

UNITED NATIONS
DEPARTMENT OF ECONOMIC AND SOCIAL AFFAIRS

Commission on Population and Development
Forty-ninth Session
11-15 April 2016

**SUPPLEMENTARY REFERENCES TO THE REPORT OF THE
SECRETARY-GENERAL ON STRENGTHENING THE DEMOGRAPHIC
EVIDENCE BASE FOR THE POST-2015 DEVELOPMENT AGENDA
(E/CN.9/2016/3)**

UNITED NATIONS
30 March 2016

The following set of references is provided to offer further details about specific sources of information used to inform specific aspects of the report of the Secretary-General on Strengthening the Demographic Evidence Base for the Post-2015 Development Agenda (E/CN.9/2016/3). The various sources of information presented herein are organized in sequential order of thematic appearance in the report and assigned to each section and paragraph therein.

This list of references is not in any way exhaustive but documents relevant key sources of information available at the time the report was issued (February 2016). The references provided there is solely for informational purpose. The United Nations makes no warranty, either expressed or implied, as to the accuracy, reliability, or content of information provided by third parties.

I. Introduction (para 1-7)

Paragraph 3 about the Data Revolution:

- Data Revolution Group, *A World That Counts: Mobilizing the Data Revolution for Sustainable Development*. Available from <http://www.undatarevolution.org/report/>. Accessed 20 November 2015.
- OECD and Partnership in Statistics for Development in the 21st Century (PARIS21). Available from <http://www.paris21.org/> and *Informing a Data Revolution*. Available from (<http://datarevolution.paris21.org/>) and “A Road Map for a Country-led Data Revolution” (2015). Available from http://datarevolution.paris21.org/sites/default/files/Road_map_for_a_Country_led_Data_Revolution_web.pdf.
- Sustainable Development Solutions Network and Open Data Watch, *Data for Development: An Action Plan to Finance the Data Revolution for Sustainable Development*. Available from <http://unsdsn.org/wp-content/uploads/2015/07/Data-For-Development-An-Action-Plan-July-2015.pdf>. Accessed on 29 October 2015.
- IUSSP (2015). *Data Revolution for Development*. *Population and Development Review*, vol. 41, No. 1, pp. 172-7. doi: 10.1111/j.1728-4457.2015.00041.x.

Paragraph 5 about the importance and value of geo-referencing:

- United Nations Population Division (2015). Report of the United Nations Expert Group Meeting on “The post-2015 era: Implications for the global research agenda on population and development”. New York, 10 April 2015. Available from http://www.un.org/en/development/desa/population/events/pdf/expert/22/2015_EGM-research-priorities_Report.pdf.
- United Nations Population Division (2015). Report of the United Nations Expert Group Meeting on Strengthening the demographic evidence base for the post-2015 development

agenda. New York, 5-6 October 2015. Available from http://www.un.org/en/development/desa/population/events/pdf/expert/23/EGM_Oct2015_Report.pdf.

II. The core sources of demographic data

A. Population censuses (para 7-14)

Paragraph 8 about census rounds:

- The count of countries or areas that carried out censuses during the 2010 round is based on:
 - 2010 World Population and Housing Census Programme: Progression of 2010 Census Round. Available from http://unstats.un.org/unsd/demographic/sources/census/2010_PHC/censusclockmore.htm accessed on 2 November 2015.
 - Table with list of completed censuses downloaded from: 2010 Census Round: Progression of population censuses and the size of the enumerated population. Available from http://unstats.un.org/unsd/demographic/sources/census/2010_PHC/census_clock/reportEnumeratedPopulationAllCountries.pdf accessed on 2 November 2015.
- The number of censuses completed in previous rounds were obtained from the United Nations, Department of Economic and Social Affairs, Population Division (2016). Population Data Catalog: Inventory of censuses, surveys and other primary sources of demographic data by country or area. United Nations: New York.
- Information about the most recent population counts used in the 2015 revision of the World Population Prospects was obtained from: United Nations, Department of Economic and Social Affairs, Population Division (2015). World Population Prospects: The 2015 Revision, DVD Edition. File 0-2: Latest data sources used to derive estimates for total population, fertility, mortality and migration by countries or areas. http://esa.un.org/unpd/wpp/DVD/Files/4_Other%20Files/WPP2015_F02_METAINFOLS

