social Council,9

Noting with appreciation the work of the Commission on the Status of Women and the progress achieved in the field of women’s rights,

Noting also with satisfaction the success of the seminar held in August 1957 at Bangkok (Thailand) on the civic responsibilities and increased participation of Asian women in public life,

1. Invites the Commission on the Status of Women to pursue its efforts aimed at the improvement of the status of women throughout the world, in accordance with its terms of reference,

2. Expresses the hope that seminars on the status of women will be held as frequently as possible in the future under the programme of advisory services in the field of human rights.

723rd plenary meeting,
26 November 1957.

1164 (XII). Development of international co-operation in the fields of science, culture and education

The General Assembly,

Recalling its resolution 1043 (XI) of 21 February 1957 on international cultural and scientific co-operation,

Having regard to Economic and Social Council resolution 663 I (XXIV) of 31 July 1957 urging the extension of international co-operation in the social field through the development of personal contacts and the exchange of experience among experts,

Attaching great importance to a further development and expansion of relations in the fields of science, including applied science, culture and education, which will assist the promotion of economic and social welfare as well as better mutual understanding among nations and the maintenance of peace,

Noting with satisfaction the results already achieved in the development of such international co-operation and considering it desirable that there should be opportunities for further development in this respect,

Recognizing the positive contribution in this matter by the United Nations Educational, Scientific and Cultural Organization and other specialized agencies and by other international bodies,

1. Reiterates the view expressed in its resolution 1043 (XI) of 21 February 1957 that wider international cultural and scientific co-operation should be promoted by mutual agreements or by other means, and that no effort should be spared in trying to achieve the implementation of these peaceful objectives;

2. Urges all States Members of the United Nations or members of the specialized agencies to develop further all measures for the encouragement of exchanges and co-operation among peoples in the fields of science, culture and education, which is one of the basic purposes of the United Nations;

3. Invites the United Nations Educational, Scientific and Cultural Organization and the other specialized agencies concerned to include in their annual reports to the Economic and Social Council a statement of their views and activities and any information which they may have as to the views and activities of Governments in the field of international educational, scientific and cultural co-operation;

4. Requests the Economic and Social Council to give special attention at its twenty-sixth session to the above-mentioned statements of the specialized agencies, and to include, in its report to the General Assembly at its thirteenth session, a section on this subject for consideration by the Assembly.

723rd plenary meeting,
26 November 1957.

1165 (XII). Prolongation of the Office of the United Nations High Commissioner for Refugees

The General Assembly,

Having taken note of the report of the United Nations High Commissioner for Refugees,4

Having regard to its resolution 727 (VIII) of 23 October 1953 in which it decided to review, not later than at its twelfth session, the arrangements for the Office of the United Nations High Commissioner for Refugees with a view to determining whether the Office should be continued beyond 31 December 1958,

Considering the continuing need for international action on behalf of refugees,

Considering the valuable work which has been performed by the Office of the High Commissioner both

4 Ibid., Supplement No. 11 (A/3585/Rev.1).
in providing international protection for refugees and in promoting permanent solutions for their problems,

Noting with appreciation the effective manner in which the Office of the High Commissioner has been dealing with special emergencies,

Noting the recommendation adopted by the Economic and Social Council in its resolution 650 B (XXIV) of 24 July 1957,

1. Decides to continue the Office of the United Nations High Commissioner for Refugees for a period of five years from 1 January 1959 on the basis of the Statute of the Office;\(^5\)

2. Decides that the election of the United Nations High Commissioner for Refugees, for a period of five years from 1 January 1959, shall take place at the thirteenth session of the General Assembly;

3. Decides to review, not later than at its seventeenth session, the arrangements for the Office of the High Commissioner with a view to determining whether the Office should be further continued beyond 31 December 1936.

723rd plenary meeting, 26 November 1957.

1166 (XII). International assistance to refugees within the mandate of the United Nations High Commissioner for Refugees

The General Assembly,

Having considered the problem of those refugees within the mandate of the United Nations High Commissioner for Refugees who are the concern of the United Nations Refugee Fund (UNREF),

Noting with approval that the United Nations Refugee Fund programme, if it receives the necessary funds, will, by 31 December 1958, have reduced the number of non-settled refugees under the programme to the point where most countries of asylum should be able to support these refugees without international assistance,

Recognizing that, after 31 December 1958, there will be a residual need for international aid in certain countries, and particularly among certain groups and categories of these refugees,

Bearing in mind that new refugee situations requiring international assistance have arisen to augment the problem since the establishment of the Fund, and that other such situations may arise in the future wherein international assistance may be appropriate,

Bearing in mind that, under the Statute of his Office,\(^5\) the High Commissioner is charged with the duty of seeking solutions for the problems of refugees through voluntary repatriation, resettlement and integration,

Recalling its resolution 538 B (VI) of 2 February 1952, in which the General Assembly authorized the High Commissioner to issue an appeal for funds for the purpose of enabling emergency aid to be given to the most needy groups among refugees within his mandate,

Recalling its resolution 832 (IX) of 21 October 1954, in which it authorized the High Commissioner to undertake a programme to be devoted principally to the promotion of permanent solutions for certain refugees coming within his mandate and also to permit emergency assistance to the most needy cases among these refugees, and to appeal for voluntary contributions towards a fund set up for the purpose of this programme and incorporating the fund authorized by the General Assembly in resolution 538 B (VI),

Further recalling Economic and Social Council resolution 565 (XIX) of 31 March 1955, by which the Council reconstituted the High Commissioner’s Advisory Committee on Refugees as an Executive Committee,

Having considered Economic and Social Council resolution 650 (XXIV) of 24 July 1957,

1. Approves the recommendations contained in Economic and Social Council resolution 650 (XXIV) of 24 July 1957, and accordingly:

(a) Requests the United Nations High Commissioner for Refugees to intensify the United Nations Refugee Fund programme to the fullest extent possible in order to achieve permanent solutions for the maximum number of refugees remaining in camps, without losing sight of the need to continue to seek solutions for the problems of refugees outside camps;

(b) Authorizes the High Commissioner to appeal to States Members of the United Nations or members of the specialized agencies for the purpose of raising the additional funds needed for closing the refugee camps;

