

**Funding For Purpose:**

# **How Agenda 2030 Could Guide the Resourcing of the UN Development System**

**June 2016**

# Potential Impact of the SDGs on UN System Funding

1

Agenda 2030 “Everyone's Business”

2

**Critical Role of the UN in achieving the SDGs**

- Define Results
- Develop Products and Services
- Implementation Support

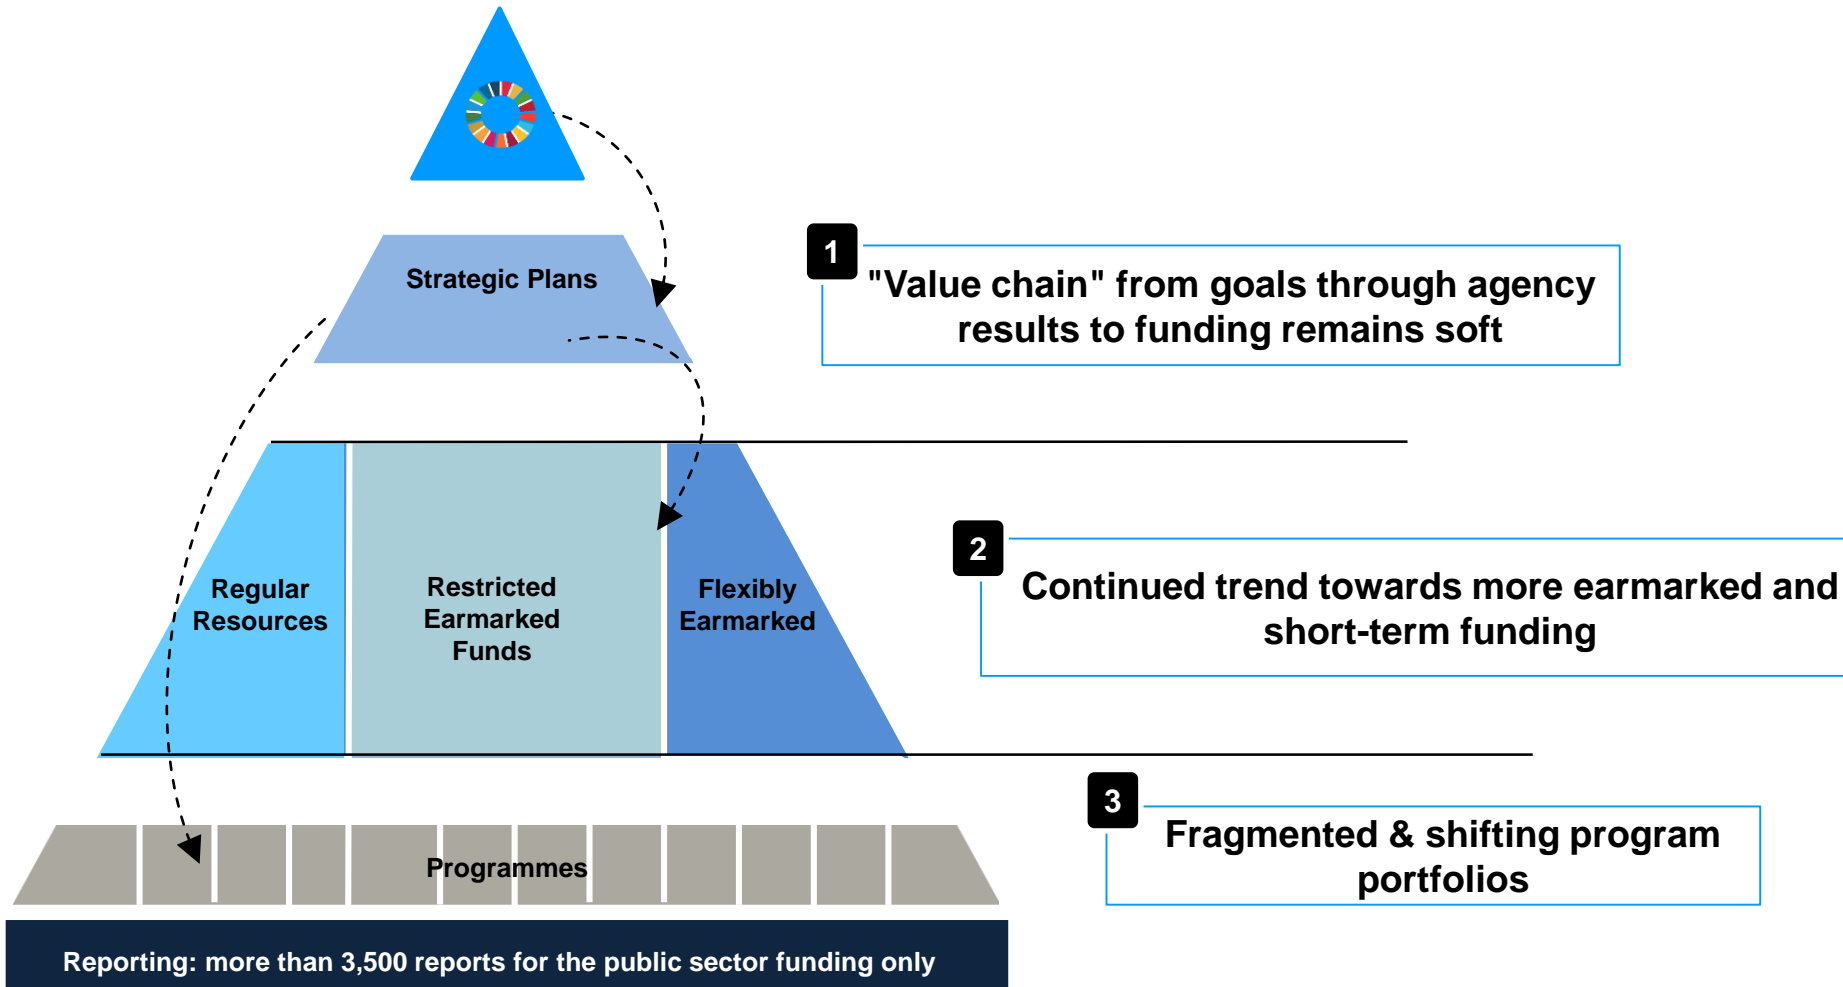

3

**Financing the UN System & Leveraging Resources for the SDGs**

- Optimizing mix of flexible and earmarked, multiyear and annual funding,
- Strategic use of pooled funds
- Leveraging additional resources through policy work and partnerships
- Innovative financing
- South - South

