Please see the State of Palestine's Proposal's:

Political declaration:

4.12. In the second sentence, insert "in accordance with international law" after "in safety and dignity."

Sentence would read, " we will actively promote durable solutions, particularly in protracted refugee situations, with a focus on sustainable and timely return in safety and dignity, in accordance with international law."

Comprehensive refugee response framework:

(i) repatriation

11. Amendment to Second para

The State of Palestine kindly requests for the following amendment after "we respect the right of refugees to return to their country" to insert " ,and stress" before "the obligation on states to receive back their nationals....."

Therefore, the first sentence would read, " respect the right of refugees to return to their country, and stress the obligation on states to receive back their nationals in a safe ....."

Thank you.
