ACCORDANCE WITH RELEVANT UNITED NATIONS RESOLUTIONS**

Madame Chair,

Thank you for giving us the floor.

Angola would like to make two points on role of the United Nations system in supporting the non-self-governing territories, in accordance with relevant united nations resolutions

1. The United Nations has been playing an important role in supporting Non-Self-Governing Territories. However, all provisions of UN relevant resolutions are yet to be fully implemented. The C-24 should ensure the full and unconditional implementation of all provisions of UN Resolutions approved by the General Assembly and Security Council in accordance with objectives and principles of the UN Charter.
2. In this regard, the UN must strengthen its partnership and collaboration with Non-Self-Governing Territories, administering powers and regional organizations to promote sustainable development and foster inclusive and resilient societies where the rights and aspirations of all people are respected and fulfilled.

Thank you