2. Reaffirms the basic principle laid down in paragraph 1 of the Statute of the High Commissioner’s Office regarding forms of permanent solution of the problems of refugees, by actions designed to “facilitate the voluntary repatriation of such refugees, or their assimilation within new national communities”;\(^6\)

3. Decides that the operations under the United Nations Refugee Fund shall not be continued after 31 December 1958 except as provided for in paragraph 4 below;

1167 (XII). Chinese refugees in Hong Kong

The General Assembly,

Having considered the problem of the Chinese refugees in Hong Kong, in accordance with the resolution adopted by the Executive Committee of the United Nations Refugee Fund at its fourth session,8

Acknowledging the heavy burden placed upon the Government of Hong Kong in dealing with this problem, and the efforts made to alleviate it;

Recognizing however that the problem is such as to be of concern to the international community,

Taking into account the need for emergency and long-term assistance,

1. Appeals to States Members of the United Nations and members of the specialized agencies and to non-governmental organizations to give all possible assistance with a view to alleviating the distress of the Chinese refugees in Hong Kong;

2. Authorizes the United Nations High Commissioner for Refugees to use his good offices to encourage arrangements for contributions.

723rd plenary meeting, 26 November 1957.

1188 (XII). Recommendations concerning international respect for the right of peoples and nations to self-determination

The General Assembly,

Recalling that one of the purposes and principles of the United Nations is to develop friendly relations among nations based on respect for the principle of equal rights and self-determination of peoples,

Recalling further its resolution 545 (VI) of 5 February 1952 in which it decided to include in the International Covenants on Human Rights an article which should provide: “All peoples shall have the right of self-determination”,

Reaffirming the principles embodied in the above-mentioned resolution that all States, including those having responsibility for the administration of Non-Self-Governing Territories, should promote the realization of that right, in conformity with the purposes and principles of the United Nations,

Considering that disregard for the right to self-determination not only undermines the basis of friendly relations among nations as defined in the Charter of the United Nations but also creates conditions which may prevent further realization of the right itself,

Believing that such a situation is contrary to the purposes and principles of the United Nations,

1. Reaffirms that it is of international importance that, in accordance with the purposes and principles of the Charter of the United Nations:

(a) Member States shall, in their relations with one another, give due respect to the right of self-determination;

(b) Member States having responsibility for the administration of Non-Self-Governing Territories shall promote the realization and facilitate the exercise of this right by the peoples of such Territories;

2. Decides to consider further at its thirteenth session the item “Recommendations concerning international respect for the right of peoples and nations to self-determination”, including the proposals contained in Economic and Social Council resolution 586 D (XX) of 29 July 1955.

727th plenary meeting, 11 December 1957.

1189 (XII). Freedom of information

The General Assembly,

Considering the need to bring the text of the draft Convention on Freedom of Information to the attention of the increased membership of the United Nations,

Requests the Secretary-General:

(a) To circulate to Member States the text of the preamble and nineteen articles of the draft Convention

on Freedom of Information prepared in 1951 by the General Assembly’s Ad Hoc Committee on the Draft Convention on Freedom of Information, together with a brief history of the development of this project, and to invite them to submit their views and suggestions on the text and on the action which the General Assembly should take thereon;
(b) To invite Member States to provide a statement of the legal provisions relating to freedom of information in their countries;
(c) To report on this consultation to the General Assembly at its thirteenth session to enable the Assembly to give such priority as it may determine to the appropriate consideration of the draft Convention on Freedom of Information.

727th plenary meeting, 11 December 1957.

B

The General Assembly,

Recognizing that the media of information have a more important role than ever before in strengthening friendly relations between peoples and that a free flow of accurate and undistorted news and information is a powerful factor in maintaining international peace and understanding,

Noting that the Commission on Human Rights, at its thirteenth session, appointed a committee of five of its members for the purpose of reviewing the work of the United Nations and the specialized agencies on freedom of information and reporting, with recommendations, to the Commission at its fourteenth session,

Believing that there is need to ensure that problems of freedom of information shall remain under constant review by the appropriate organs of the United Nations,

Requests the Economic and Social Council:
(a) To invite the Commission on Human Rights to consider, at its fourteenth session, procedures by which such constant review may be ensured, inter alia, by including problems of freedom of information in the agenda of its future sessions and examining means of providing for the continuing study of such problems;
(b) Further to invite the Commission, when examining the report of its committee appointed to review the work of the United Nations and the specialized agencies on freedom of information, to give special consideration to the problem of developing media of information in under-developed countries;
(c) To transmit to the General Assembly at its thirteenth session the report of the Commission on these matters, together with the Council’s recommendation thereon.

727th plenary meeting, 11 December 1957.

C

The General Assembly,

Recognizing the desirability of studying all possible means of increasing the free flow of accurate and undistorted news and information within countries and across national frontiers,

Noting the developing programme of advisory services in the field of human rights authorized by the General Assembly in its resolution 926 (X) of 14 December 1955,

Considering that the holding of seminars on freedom of information could contribute to the solution of problems in this field,

Urges Member States to consider the possibility of organizing, in co-operation with the Secretary-General, seminars on freedom of information under the programme of advisory services in the field of human rights.

727th plenary meeting, 11 December 1957.

709th plenary meeting, 25 October 1957.

1142 (XII). Legal action to ensure the fulfilment of the obligations assumed by the Union of South Africa in respect of the Territory of South West Africa

A

The General Assembly,

Recalling its resolution 449 A (V) of 13 December 1950, by which the General Assembly accepted the opinion of 11 July 1950 of the International Court of Justice1 to the effect that:

(a) South West Africa is a Territory under the international Mandate assumed by the Union of South Africa on 17 December 1920,

(b) The Union of South Africa continues to have the international obligations stated in Article 22 of the Covenant of the League of Nations and in the Mandate for South West Africa, the supervisory functions to be exercised by the United Nations,

(c) The reference to the Permanent Court of International Justice is to be replaced by a reference to the International Court of Justice in accordance with article 7 of the Mandate and Article 37 of the Statute of the International Court of Justice,

Recalling also its resolution 1060 (XI) of 26 February 1957, by which it requested the Committee on South West Africa to study what legal action was open to ensure that the Union of South Africa fulfilled the obligations assumed by it under the Mandate for South West Africa,

Having received the Committee's special report12 on the study referred to in the previous paragraph,

1. Commends the Committee on South West Africa for its useful report;

2. Notes with deep concern that:

(b) The Union of South Africa has not rendered annual reports to the United Nations in accordance with Article 22 of the Covenant of the League of Nations, article 6 of the Mandate, and General Assembly resolution 449 A (V) of 13 December 1950;

3. Draws the attention of Member States to the failure of the Union of South Africa to render annual reports to the United Nations, and to the legal action provided for in article 7 of the Mandate read with Article 37 of the Statute of the International Court of Justice;

4. Decides to resume, at its thirteenth session, consideration of the special report of the Committee on South West Africa.

