(A/C.5/75/3)**

Statement by

Mr. Chandramouli Ramanathan  
Controller

30 November 2020

Mr. Chairman,  
Distinguished Delegates,

1. The report of the Secretary-General before the Committee, A/C.5/75/3, contains the financial implications for the regular budget arising from the report of the United Nations Joint Staff Pension Board contained in document A/75/9.
2. According to the Board's report, the overall resources amounting to \$8.0 million represent the estimated costs of services related to the United Nations Staff Pension Committee provided by the United Nations Joint Staff Pension Fund to the United Nations, of which \$4.9 million would represent the portion of the regular budget and the balance of \$3.1 million would represent the portion of the funds and programmes, based on the latest data on the number of participants in the Fund. The estimate is based on the revised

measurement methodology utilized for the cost-sharing agreement between the Fund and the United Nations.

3. At the time of the preparation of the proposed programme budget, the proposed budget of the United Nations Joint Staff Pension Fund for 2021 was not finalized. Pending the finalization of the proposed budget of the United Nations Joint Staff Pension Fund for 2021 and the recommendations of the Pension Board thereon, an estimated provision of \$5.0 million (after re-costing) was included under Section 1, of the proposed programme budget for 2021, as the regular budget share of the costs to be reimbursed by the United Nations for the central Secretariat of the Fund.

4. Accordingly, should the General Assembly approve the proposals and recommendations of the Pension Board, a reduction of \$0.1 million would be required under Section 1, Overall policymaking, direction and coordination, of the proposed programme budget for 2021.

Mr. Chairman, Distinguished Delegates,

I thank you for your consideration of the proposal and we look forward to supporting you in addressing any questions you may have.

Thank you, Mr. Chairman