Paragraph 9 about population censuses and multi-modal approaches:

- United Nations. Principles and Recommendations for Population and Housing Censuses, Revision3 (2015). E.15.XVII.10. accessed on 31 October 2015. Available from http://unstats.un.org/unsd/publication/seriesM/Series_M67rev3en.pdf.
- United States Census Bureau: Mid-Decade Assessment of the United Nations 2010 World Population and Housing Census Programme. United Nations Expert Group Meeting on Revising the Principles and Recommendations for Population and Housing Censuses. New York, 29 October - 1 November 2013. ESA/STAT/AC.277/1. Available from

http://unstats.un.org/unsd/demographic/meetings/egm/NewYork/2013/USCB_Mid_decade_assessment_final.pdf.

- Osaki-Tomita, Keiko (2015). Methodologies of Population and Housing Censuses: Experiences in the 2010 Round of World Population and Housing Census Programme. Paper presented at the 60th ISI World Statistics Congress, Rio de Janeiro, Rio de Janeiro, Brazil.
- Mbogoni M. and K. Osaki-Tomita (2015). Lessons learned from the 2010 round of PHC and planning for the 2020 round to meet the post-2015 development agenda. Background note prepared for the United Nations Expert Group Meeting on “Strengthening the demographic evidence base for the post-2015 development agenda”. New York, 5-6 October 2015. Available from http://www.un.org/en/development/desa/population/events/pdf/expert/23/ShortNotes/Keiko%20Osaki_Margaret%20Mbogoni.pdf.
- Institut National de la Statistique et des Études Économiques (INSEE), France’s rolling census, November 2005. Available from <http://unstats.un.org/unsd/demographic/sources/census/francepdf.pdf> . Accessed 3 November 2015.

Paragraphs 11-12 about the use of ICT to disseminate census information:

- US Census Bureau: Mid-Decade Assessment of the United Nations 2010 World Population and Housing Census Programme. United Nations Expert Group Meeting on Revising the Principles and Recommendations for Population and Housing Censuses. New York, 29 October - 1 November 2013. ESA/STAT/AC.277/1. Available from http://unstats.un.org/unsd/demographic/meetings/egm/NewYork/2013/USCB_Mid_decade_assessment_final.pdf.
- United Nations. Principles and Recommendations for Population and Housing Censuses, Revision3 (2015). E.15.XVII.10. Accessed on 31 October 2015. Available from http://unstats.un.org/unsd/publication/seriesM/Series_M67rev3en.pdf.
- CensusInfo – A software platform developed by the United Nations Statistics Division, in partnership with UNICEF and UNFPA, to help countries disseminate their census results at any relevant geographical level, on CD-ROM and available from http://www.devinfo.org/libraries/aspx/news.aspx?T=A&PN=diorg/devinfo_in_action/censusInfo_initiatives_Africa_ASN.html
- PC-Axis by Statistics Sweden: a family of software consisting of a number of programs for the Windows and Internet environment used to present statistical information in tabular form. Available from <http://www.scb.se/pc-axis/>.
- REDATAM online, a web platform developed by UN-ECLAC Centro Latinoamericano y Caribeño de Demografía (CELADE / CEPAL) for online processing, analysis, tabulation and dissemination of census micro data in Latin America and the Caribbean as well as other regions of the world (Africa, Asia and South Pacific). Available from

<http://www.cepal.org/cgi-bin/getprod.asp?xml=/redatam/noticias/paginas/8/14188/P14188.xml&xsl=/redatam/tpl/p18f.xsl&base=/redatam/tpl-i/top-bottom.xsl>. Accessed on 3 November 2015.

