including the rising incidence of trauma and the decline in their psychological well-being, and expressing grave concern also about the dire humanitarian crisis and insecurity and instability on the ground in the Occupied Palestinian Territory, in particular in the Gaza Strip,

Deploring the dire economic and social conditions of Palestinian women and girls in the Occupied Palestinian Territory, including East Jerusalem, and the systematic violation of their human rights resulting from the severe impact of ongoing illegal Israeli practices, including the construction and expansion of settlements and the wall, which continue to constitute a major obstacle to peace on the basis of the two-State solution, and the continued imposition of closures and restrictions on the movement of persons and goods, which have detrimentally affected their right to health care, including access of pregnant women to health services for antenatal care and safe delivery, education, employment, development and freedom of movement,

Gravely concerned, in particular, about the critical socio-economic and humanitarian situation in the Gaza Strip, including that resulting from the Israeli military operations and the imposition of a blockade consisting of the prolonged closure of border crossings and severe restrictions on the movement of persons and goods, as well as the continued impeding of the reconstruction process by Israel, the occupying Power, which has detrimentally affected every aspect of the lives of the civilian population, especially women and children, in the Gaza Strip,

Stressing the importance of providing assistance, especially emergency assistance, to alleviate the dire socio-economic and humanitarian situation being faced by Palestinian women and their families,

Emphasizing the importance of increasing the role of women in peacebuilding and decision-making with regard to conflict prevention and the peaceful resolution of conflicts as part of efforts to ensure the safety and well-being of all women in the region, and stressing the importance of their equal participation and involvement in all efforts for the achievement, maintenance and promotion of peace and security,

1. *Reaffirms* that the Israeli occupation remains the major obstacle for Palestinian women with regard to their advancement, self-reliance and integration into the development of their society, and stresses the importance of efforts to increase their role in decision-making with regard to conflict prevention and resolution and to ensure their equal participation and involvement in all efforts for the achievement, maintenance and promotion of peace and security;

2. *Calls upon*, in this regard, the international community to continue to provide urgently needed assistance, especially emergency assistance, and services in an effort to alleviate the dire humanitarian crisis being faced by Palestinian women and their families and to help in the reconstruction of relevant Palestinian institutions, with the integration of a gender perspective into all of its international assistance programmes, and affirms its support for the plan of August 2009 of the Palestinian Authority for constructing the institutions of an independent Palestinian State;

3. *Demands* that Israel, the occupying Power, comply fully with the provisions and principles of the Universal

Declaration of Human Rights,⁸ the Regulations annexed to the Hague Convention IV of 1907,⁹ the Geneva Convention relative to the Protection of Civilian Persons in Time of War, of 12 August 1949,¹⁰ and all other relevant rules, principles and instruments of international law, including the International Covenants on Human Rights,⁶ in order to protect the rights of Palestinian women and their families;

4. *Urges* the international community to continue to give special attention to the promotion and protection of the human rights of Palestinian women and girls and to intensify its measures to improve the difficult conditions being faced by Palestinian women and their families living under Israeli occupation;

5. *Calls upon* Israel to facilitate the return of all refugees and displaced Palestinian women and children to their homes and properties, in compliance with the relevant United Nations resolutions;

6. *Requests* the Commission on the Status of Women to continue to monitor and take action with regard to the implementation of the Nairobi Forward-looking Strategies for the Advancement of Women,² in particular paragraph 260 concerning Palestinian women and children, the Beijing Platform for Action³ and the outcomes of the twenty-third special session of the General Assembly entitled “Women 2000: gender equality, development and peace for the twenty-first century”;⁴

7. *Requests* the Secretary-General to continue to review the situation, to assist Palestinian women by all available means, including those set out in his report,¹ and to submit to the Commission on the Status of Women at its fifty-sixth session a report, including information provided by the Economic and Social Commission for Western Asia, on the progress made in the implementation of the present resolution.