**DEFINE THE VALUE AND ROLE OF EACH AGENCY IN ACHIEVING THE SDGs**

# Continuing Business as Usual

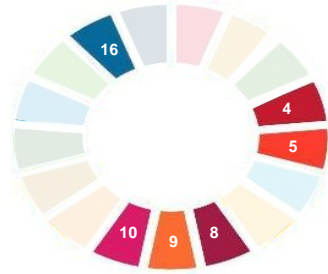

Continuing "business as usual path" will mean further fragmentation of the system from Strategic Planning down to "stitched" together funding to support the SDGs

# Strategic Plan Funding Aligned to the SDGs

ILLUSTRATIVE UNICEF Example

Example/Non-Exhaustive

Frame for Strategic Planning

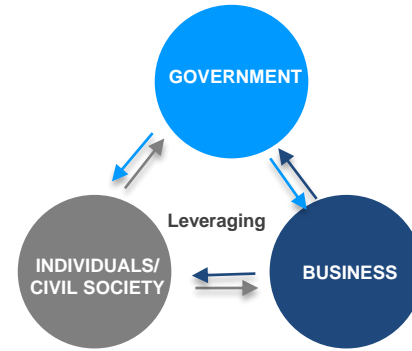

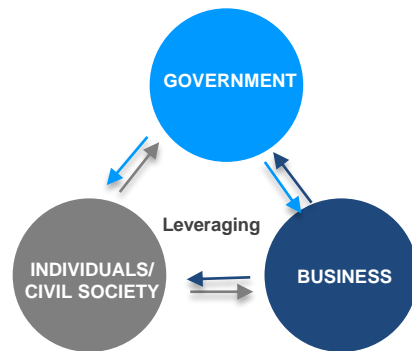

Strategic Plan Goals 2030

**Reduce Child Violence**  
Means contributing to multiple targets across several goals

**All Children Learning**  
Means contributing to multiple targets across several goals

Funds to Support Strategic Plan

# From National Perspective to Global View