709th plenary meeting, 25 October 1957.

B

The General Assembly,

Noting with concern the observation in the report of the Committee on South West Africa, that existing conditions in the Territory of South West Africa and the trend of the administration represent a situation contrary to the Mandates System, the Charter of the United Nations, the Universal Declaration of Human Rights, the advisory opinions of the International Court of Justice and the resolutions of the General Assembly,13

Noting also that, in its special report, the Committee on South West Africa has stated that questions may be put to the International Court of Justice for its advisory opinion as to whether specific acts of the Mandatory State are in conformity with the obligations assumed by it,14

Requests the Committee on South West Africa to consider further the question of securing from the International Court of Justice advisory opinions in regard to the administration of the Territory of South West Africa, and to make recommendations in its next report concerning acts of the administration on which a reference to the Court may usefully be made as to their compatibility or otherwise with Article 22 of the Covenant of the League of Nations, the Mandate for South West Africa and the Charter of the United Nations.

Being confident that the Union of South Africa will wish, in the light of its obligations under the Charter, to co-operate in a further endeavour to arrive at a settlement of the question of South West Africa,

1. Decides to establish a Good Offices Committee on South West Africa, consisting of the United States of America, the United Kingdom of Great Britain and Northern Ireland, and a third member to be nominated by the President of the twelfth session of the General Assembly, to discuss with the Government of the Union of South Africa a basis for an agreement which would continue to accord to the Territory of South West Africa an international status;

2. Requests the Committee to submit to the General Assembly, at its thirteenth session, a report on its activities for examination and decision by the Assembly in accordance with the Charter of the United Nations;

3. Requests the Secretary-General to provide the Committee with all necessary staff and facilities.

The Committee is therefore composed as follows: Brazil, United Kingdom of Great Britain and Northern Ireland and United States of America.

Considering that, by resolution 846 (IX) of 22 November 1954, it approved a further special report on economic conditions as a supplement to the 1951 report,

Noting the 1957 report on economic conditions in Non-Self-Governing Territories prepared by the Committee on Information from Non-Self-Governing Territories,

Believing that this association may have important effects on the economic development of these Territories,

1206 (XII). Economic advancement of Somaliland under Italian administration

The General Assembly,

Recalling its resolution 855 (IX) of 14 December 1954, in which it requested the Trusteeship Council, on the basis of the conclusions of the United Nations Visiting Mission to Trust Territories in East Africa, 1954, and the report of the International Bank for Reconstruction and Development, to endeavour to decide on practical measures for financing the economic development plans for Somaliland under Italian administration,

Having examined with interest the report of the Mission of the International Bank for Reconstruction and Development, 24 and the observations thereon of the Administering Authority, the Government of Somalia and the United Nations Advisory Council for the Trust Territory of Somaliland under Italian Administration,

Having taken note of the statement of the Administering Authority that the Territory would require, after 1960, external financial assistance, excluding technical assistance, amounting to about $4 million to $5 million annually,

Having considered the various possibilities suggested by the Trusteeship Council of furnishing technical and financial assistance to Somaliland under Italian Administration after 1960, and noting the conclusion of the Council, with which the Administering Authority is in agreement, that it is premature to make any specific recommendation as to the amount of external assistance which might be required after 1960,

1. Notes from the report of the Trusteeship Council 25 that the Administering Authority, in consultation with the Government of Somalia, will continue to assess all requirements for a viable, independent Somalia, explore all possible ways of meeting the requirements indicated by these assessments and submit a report thereon to the Council at its twenty-second session;

2. Requests the Trusteeship Council to continue its study of this question, in consultation with the Administering Authority and the Government of Somalia, and, in particular, to explore further the possibilities suggested by the Council and to report thereon for the consideration of the General Assembly at its thirteenth session.

729th plenary meeting, 13 December 1957.

1207 (XII). Attainment of self-government or independence by Trust Territories

The General Assembly,

Considering that, in accordance with the provisions of Article 76 b of the Charter of the United Nations, one of the basic objectives of the International Trusteeship System is the progressive development of the inhabitants of Trust Territories towards self-government or independence,

Recalling that the General Assembly, in its resolution 558 (VI) of 18 January 1952, invited the Administering Authority of each Trust Territory, inter alia, to estimate the period of time in which the Trust Territories concerned would attain self-government or independence,

Recalling also that the General Assembly, in its resolution 1064 (XI) of 26 February 1957, recommended that the Administering Authorities concerned take the necessary measures to ensure that the Trust Territories of Tanganyika, the Cameroons under British administration, the Cameroons under French administration, Togoland under French administration and Ruanda-Urundi achieve self-government or independence at an early date, and further invited the Administering Authorities concerned to estimate the period of time required for the attainment of self-government or independence by all Trust Territories, in conformity with General Assembly resolution 558 (VI),

Having examined part III of the report of the Trusteeship Council,

Noting with satisfaction that the Trusteeship Council has recommended that the Administering Authorities indicate such successive intermediate targets and dates in the political, economic, social and educational development of the Trust Territories as will create the pre-conditions for their attainment of self-government or independence,

Noting with disappointment that the Administering Authorities concerned have not yet submitted the estimates of the periods of time required by the Trust Territories for the attainment of the final objective of trusteeship, namely, self-government or independence,

Conscious of the importance of estimating the time required for the attainment by Trust Territories of self-government or independence,

1. Reaffirms its resolutions 558 (VI) of 18 January 1952 and 1064 (XI) of 26 February 1957, and once again invites the Administering Authorities to implement the terms of those resolutions;

2. Requests the Trusteeship Council to report to the General Assembly, at its thirteenth session, on the progress made in implementing the present resolution.

