LETTER DATED 25 OCTOBER 1956 FROM THE REPRESENTATIVE OF FRANCE TO THE SECRETARY-GENERAL WITH COMPLAINT CONCERNING MILITARY ASSISTANCE RENDERED BY THE EGYPTIAN GOVERNMENT TO THE REBELS IN ALGERIA

INITIAL PROCEEDINGS

By letter dated 25 October 1956 addressed to the Secretary-General, the representative of France requested that the following item be placed on the agenda of a forthcoming meeting of the Security Council: "Military assistance rendered by the Egyptian Government to the rebels in Algeria." In an accompanying memorandum it was stated that on 16 October 1956 a vessel bearing the name Saint Briavels, but previously named Athos, flying no flag, had been examined by a French warship. It had been discovered that the Athos had no shipping papers and was loaded with arms and ammunition. According to statements of six clandestine passengers abroad, the ship had been loaded in a "prohibited area" in Alexandria on the night of 3-4 October, 159 Egyptian military personnel in uniform taking part in the loading operations. The arms were to have been delivered to the chief of the maquis of Turcine. It had been also discovered that the owner of the Athos had worked in Egyptian intelligence services, had been in charge of arms shipments to the Algerian maquis and kept in continuous contact with the Egyptian military authorities. These facts provided irrefutable evidence of the direct responsibility of Egypt in the rebellion in Algeria and of its attack on French sovereignty in flagrant violation of the fundamental rules of international law.

At the 747th meeting on 29 October 1956, the Security Council decided, without a vote, to include the item in the agenda. The President (France) stated that all members of the Council would agree that the representative of Egypt should be invited to take part in the debate. He therefore thought it advisable to adjourn the meeting in order to give him time to make his preparations. The Council has not considered the matter since that time.

LETTER DATED 30 OCTOBER 1956 FROM THE REPRESENTATIVE OF EGYPT ADDRESSED TO THE PRESIDENT OF THE SECURITY COUNCIL

INITIAL PROCEEDINGS

By letter dated 30 October 1956, the representative of Egypt transmitted to the President of the Security Council a letter from the Minister for Foreign Affairs of Egypt in which it was stated that the Egyptian Ambassador in London had been handed a note by the Government of the United Kingdom containing an ultimatum to the Government of Egypt to: (a) stop all warlike actions by land, sea and air; (b) withdraw all Egyptian military forces ten miles from the Suez Canal; and (c) accept occupation by British and French forces of key positions at Port Said, Ismailia and Suez. Failing an answer by 6.30 a.m. Cairo time on 31 October, the Governments of France and the United Kingdom would intervene in whatever strength they might deem necessary to secure compliance. The Governments of the United Kingdom and France were taking as a pretext for their actions the current fighting within Egyptian territory between the attacking armed forces from Israel and the defending forces of Egypt. It was stated further that this threat of force by the United Kingdom and French Governments and the imminent danger of United Kingdom and French armed forces occupying Egyptian territory within a few hours, in flagrant violation of the rights of Egypt and of the Charter of the United Nations, impelled the Government of Egypt to request that the Security Council be convened immediately to consider this act of aggression by the United Kingdom and France. Until the Council had taken the necessary measures, Egypt had no choice but to defend itself and safeguard its rights against such aggression.

At the 750th meeting on 30 October 1956, the provisional agenda included the following items: "Letter dated 29 October 1956 from the representative of the United States of America, addressed to the President of the Security Council, concerning: 'The Palestine question: steps for the immediate cessation of military action of Israel in Egypt'; Letter dated 30 October 1956 from the representative of Egypt addressed to the President of the Security Council." The Security Council decided to include the letter from the representative of Egypt as the second item in the agenda of that meeting.

After the Security Council had completed the consideration of the first item, it began the consideration of the item submitted by the Government of Egypt. The Council considered the question at the 750th and 751st meeting on 30 and 31 October 1956. The representative of Egypt was invited to take part in the discussion.

At the 751st meeting on 31 October 1956, the Secretary-General made a statement of his views on the duties of the Secretary-General in the instant case.
