Graduation from the LDC category

Graduation eligibility

- Graduation threshold must be met for two of the three criteria (per capita GNI, HAI, EVI)
- Alternatively, per capita GNI is at least twice the graduation threshold

Graduation procedure

- Eligibility for graduation has to be met at two consecutive triennial reviews
- After country has been found eligible for graduation for the first time, UN/DESA prepares an ex ante impact assessment, and UNCTAD prepares a vulnerability profile of that country as inputs to the CDP decision-making process
- Country is invited to present its views on the possibility of graduation at the CDP expert group meeting preceding the next triennial review
- CDP recommends the country for graduation on the basis of the LDC criteria and the additional information provided by the country, UN/DESA and UNCTAD
- ECOSOC endorses the recommendation by the CDP
- General Assembly takes note of the decision of ECOSOC
- Graduation takes effect three years after the decision by the General Assembly
