

# MIRACLE IN RWANDA

Crafted by Leslie Lewis and co-creator Edward Vilga, with an uplifting message of forgiveness and compassion, **MIRACLE IN RWANDA**, based on the life of New York Times Bestselling author of *Left To Tell*, Immaculée Ilibagiza. **MIRACLE IN RWANDA** chronicles the dramatic events of Immaculée Ilibagiza during the 1994 genocide against the Tutsi. The message is one of personal empowerment, of overcoming all obstacles through the power of faith, and ultimately finding peace of mind amidst unbelievable hardship. Often called "our generation's Anne Frank"—yet one who thankfully survived—the true miracle of Immaculée's story is her ability to forgive.
