**PERMANENT MISSION OF  
THE GAMBIA  
TO THE UNITED NATIONS**

7 May 2012

Excellency,

Pursuant to our letter dated 11 April by which we circulated our programme of work, we would now like to invite you to the forthcoming fourth meeting of the Ad Hoc Working Group on the revitalization of the work of the General Assembly, which will take place on Thursday, 10 May at 10 a.m. in the ECOSOC Chamber.

In light of the outstanding list of speakers for the second thematic issue, namely “the working methods of the General Assembly, implementation of General Assembly resolutions and the agenda, as well as other operational and technical issues, including options for more time-effective, efficient and secure balloting in the General Assembly”, which we began to discuss at the meeting held on 30 April, we will first hear the remaining speakers on the list before moving on to the fourth meeting, which will focus on “the role of the General Assembly in the selection and appointment of the Secretary-General of the United Nations, as well as in the selection of candidatures for other executive Heads of the UN system.”

In light of these exigencies of time, we have invited the Secretariat to attend the fifth meeting, on 1 June, to brief the Ad Hoc Working Group on the update requested at the last meeting on whether there are any new technological developments regarding options for more time-effective, efficient and secure balloting, bearing in mind the need to ascertain the credibility, reliability and confidentiality of the balloting process.

Please accept, Excellency, the assurances of our highest consideration.
