The Development Cooperation Forum (DCF) is a global forum for policy dialogue on development cooperation. The Forum is open to all governments and engages also civil society, academia, Parliamentarians, local and regional authorities, philanthropic foundations, private sector and international organizations.

The analytical work tackles key issues in development cooperation in light of the 2030 Agenda for Sustainable Development, including the Addis Ababa Action Agenda on financing for development. It provides concrete policy recommendations and key messages for different stakeholders.