- IPUMS-International Online Data Analysis System by the Minnesota Population Center of the University of Minnesota. Available from <https://international.ipums.org/international/sda.shtml>.

B. Population Registers (para 15-20)

Paragraphs 16-17 about population registers in Europe and Asia:

- Michel Poulain and Anne Herm, “Central population registers as a source of demographic statistics in Europe”, *Population-E*, 2013, vol. 68, No. 2, pp. 183-212 http://www.cairn-int.info/article-E_POPU_1302_0215--central-population-registers-as-a-source.htm
- Data on registers in Asia obtained from the Register Catalog in the Internal Migration around the Globe (IMAGE) website. Available from <https://www.gpem.uq.edu.au/qcpr-image>. Accessed 20 November 2015.

Paragraph 19 about India’s new registration system:

- Chandramouli, C., “Future of the population census in India”, paper presented at the United Nations Expert Group Meeting on Strengthening the Demographic Evidence Base for the Post-2015 Development Agenda held in New York from 5 to 6 October 2015. Available from <http://www.un.org/en/development/desa/population/events/pdf/expert/23/ShortNotes/C.Chandramouli.pdf>.

C. Civil registration and vital statistics (para 21-30)

Paragraph 22 about Coverage of births and deaths and Availability of data on causes of death:

- United Nations Statistics Division, “Coverage of birth and death registration”, Available from http://unstats.un.org/unsd/demographic/CRVS/CR_coverage.htm. Accessed on 11 December 2015.
- United Nations Statistics Division, “Demographic evidence from civil registration and vital statistics systems”, paper presented at the United Nations Expert Group Meeting on Strengthening the Demographic Evidence Base for the Post-2015 Development Agenda held in New York from 5 to 6 October 2015. Available from <http://www.un.org/en/development/desa/population/events/pdf/expert/23/ShortNotes/Adriana%20Skenderi.pdf>.
- Jha, P. (2014). Reliable direct measurement of causes of death in low- and middle-income countries. *BMC Medicine*, 12(1), 1-10. doi:10.1186/1741-7015-12-19. <http://bmcmmedicine.biomedcentral.com/articles/10.1186/1741-7015-12-19>.

Paragraph 23 about birth registration and legal identity:

- UNICEF Child Info webpage on birth registration: Statistical table. Available from http://www.childinfo.org/birth_registration_tables.php.
- UNICEF, Every Child's Birth Right: Inequities and trends in birth registration, 2013. Available from http://www.childinfo.org/birth_registration.html.
- UNICEF, A Passport to Protection: A guide to birth registration programming, 2013. Available from http://www.unicef.org/protection/files/UNICEF_Birth_Registration_Handbook.pdf.
- World Bank; World Health Organization. 2014. Global Civil Registration and Vital Statistics: Scaling-up Investment Plan 2014-2025, 2014. Washington, DC : World Bank Group. Available from <http://www.worldbank.org/content/dam/Worldbank/document/HDN/Health/CRVSScaling-upoverview5-28-14web.pdf>. Accessed 19 November 2015.

Paragraphs 24-26 about strengthening of CRVS and financing:

- Commission on Information and Accountability for Women's and Children's Health, Keeping Promises, Measuring Results: Final Report. Available from http://www.who.int/topics/millennium_development_goals/accountability_commission/Commission_Report_advance_copy.pdf. Accessed 18 November 2015.
- World Bank, Global Civil Registration and Vital Statistics: Scaling-up Investment Plan 2014-2025, 2014. Available from <http://www.worldbank.org/content/dam/Worldbank/document/HDN/Health/CRVSScaling-upoverview5-28-14web.pdf>. Accessed 19 November 2015.
- "Canada's ongoing leadership to improve the health of mothers, newborns and children (2015-2020)". Available from <http://mnch.international.gc.ca/en/topics/leadership-ongoing.html>. Accessed on 19 November 2015.
- "Bloomberg Philanthropies launches \$100 million data for health program in developing countries", 23 March 2015. Available from <http://www.bloomberg.org/press/releases/bloomberg-philanthropies-launches-100-million-data-health-program-developing-countries/>. Accessed on 19 November 2015.
- "Global Financing Facility in support of every woman, every child". Available from <http://rbfhealth.org/resource/global-financing-facility-support-every-woman-every-child>. Accessed on 19 November 2015.