729th plenary meeting, 13 December 1957.

1208 (XII). Rural economic development of the Trust Territories

The General Assembly,

Recalling its resolution 438 (V) of 2 December 1950, recommending that the Trusteeship Council consider
the prevailing policies, laws and practices which, in the Trust Territories, relate to land, land utilization and the alienation of land, taking into account the present and future needs of the indigenous inhabitants from the standpoint of the basic objectives of the International Trusteehip System and the future economic requirements of the Territories, as well as the social and economic consequences of the transfer of land to non-indigenous inhabitants,

Having noted the actions of the Trusteeship Council in this field, both through its regular procedures for the examination of conditions in the Trust Territories and through the establishment of the Committee on Rural Economic Development of the Trust Territories,

Bearing in mind the technical difficulties that the Committee has encountered in the various aspects of the study entrusted to it,

Noting with regret that the Committee has not yet been able to carry out the aforementioned study,

Considering that the questions of land tenure, land utilization and land alienation call for analysis and opinion of a technical and expert nature, and recalling in this connexion General Assembly resolution 561 (VI) of 18 January 1952,

Considering that, in the meantime, it would be appropriate for the Trusteeship Council, with the assistance of the Committee, to continue to devote particular attention to the question of the alienation of land in the Trust Territories,

1. Decides, in order to facilitate the eventual study by the General Assembly of problems of land tenure, land utilization and land alienation in the Trust Territories, to invite the appropriate specialized agencies, particularly the Food and Agriculture Organization of the United Nations and the International Labour Organization to submit to the Trusteeship Council their observations and suggestions concerning these problems;

2. Recommends to the Trusteeship Council that it ensure, through the Committee on Rural Economic Development of the Trust Territories or by such other means as it deems appropriate, the early submission of its study of the prevailing policies, laws and practices relating to land tenure, land utilization and land alienation in Trust Territories, taking into account the present and future needs of the indigenous inhabitants from the standpoint of the basic objectives of the International Trusteehip System and the future economic requirements of the Territories, as well as the social and economic consequences of the transfer of land to non-indigenous inhabitants;

3. Requests the Trusteeship Council to include the results of this study in its next report to the General Assembly.

729th plenary meeting, 13 December 1957.

1209 (XII). Offers by Member States of study and training facilities for inhabitants of Trust Territories

The General Assembly,

Having examined chapter V, section D, of part I of the report of the Trusteeship Council and the report of the Secretary-General on offers by Member States of study and training facilities for inhabitants of Trust Territories,

Recalling that, in its resolutions 753 (VIII) of 9 December 1953 and 1063 (XI) of 26 February 1957, the General Assembly recommended that the Administering Authorities of the Trust Territories take all such measures as would ensure the greatest possible use by inhabitants of the Trust Territories of the scholarships and training facilities offered by Member States,

Noting that the major part of the scholarships offered by Member States remains unutilized,

1. Takes note of chapter V, section D, of part I of the report of the Trusteeship Council and of the report of the Secretary-General on offers by Member States of study and training facilities for inhabitants of Trust Territories;

2. Reaffirms its resolution 1063 (XI) of 26 February 1957 and once again invites the Administering Authorities to take all necessary measures to ensure that scholarships and training facilities offered by Member States may be utilized by inhabitants of the Trust Territories and to render every assistance to those persons who have applied for, or have been granted, scholarships or fellowships;

3. Requests the Secretary-General to give such assistance as is possible, and as may be sought by the Members concerned and by the applicants, within the framework of the procedures laid down by the Trusteeship Council;

4. Requests the Secretary-General to include, in his future reports to the Trusteeship Council, detailed information concerning the actual use of scholarships and training facilities offered by Member States for the education of inhabitants of the Trust Territories;

5. Requests the Trusteeship Council to resume, at its sessions held in 1958, the consideration of this question and to report thereon to the General Assembly at its thirteenth session.

729th plenary meeting, 13 December 1957.

1210 (XII). Effects of the European Economic Community on the development of certain Trust Territories

The General Assembly,

Having examined the report of the Trusteeship Council,

Having observed that the Treaty establishing the European Economic Community provides that certain Trust Territories are to be associated with the Community,

Believing that this association may have significant effects on the development of such Territories,

1. Invites the Administering Authorities concerned to submit information to the Trusteeship Council on the association of the Trust Territories under their administration with the European Economic Community and on the possible effects of the Treaty establishing the Community on the development of those Territories;

2. Requests the Trusteeship Council to include in its report to the General Assembly, at its thirteenth meeting.

session, a separate section dealing with the effects that
the association of certain Trust Territories with the
Community may have on the development of those Ter-
ritories, in the light of any surveys of this problem car-
rried out by the Secretary-General in virtue of General
Assembly resolution 1153 (XII) of 26 November 1957,
by the Economic and Social Council, the Economic
Commission for Asia and the Far East, the Economic
Commission for Latin America, or other international
bodies, in so far as such surveys are concerned with
the development of those Territories;
3. Resolves to resume examination of this question
at its thirteenth session.

729th plenary meeting,
13 December 1957.

1211 (XII). Situation in the Trust Territories of
the Cameroons under British administration
and the Cameroons under French adminis-
tration\(^\text{26}\)

The General Assembly,

Having studied the chapters of the report of the
Trusteeship Council which relate to the Trust Terri-
itories of the Cameroons under British administration
and the Cameroons under French administration,\(^\text{27}\)

Noting continued tensions and disturbances in a
certain area of the Cameroons under French adminis-
tration,

Noting the fact that the amnesty law envisaged by
the Administering Authority has not yet been promul-
gated,

Taking note of the progress achieved in both Ter-
ritories and of the measures to that effect adopted by
the Administering Authorities and by the authorities
of both Cameroons,

Having heard and considered the statements of the
petitioners from these Territories in the course of the
hearings granted by the Fourth Committee,

Bearing in mind that the Trusteeship Council will,
in the normal course, send a visiting mission to the
two Territories in 1958,

