**THE SIXTH COMMITTEE ON**

**CRIMES AGAINST HUMANITY ILC**

**RECOMMENDATION**

**DELIVERED BY NADINE BISHARAT**

Mr. Chair,

I would like to thank you for giving me the floor to convey Jordan's comments regarding the ILC recommendations. Jordan would like to emphasize the importance of adaption of a Convention on prevention and punishment of crimes against humanity. This could represent a major contribution to the progressive development and codification of international law.

Therefore, we support convening an international conference of plenipotentiaries on the basis of the draft articles. We stand ready to work with everyone in an inclusive and transparent manner towards ensuring meaningful progress in this regard.