Paragraph 27 about CRVS regional and global initiatives:

- United Nations, Principles and Recommendations for a Vital Statistics System, Statistical Papers, Series M, No. 19, Rev.3. Available from <http://unstats.un.org/unsd/demographic/standmeth/principles/M19Rev3en.pdf>.

E. Health and Demographic Surveillance Systems (para 45-47)

- Clark, Samuel J. (2015) Health and Demographic Surveillance Systems and the Post-2015 Agenda. Paper presented at the United Nations Expert Group Meeting on Strengthening the Demographic Evidence Base for the Post-2015 Development Agenda held in New York from 5 to 6 October 2015. Available from <http://www.un.org/en/development/desa/population/events/pdf/expert/23/ShortNotes/Samuel%20J.%20Clark.pdf>.
- ALPHA Network, <http://alpha.lshtm.ac.uk>. Accessed 12 November 2015.
- INDEPTH Network. Available from <http://www.indepth-network.org>. Accessed 12 November 2015.
- International Journal of Epidemiology: Health & Demographic Surveillance System Profile series. Available from <http://ije.oxfordjournals.org/search?fulltext=HDSS+or+Health+and+Demographic+Surveillance+System+profile&submit=yes&x=0&y=0>.

III. Compilation, harmonization and dissemination (para 48-54)

Paragraph 49 about United Nations initiatives:

- Demographic Yearbook. Available from <http://unstats.un.org/unsd/demographic/products/dyb/dyb2.htm>. Accessed on 11 November 2015; and UNSD questionnaires of the Demographic Yearbook. Available from http://unstats.un.org/unsd/pubs/questionnaire_list.htm.
- World Census Programme website. Available from <http://unstats.un.org/unsd/demographic/sources/census/>.
- UN Census Knowledge Database. Available from <http://unstats.un.org/unsd/censuskb20/Knowledgebase.aspx>.
- Improvement of Civil Registration and Vital Statistics: UN Knowledge Center and methodological guidelines. Available from <http://unstats.un.org/unsd/demographic/CRVS/default.htm>.
- UN-ECLAC Centro Latinoamericano y Caribeño de Demografía (CELADE / CEPAL) Available from <http://www.cepal.org/en/topics/population-and-housing-censuses>; and-REDATAM at <http://www.redatam.org/redatam/index.en.html>. Accessed 3 November 2015.

Paragraphs 50-51 about Paris 21 and the International Household Survey Network:

- Partnership in Statistics for Development in the 21st Century (PARIS21). Available from <http://www.paris21.org/>.
- Accelerated Data Program. Available from <http://adp.ihsn.org/>. Accessed on 21 November 2015.
- International Household Survey Network. Available from <http://www.ihsn.org>. Accessed on 22 November 2015.
- IHSN Survey catalog. Available from <http://catalog.ihsn.org/index.php/catalog>.
- IHSN Gender Data Navigator (Beta version): searchable inventory of gender-related questions found in survey and census questionnaires from low- and middle-income countries. Available from <http://www.ihsn.org/home/gender-data-navigator>.
- IHSN DDI Metadata Editor (Nesstar Publisher 4.0.9), a feature-rich editor for the preparation of metadata and data for publishing in an online catalog, such as the IHSN-developed National Data Archive (NADA). The metadata produced by the Editor is compliant with the Data Documentation Initiative (DDI) 2.n and the Dublin Core XML metadata standards. <http://www.ihsn.org/home/software/ddi-metadata-editor>
- Microdata Cataloging Tool (NADA), a web-based cataloging system that serves as a portal for researchers to browse, search, compare, apply for access, and download relevant census or survey information. Available from <http://www.ihsn.org/home/software/nada>.
- Statistical Disclosure Control (SDCMicro), a free, R-based open-source package for the generation of protected microdata for researchers and public use. Available from <http://www.ihsn.org/home/software/disclosure-control-toolbox>.
- IHSN generation of synthetic populations (<http://www.ihsn.org/home/projects/synthetic-populations>) and simPop : An Open Source R Package for Generating Synthetic Populations (<http://cran.r-project.org/web/packages/simPop/>)