1. Takes note of the pertinent chapters of the report
of the Trusteeship Council;
2. Transmits the statements of the petitioners to
the Trusteeship Council for further study;
3. Recommends that the Trusteeship Council take
into account the observations and suggestions made
during the debate in the Fourth Committee, when the
Council considers conditions in the Trust Territories
of the Cameroons under British administration and the
Cameroons under French administration at its twenty-
first session;
4. Expresses the hope that, as a result of the appli-
cation of appropriate measures, in particular the early
promulgation of the amnesty law by the Administering
Authority, and the renunciation of the use of violence
by all political parties, it will be possible to achieve,
in the Cameroons under French administration, con-
ditions conducive to the early restoration of a normal
situation in the disturbed area, and to the furtherance
of democratic progress and political activities in the
Territory;
5. Is confident that the appropriate steps to be taken
by the Administering Authorities will further facilitate
the realization in both Territories of the final objectives
of the Trusteeship System, in accordance with the free
expression of the wishes of the populations concerned,
taking into account any alternative relative to their
future status;
6. Requests the Trusteeship Council to instruct its
next visiting mission, in 1958, to take into account the
observations and suggestions made at the twelfth ses-
sion of the General Assembly during the examination
of the situation in the two Territories.

729th plenary meeting,
13 December 1957.

1213 (XII). Question of the frontier between
the Trust Territory of Somaliland under
Italian administration and Ethiopia

The General Assembly,

Recalling its resolutions 392 (V) of 15 December
1950, 854 (IX) of 14 December 1954, 947 (X) of
15 December 1955 and 1068 (XI) of 26 February
1957,

Having taken note of the reports transmitted to the
General Assembly by the Governments of Ethiopia\(^\text{28}\)
and of Italy\(^\text{29}\) in accordance with the recommendation
contained in resolution 1068 (XI),

Having heard the statements made by the delegations
of Ethiopia and of Italy, including that of the represen-
tative of the Government of Somalia,\(^\text{30}\)

Noting the efforts made by the Governments of
Ethiopia and of Italy in negotiations to reach a solu-
tion of the question of the frontier between the Trust
Territory of Somaliland under Italian administration
and Ethiopia,

Noting that, although some progress was made dur-
ing the discussions, direct negotiations have not resolved
some of the main differences between the parties,

Considering that it is in the common interest of
Ethiopia and the Trust Territory that there should be
a final settlement of the question of the frontier be-
tween them before the Territory becomes an indepen-
dent sovereign State in 1960,

Having regard to the urgency of the matter,
1. Expresses the opinion that a final settlement can
be achieved most expeditiously by a procedure of arbi-
tration;
2. Recommends the parties to establish, if possible
within three months, an arbitration tribunal—consisting
of three jurists, one to be appointed by Ethiopia, one
by Italy and one by agreement between the jurists so

1137 (XII). Scale of assessments for the apportionment of the expenses of the United Nations

The General Assembly,

Recalling its resolutions 14 (I) of 13 February 1946, 238 (III) of 18 November 1948 and 665 (VII) of 5 December 1952, regarding the apportionment of the expenses of the United Nations among its Members and the fixing of the maximum contribution of any one Member State,

Noting that, when the maximum contribution of any one Member State was fixed at 33.33 per cent effective 1 January 1954, the United Nations consisted of sixty Member States,

Noting further that, since 1 January 1954, twenty-two States have been admitted to membership in the United Nations,

Recalling its resolution 1087 (XI) of 21 December 1956, whereby the percentage contributions of the first sixteen new Member States admitted since 1 January 1954 were incorporated into the regular scale of assessments for 1956 and 1957 and were applied to reduce the percentage contributions of all Member States except that of the highest contributor and those of the Member States paying minimum assessments,

Noting that there are now six new Member States—Ghana, Japan, Malaya (Federation of), Morocco, Sudan and Tunisia—whose percentage contributions have not yet been fixed by the Committee on Contributions or incorporated into the 100 per cent scale of assessments,

Decides that:
1. In principle, the maximum contribution of any one Member State to the ordinary expenses of the United Nations shall not exceed 30 per cent of the total;
2. The percentage contributions fixed by the Committee on Contributions for Japan, Morocco, Sudan and Tunisia for 1956 and 1957, and for Ghana and Malaya (Federation of) for 1957, shall constitute miscellaneous income of the United Nations;
3. The Committee on Contributions shall take the following steps in preparing scales of assessment for 1958 and subsequent years:
   (a) The percentage contributions fixed by the Committee on Contributions for Ghana, Japan, Malaya (Federation of), Morocco, Sudan and Tunisia for 1958
shall be incorporated into the 100 per cent scale for 1958; this incorporation shall be accomplished by applying the total amount of the percentage contributions of the six Member States named above to a pro rata reduction of the percentage contributions of all Members except those assessed at the minimum rate, taking into account the per capita ceiling principle and any reductions which may be required as a result of a review by the Committee on Contributions, at its session commencing 15 October 1957, of appeals from recommendations made previously by that Committee;

(b) During the three-year period of the scale of assessments (1959-1961), further steps to reduce the share of the largest contributor shall be recommended by the Committee on Contributions when new Member States are admitted;

(c) The Committee on Contributions shall thereafter recommend such additional steps as may be necessary and appropriate to complete the reduction;

(d) The percentage contribution of Member States shall not in any case be increased as a consequence of the present resolution.

A

The General Assembly,

Having considered the report of the Negotiating Committee for Extra-Budgetary Funds appointed at the eleventh session of the General Assembly,

Decides that:

1. During its thirteenth session, the General Assembly shall convene an ad hoc committee of the whole Assembly, under the chairmanship of the President of the session, where pledges of voluntary contributions for the two refugee programmes for the following financial year would be announced, with separate meetings dedicated to each programme;
2. States not Members of the United Nations, but members of one or more of the specialized agencies, shall be invited to attend meetings of the ad hoc committee for the purpose of announcing their pledges to the two refugee programmes;

B

The General Assembly

1. Requests the President of the General Assembly to appoint a Negotiating Committee for Extra-Budgetary Funds consisting of not more than ten members, with the same terms of reference as those laid down in Assembly resolution 693 (VII) of 25 October 1952, to serve from the close of the twelfth session to the close of the thirteenth session of the Assembly;

1201 (XII). Amendments to the Regulations of the United Nations Joint Staff Pension Fund

The General Assembly

Adopts the texts annexed to the present resolution as amendments to the Regulations of the United Nations Joint Staff Pension Fund. These amendments shall come into force on 1 January 1958.

