## **III.** Practical arrangements for accreditation, registration and issuance of identification badges

#### Accreditation

4. All requests for accreditation must be received by the Secretariat before **6 March 2015**. Such requests should be made through the United Nations Civil Society Network (CSO-Net) by completing an online accreditation form available at http://bit.ly/lzogseC.

5. Please follow the instructions on the above-mentioned website. It is advisable to first check whether your organization already has a profile in CSO-Net by searching the profile database at http://esango.un.org/civilsociety.

6. If your organization is not part of CSO-Net, please create your organizational profile at http://bit.ly/lhqZ000.

7. In so doing, please ensure that you select "ECOSOC consultative status" at "Main objective", regardless of your status with the United Nations, to ensure that the information is transmitted to the CSO-Net administrator. This is for database management purposes only.

8. Those non-governmental organizations that have requested accreditation as stated above will be informed by the Secretariat by e-mail by **13 March 2015** of the outcome of their request. Please bear in mind that individuals requesting accreditation, as well as those planning to attend side events, must be at least 18 years of age. For questions relating to accreditation, please contact Ms. Soohyun Kim (kim12@un.org).

#### **Registration and issuance of identification badges**

9. Incomplete registrations and registrations received after the deadline will not be processed. The Secretariat can no longer grant last-minute requests from non-governmental organizations for guest or visitor passes.

11. Online pre-registration will be available to organizations whose accreditation has been provisionally approved. Those organizations are to pre-register online their representatives who will attend the Review Conference by **10 April 2015**.

12. The link to the pre-registration page will be contained in the e-mail notifying organizations of the status of their accreditation. Upon completion of pre-registration, please download a personal registration form and the confirmation letter with the United Nations logo and bring them with you to the on-site registration counter, where access badges will be provided.

A copy of each document should be provided to the Secretariat through the non-governmental organization point of contact before public display.

### **VI.** Presentations

19. Without prejudice to a decision by the States parties as to the programme of work of the Review Conference, it is tentatively expected that a meeting for non-governmental organization presentations will be held on 1 May 2015 from 3 to 6 p.m. As in the past, non-governmental organizations are requested to coordinate among themselves in deciding which representatives will address the Review Conference at that time. The designated non-governmental organization point of contact will provide a confirmed list of speakers, as well as a set of 15 copies of each presentation, to the Secretariat not later than 3 p.m. on 30 April 2015.

#### VII. Side events and exhibits

20. Side events that can be accommodated within the room allocated to nongovernmental organizations will also be scheduled by the non-governmental organization point of contact. To coordinate the calendar of events held in the margins of the Review Conference, the Secretariat would be grateful to receive advance information on events planned by non-governmental organizations. It is important that this information be relayed as soon as possible, in particular should assistance be needed from the Secretariat to facilitate the arrangements.

21. Any request for side events must specify the list of all necessary technical equipment and services. The provision of some technical equipment and services will need to be paid for by the requesting non-governmental organization. Non-governmental organizations must ensure that lecturers, presenters, speakers or any other invitees to their side events have valid security identification badges or otherwise register them as members of their own delegations to the Committee. The information should be transmitted to the Secretariat by the non-governmental organization point of contact by 20 April 2015.

22. Limited space is available for exhibits at the curved wall space on the first floor of the Conference Building and the delegates' entrance.

23. Please contact Ms. Cassandra Price Taveras (pricec@un.org) to enquire about the availability of exhibition space and relevant details.

It is aimed at enabling greater participation by persons with disabilities in intergovernmental processes and meetings at the United Nations. State-of-the-art assistive technologies for persons with visual, audio and mobility impairments are available at the Centre. The devices include desktop magnifiers, screen readers, braille and other assistive keyboards, portable Daisy players, hearing aids, bone conduction headsets, specialized mouse and braille note takers. Security Council and General Assembly verbatim records are also being made screen reader friendly. Many parliamentary documents are made accessible upon request. To facilitate the identification of such documents, each bears an accessibility logo. The PaperSmart meetings-servicing portal is compliant with the Web Content Accessibility Guidelines.