Paragraph 53 about the Global Health Data Exchange (GHDx):

- Institute for Health Metrics Evaluation (IHME), University of Washington: Global Health Data Exchange (GHDx). Available from <http://ghdx.healthdata.org/>. Accessed on 25 November 2015.

Paragraph 54 about the Integrated Public Use Microdata Series International:

- Ruggles, Steven and Matthew Sobek (2015). A Note on Data Challenges for the Development Agenda: Observations from IPUMS, paper presented at the United Nations Expert Group Meeting on Strengthening the Demographic Evidence Base for the Post-2015 Development Agenda held in New York from 5 to 6 October 2015. Available from <http://www.un.org/en/development/desa/population/events/pdf/expert/23/ShortNotes/Steven%20Ruggles%20and%20Matthew%20Sobek.pdf>.
- IPUMS International: Harmonized data for 1960 forward, covering 560 million people in 258 censuses from around the world. Available from <http://international.ipums.org/international/about.shtml>, accessed on 23 November 2015.
- Ruggles S. (2014). Big Microdata for Population Research. *Demography*, vol. 51, No. 1, pp. 287-97. doi: 10.1007/s13524-013-0240-2. PubMed PMID: WOS:000330990200015; PMCID: PMC3949202. <http://www.ncbi.nlm.nih.gov/pubmed/24014182>

- Integrated Demographic and Health Series (iDHS): Demographic and Health Surveys integrated for analysis across time and space, 1980s forward. Available from <https://www.idhsdata.org/idhs/>.
- North Atlantic Population Project: Complete-count data from 1800s censuses of Canada, Great Britain, Germany, Iceland, Norway, Sweden and the U.S. Available from <http://www.nappdata.org/>.
- Sobek, M., L. Cleveland, S. Flood, Hall P. Kelly, M.L. King, S. Ruggles and M. Schroeder (2011). Big data: Large-scale historical infrastructure from the Minnesota Population Center. *Historical Methods*, vol. 44, No. 2, pp. 61-8. doi: 10.1080/01615440.2011.564572. PMID: PMC3176592. <http://www.ncbi.nlm.nih.gov/pubmed/21949459>

IV. Consistent and reliable estimates (para 55-60)

Paragraphs 55-57 about the United Nations Population Division empirical data and estimates:

- United Nations Population Division web site. Available from <http://www.un.org/en/development/desa/population/>.
- World Population Prospects. Available from <http://esa.un.org/unpd/wpp/>. Accessed 25 November 2015.
- World Urbanization Prospects. Available from <http://esa.un.org/unpd/wup/DataQuery/>. Accessed on 25 November 2015.
- Urban and Rural Population by Age and Sex. Available from <http://www.un.org/en/development/desa/population/publications/dataset/urban/urbanAndRuralPopulationByAgeAndSex.shtml>. Accessed on 25 November 2015.
- International Migration Stock. Available from <http://www.un.org/en/development/desa/population/migration/data/index.shtml>. Accessed on 25 November 2015.
- International migration flows to and from selected countries. Available from <http://www.un.org/en/development/desa/population/migration/data/empirical2/migrationflows.shtml>.
- United Nations Inter-agency Group for Child Mortality Estimation (UN IGME). Available from <http://www.childmortality.org/>.
- United Nations Maternal Mortality Estimation Inter-agency Group (UN MMEIG). Available from <http://www.maternalmortalitydata.org/>.
- Fertility data: World Fertility Data 2015, 2015 Update for the MDG database (Adolescent Birth Rate). Available from <http://www.un.org/en/development/desa/population/theme/fertility/index.shtml>.
- Family planning data: World Contraceptive Use 2015, Model-based Estimates and Projections of Family Planning Indicators 2015, 2015 Update for the MDG database (Contraceptive Prevalence, Unmet Need for Family Planning). Available from <http://www.un.org/en/development/desa/population/theme/family-planning/index.shtml>.
- Marriage and Unions data: World Marriage Data 2015, Estimates and Projections of the Number of Women Aged 15-49 Who Are Married or in a Union: 2015 Revision. Available from <http://www.un.org/en/development/desa/population/theme/marriage-unions/index.shtml>.