729th plenary meeting, 13 December 1957.

ANNEX

Article I, paragraph 4 (amended text)

“Final average remuneration” means the average annual pensionable remuneration of the participant during the last five years of his contributory service, on the understanding that, in the case of participants who have entered the Fund prior to 5 November 1956, it means the average pensionable remuneration of the participant during the last ten years of his contributory service whenever this average is higher. When the participant has less than five years of contributory service, the final average remuneration shall mean the average annual pensionable remuneration during the actual period of contributory service.

Article II, paragraph 1 (amended text)

Every full-time member of the staff of each member organization shall become a participant in the United Nations Joint Staff Pension Fund:

(a) If he enters employment under a contract without a time-limit;
(b) If he enters employment under a fixed-term contract for five years or more;
(c) If he has completed five years of employment and remains on a contract providing for further service of at least one year, or remains in employment for more than one year thereafter;

(d) If the member organization certifies that the particular fixed-term contract is considered to cover a probationary period and is designed to lead to employment for an indefinite period, provided that he is under sixty years of age at the time of entry into the Fund and that his participation is not excluded by his contract of employment.

Article IV, paragraph 1 (amended text)

A participant who reaches the age of sixty shall, upon retirement, be entitled during the remainder of his life to an annual retirement benefit, payable monthly, equal to one-fiftieth of his final average remuneration multiplied by the number of years of his contributory service not exceeding thirty years.

Article V (amended text)

Subject to the provisions of articles X.1 (b) and XVI, a participant who, before reaching the age of sixty, has, in the opinion of the Joint Staff Pension Board, become unable to perform his duties owing to serious physical or mental impairment, shall be entitled, subject to article IX, while such disability continues, to a disability benefit payable in the same manner as a retirement benefit and equal to nine-tenths of one-fifty-fifth of his final average remuneration multiplied by the number of years of his contributory service not exceeding thirty years. This disability benefit shall not be less than the smaller of:

(a) One-third of the final average remuneration;
(b) Nine-tenths of the retirement benefit to which he would have been entitled if he had remained in service until he had reached the age of sixty and his final average remuneration had remained unchanged.

Article VII, paragraph 1 (amended text)

Subject to the provisions of article XVI, if a married male participant dies, his widow shall be entitled, subject to article IX, to a widow's benefit amounting, except as provided in paragraph 3 below, to half of the benefit which would have been paid to the participant had he qualified for a disability benefit at the time of his death or, if such deceased participant had attained the age of sixty, to one-half of the benefit which would have been paid to the participant had he retired under the provisions of article IV at the time of his death. Whenever the amount of the widow's benefit so determined shall be less than $750 per annum, it shall be increased to the smaller of:

(a) $750 per annum, or (b) twice the original amount determined. This benefit shall cease on the widow's remarriage.

Article XXIX (amended text)

The Joint Staff Pension Board, upon the advice of a qualified actuary or actuaries, shall adopt from time to time service and mortality tables and the rate of regular interest which shall be used in all actuarial calculations required in connexion with the Pension Fund. The rate of regular interest applicable shall be 2½ per cent per annum through 31 December 1957 and 3 per cent per annum thereafter unless and until changed by the Joint Staff Pension Board. At least once in each six years following the establishment of the Pension Fund, the Board shall have an actuarial investigation made into the mortality, service and compensation experience of the participants and beneficiaries of the Pension Fund; and taking into account the results of such investigation, the Board shall adopt such mortality, service and other tables as it shall deem appropriate.

(The change in the rate of regular interest specified in article XXIX entails consequential changes in articles III.1, VII.5, X.I and 3, XI, XII.1 and 2, and XVII.6. In each case the phrase “at the rate of 2½ per cent per annum” is replaced by the phrase “at the rate designated in article XXIX”.)

Supplementary article B (new text)

1. Every full-time member of the staff of each member organization shall become an associate participant in the United Nations Joint Staff Pension Fund:
(a) If he enters employment under a fixed-term contract for at least one year but less than five years;

(b) If he has completed one year of continuous employment, provided that he is not eligible under article III.1 to become a participant, provided that he is under sixty years of age, and provided further that his associate participation is not excluded by his contract of employment. For the purposes of this article, intervals of not more than thirty calendar days in the period of employment shall not be considered as breaking the continuity of employment.

2. The participation of an associate participant shall cease when he reaches the age of sixty.

3. An associate participant shall be eligible for a disability benefit under article V and his survivors to a death benefit under article VII.3, 4, 6 and 7, and to a child’s benefit under article VIII. He shall not be entitled to a retirement benefit under article IV nor to a withdrawal benefit under article X, and his survivors shall not be entitled to a death benefit under article VII.5.

4. Each member organization shall pay monthly into the Pension Fund, in respect of each associate participant, a contribution equal to 4½ per cent of his pensionable remuneration, or such percentage contribution, not to exceed 6 per cent, as shall be determined from time to time by the Joint Staff Pension Board on the basis of actuarial valuations of the Fund.

5. Whenever an associate participant is entitled under article II to become a participant, he may elect during the first year of his participation to have the period performed as an associate participant included in his contributory service to the extent to which he pays into the Pension Fund a sum or sums equal to the contributions he would have paid as a participant, plus interest, at the rate designated in article XXIX. Payment into the Pension Fund of amounts sufficient to meet the Fund’s obligations, resulting from the inclusion of such additional contributory service, which are not met by payments made by the participants shall be made by the member organization designated for that purpose in accordance with arrangements concluded by the member organizations, provided that payment has not already been made by a member organization for the period concerned.

6. All other provisions of these regulations consistent with the present article shall be applicable to associate participants, mutatis mutandis, in the same manner as to a participant. Such administrative rules as shall be considered necessary for the implementation of this article shall be established by the Joint Staff Pension Board.

Supplementary article C (new text)

For the purposes of these regulations, the International Atomic Energy Agency shall be treated as if it were a specialized agency.