In addition to the United Nations, the International Program of the U.S. Census Bureau produces demographic estimates and projections for countries and areas of the world with a population of 5,000 or more available through an online International Data Base (IDB): <https://www.census.gov/population/international/data/idb/informationGateway.php>

Paragraph 58 about international mortality databases:

- University of California at Berkeley and the Max Planck Institute for Demographic Research: Human Mortality Database (HMD). Available from <http://www.mortality.org>. Accessed 25 November 2015.
- Canadian Mortality Database. Available from <http://www.bdlc.umontreal.ca/CHMD/>.
- Latin American Human Mortality Database. Available from <http://www.lamortalidad.org/>.
- Latin American Mortality Database – LAMBdA. Available from <http://www.ssc.wisc.edu/cdha/latinmortality/>.
- WHO Mortality Database. Available from http://www.who.int/healthinfo/mortality_data/en/.
- Kannisto-Thatcher Database on Old Age Mortality. Available from <http://www.demogr.mpg.de/databases/ktadb/>.
- Human Life-Table Database. Available from <http://www.lifetable.de/>.
- International Database on Longevity (IDL). Available from <http://www.supercentenarians.org/>.

Paragraph 59 about international fertility databases:

- The Human Fertility Database. Available from <http://www.humanfertility.org/cgi-bin/main.php>. Accessed on 25 November 2015.
- Human Fertility Collection (HFC). Available from <http://www.fertilitydata.org/>.

Paragraph 60 about internal and international migration databases:

- United Nations Global Migration Database for international migrants by country of birth and citizenship, sex and age as enumerated by population censuses, population registers, nationally representative surveys and other official statistical sources from more than 200 countries and territories in the world. Available from <http://esa.un.org/unmigration/>.
- OECD migration databases: <http://www.oecd.org/els/mig/oecdmigrationdatabases.htm>
- UN ECLAC: MIALC (Internal Migration in Latin America). Available from http://www.cepal.org/celade/migracion/migracion_interna/.
- UN ECLAC: IMILA (International Migration in Latin America). Available from <http://celade.cepal.org/bdcelade/imila/>.
- UN ECLAC: DEPUALC (Spatial Population Distribution and Urbanization in Latin America). Available from <http://www.cepal.org/celade/depualc/>.
- International Migration Institute, Oxford Department of International Development, University of Oxford, DEMIG (Determinants of International Migration) project: C2C (country-to-country) database contains bilateral migration flow data for 34 reporting countries and from up to 236 countries over the 1946–2011 period, and DEMIG TOTAL reports immigration, emigration and net migration flows for up to 161 countries covering

various periods of time from the early 1800s to 2011, DEMIG POLICY about more than 6,500 migration policy changes enacted by 45 countries around the world mostly in the 1945-2013 period. Available from <http://www.imi.ox.ac.uk/data/demig-data>.

- Internal Migration around the Globe (IMAGE) project. Available from <https://www.gpem.uq.edu.au/qcpr-image>. Accessed 25 November 2014; and Bell, Martin and Elin Charles-Edwards, Cross-national comparisons of internal migration: An update on global patterns and trends, UNDESA, Population Division.