1202 (XII). Pattern of conferences

The General Assembly,

Recalling its resolution 694 (VII) of 20 December 1952,

Recognizing the need to establish further clear procedures for the planning and financing of meetings and conferences of the United Nations in order that the most rational and economical use may be made of the resources of the Organization,

1. Decides that a fixed pattern of conferences to govern the places and dates of the meetings of United Nations bodies shall come into force on 1 January 1958 for a period of five years;

2. Decides further that, as a general principle, meetings of United Nations bodies shall be held at the established headquarters of the bodies concerned, with the following exceptions:

(a) The regular summer session of the Economic and Social Council may be held each year at Geneva, during which period no other United Nations body shall meet there;

(b) Not more than one functional commission of the Economic and Social Council, to be determined by the Council in addition to the Commission on Narcotic Drugs, may meet annually in Geneva; a session of the Commission on Narcotic Drugs may, in exceptional circumstances, and by decision of the Economic and Social Council in consultation with the Secretary-General, be held in New York; in such years one other functional commission may meet in Geneva in its place without overlapping;

(c) The regular sessions of the Economic Commission for Asia and the Far East and of the Economic Commission for Latin America as well as meetings of their subsidiary bodies may be held away from their headquarters when the commission concerned so decides, subject, in the case of regular sessions of the commissions, to the approval of the Economic and Social Council and the General Assembly;

(d) The annual session of the International Law Commission would be held in Geneva without overlapping with the summer session of the Economic and Social Council;

(e) Meetings may be held away from the established headquarters of any body in other cases where a Government issuing an invitation for a meeting to be held within its territory has agreed to defray, after consultation with the Secretary-General as to their nature and possible extent, the additional costs involved;

3. Requests the Secretary-General to submit to the General Assembly every year a basic programme of conferences for the following year established in conformity with the present pattern and after consultation, as appropriate, with the organs concerned;

4. Decides that as a general rule any meeting, other than an emergency meeting, not covered by the basic programme for a given year shall not be held during that year; the General Assembly nevertheless authorizes the Secretary-General, within a financial limit to be set annually in the resolution relating to unforeseen and extraordinary expenses, to decide when and where any body or ad hoc conference not covered by the basic annual programme shall meet; in the event that the decision of the Secretary-General is not accepted, the final decision in the matter shall be taken by the Assembly at its next regular session;

5. Invites all organs of the United Nations as well as the specialized agencies to review their working methods and the frequency and length of sessions in the light of the present resolution and of the growing volume of meetings, the resulting strain on available resources, and the difficulty of effective participation of members.

729th plenary meeting, 13 December 1957.

1203 (XII). Control and limitation of documentation

The General Assembly,

Bearing in mind the present very considerable output of United Nations documents,
Noting paragraph 57 of the Secretary-General’s foreword to the budget estimates for 1958.\(^{22}\)

Commending the Secretary-General for his efforts to present Secretariat documents as concisely as possible, and in setting, as a target figure, a reduction in length of 25 per cent,

1. Requests the Secretary-General to continue his efforts, in co-operation with Member States, to reduce the length and amount of documentation produced during 1958;

2. Suggests for this purpose the target figure of 25 per cent below the 1957 level for the over-all output of such documentation;

3. Decides to establish a Committee composed of representatives—serving at Headquarters, New York—of the following Member States: Argentina, Canada, China, France, Iraq, Mexico, Pakistan, the United Kingdom of Great Britain and Northern Ireland and the Union of Soviet Socialist Republics; the function of the Committee shall be to consult with and advise the Secretary-General on the most effective means of implementing the present resolution, and to report and make recommendations to the General Assembly at its thirteenth session concerning methods of achieving reductions in the over-all output of documentation;

4. Invites the Secretary-General to report to the General Assembly before the opening of its thirteenth session on the steps taken and on the nature and extent of the reductions achieved.

729th plenary meeting, 13 December 1957.

1220 (XII). Report of the Economic and Social Council (chapter X)

The General Assembly

Takes note of chapter X of the report of the Economic and Social Council.\(^{24}\)

730th plenary meeting, 14 December 1957.

The General Assembly

Recalling its resolution 1095 (XI) of 27 February 1957 relating to the United Nations salary, allowance and benefits system,

Having considered the reports of the Secretary-General\(^{25}\) and of the Advisory Committee on Administrative and Budgetary Questions\(^{26}\) on the question of the classification of Geneva in the schedule of post adjustments established under that resolution,

Noting the action taken by the World Health Assembly and the Governing Body of the International Labour Office in approving class 2 in the schedule of post adjustments to be applied to the staff of those agencies serving at Geneva,

1. Decides to apply, as of 1 August 1957, class 2 in the schedule of post adjustments to United Nations staff members at Geneva;

2. Decides to maintain 1 January 1956 as the date from which changes in the cost of living at Geneva should be measured in determining the post adjustment for United Nations staff members;

3. Expresses the hope that the appropriate legislative authorities of the International Labour Organization and the World Health Organization will reconsider, in the light of paragraph 2 above, the date from which changes in the cost of living at Geneva should be measured in determining the post adjustment for the staff members of those agencies.

731st plenary meeting, 14 December 1957.

1222 (XII). Supplementary estimates for the financial year 1957

The General Assembly

Having examined the supplementary estimates for the financial year 1957,

1. Requests the Secretary-General, by means of savings where possible and by deferring expenditure where saving cannot be realized, to achieve a reduction of $107,200 in the supplementary estimates;

2. Approves the general recommendations of the Advisory Committee on Administrative and Budgetary Questions as set out in its twenty-fourth report to the General Assembly at its twelfth session,\(^{27}\) concerning the supplementary estimates for the financial year 1957;

3. Resolves that for the financial year 1957 the amount of $50,815,700 appropriated by its resolutions 1083 (XI) of 21 December 1956 and 1100 (XI) of 27 February 1957 be increased by $2,359,000 to a total of $53,174,700;

4. Considers that the estimate for miscellaneous income for 1957 previously set at $2,531,010 by General Assembly resolutions 1083 (XI) should be increased by $625,000 to $3,156,010;

5. Resolves that, subject to the provisions of paragraphs 3 and 4 above, the revised appropriation for the financial year 1957 shall be as follows:

\(^{22}\) Ibid., Twelfth Session, Supplement No. 5 (A/3600).
\(^{23}\) Ibid., Twelfth Session, Annexes, agenda item 65, document A/3761.

1225 (XII). United Nations salary, allowance and benefits system: amendments to the Staff Regulations

The General Assembly,
Having considered the reports of the Secretary-General and the Advisory Committee on Administrative and Budgetary Questions on certain outstanding questions relating to the United Nations salary, allowance and benefits system,
Resolves that the Staff Regulations of the United Nations shall be modified by the amendments annexed to the present resolution, with effect from 1 January 1958:

731st plenary meeting, 14 December 1957.

ANNEX

Regulation 34 (Dependency benefits)
Add a new paragraph (c), to read:
“(i) With a view to avoiding duplication of benefits and in order to achieve equality between staff members who receive dependency benefits under applicable laws in the form of governmental grants or income tax exemption and staff members who do not receive such dependency benefits, the Secretary-General shall prescribe conditions under which the dependency allowance for a child specified in (a) (i) above shall be payable to the extent that the dependency benefits enjoyed by the staff member or his spouse under applicable laws amount to less than such a dependency allowance. Where

\[\text{Ibid.}, \text{agenda item 50, documents A/3641 and A/C.5/712.}\]
\[\text{Ibid.}, \text{agenda item 51, document A/3656.}\]
\[\text{Ibid.}, \text{document A/3681.}\]
any income tax exemption in respect of the child of a staff member accrues to the benefit of the United Nations under arrangements for reimbursement of income tax, the staff member shall receive the full amount of the dependency allowance for such child.

"(ii) The Secretary-General may determine the amount of the dependency benefits referred to in (c) (i) above on the basis of categories established by him in the interest of administrative convenience and simplicity provided that the benefit actually received plus the dependency allowance shall be no less than $300 in respect of a child."

As a result, the present paragraphs (c) and (d) become paragraphs (d) and (e).

Annex 1, paragraph 5

Add the following new text:

"The Secretary-General may provide two further increments at $10,540 and $10,920, at two-yearly intervals, to staff in the Second Officer level who have remained in that level for at least five years and are, in his opinion, qualified for promotion."

1226 (XII). Question of the geographical distribution of the staff of the Secretariat of the United Nations

The General Assembly,

Having considered the report of the Secretary-General regarding changes in the geographical distribution of the staff of the Secretariat of the United Nations during the year ended 31 August 1957, submitted to the General Assembly at its twelfth session, 22

Recalling its recommendation in paragraph 1 of resolution 1097 (XI) of 27 February 1957 that, in future appointments to the staff of the Secretariat of the United Nations, at all levels, appropriate preference be given to nationalities which form a disproportionately small part of the Secretariat, subject to the provisions of Article 101, paragraph 3, of the Charter of the United Nations,

Noting that the appointments listed in the report of the Secretary-General mark a step towards the objectives of that recommendation,

Expressing appreciation of the action already taken by the Secretary-General pursuant to that recommendation,

Requests the Secretary-General:

(a) In making future appointments to the staff of the Secretariat of the United Nations, at all levels, to continue his efforts to ensure the fullest possible conformity with the recommendation in paragraph 1 of resolution 1097 (XI) of 27 February 1957;

(b) To report to the General Assembly at its thirteenth session the results of his efforts in that direction.

731st plenary meeting, 14 December 1957.

1227 (XII). Review of the Staff Regulations and of the principles and standards progressively applied thereto

The General Assembly

731st plenary meeting, 14 December 1957.

1228 (XII). United Nations International School and delegation office facilities

A

The General Assembly,

Having considered the report of the Secretary-General on the United Nations International School, 24

Noting that the School is in urgent need of permanent premises, and that it is under notice to vacate its present temporary premises in June 1959,

Noting that, in order to meet the needs of the greatest possible number of children of United Nations staff members, delegates and others associated with the United Nations, such permanent premises should be located in Manhattan,

Noting further that, in the view of the Secretary-General, the provision of truly adequate accommodation for the School is in the best interest of the Organization,

Recalling its resolution 1102 (XI) of 27 February 1957 on this subject and, in particular, the recognition contained therein of the continued functioning of the School as one of the important non-financial factors contributing to the recruitment and retention of international staff,

1. Requests the Secretary-General to consult with the appropriate authorities on the possibility of constructing permanent premises for the United Nations International School on the Headquarters site;

2. Requests the Secretary-General to use his good offices to assist the Board of Trustees of the School in finding a site for the School in Manhattan, including the "Headquarters District", in developing plans for the building, and in pursuing their efforts to raise funds from private sources for the construction of the School and, if necessary, for the acquisition of a site therefor;

3. Requests the Secretary-General to use his good offices to assist the School in finding suitable accommodation pending completion of the permanent premises;

4. Requests the Secretary-General to present to the General Assembly at its thirteenth session a progress report, together with the comments, if necessary, of the Advisory Committee on Administrative and Budgetary Questions.

731st plenary meeting, 14 December 1957.

B

The General Assembly,

Bearing in mind the discussions at previous sessions concerning a delegation building to be constructed in the area close to the United Nations Headquarters, and the increasing interest expressed by many delegations in having such facilities,

1. Requests the Secretary-General to use his good offices to investigate practical possibilities for the provision of delegation office facilities in the area close to United Nations Headquarters;

2. Requests the Secretary-General to make a progress report to the General Assembly at its thirteenth session.

731st plenary meeting, 14 December 1957.

Ibid., agenda item 52, document A/3688.

2. To ask the Secretary-General to request the views of the new Member States on the question, and to renew the request to Member States to submit comments as provided in General Assembly resolution 688 (VII) of 20 December 1952, furnishing them with the documentation produced after the adoption of that resolution;

4. To request the Secretary-General to place the question of defining aggression on the provisional agenda of the General Assembly, not earlier than at its fourteenth session, when the committee has advised him that it considers the time appropriate;

Recalling General Assembly resolution 897 (IX) of 4 December 1954,

Considering General Assembly resolution 1181 (XII) of 29 November 1957 concerning the definition of aggression,

2Ibid., Supplement No. 9 (A/3623).
