

Talking Points on behalf of the Group of 77 and China at the drafting session on the Elements/ Building Blocks for Financing for Development, 28-30 January 2015.

VIII. BUILDING SYNERGIES WITH THE POST 2015 DEVELOPMENT AGENDA.

1. In resolution 68/279 we agreed that the Monterrey Consensus provides the conceptual framework for the mobilization and effective use of resources to achieve sustainable development.
2. In the context of the Post-2015 Development Agenda, specific MOI should be considered, including those already identified in the report of the OWG on SDGs as specific targets on individual SDGs and a SDG on Means of Implementation.
3. The Group maintains that the Monterrey Consensus shall remain the conceptual framework for the mobilization of resources for Financing for Development in general terms. It shall therefore remain an independent process.
4. How much will be covered under the SDGs process without duplication and encroaching on mandates of specific institutions dealing with these specific issues?
5. FFD Modalities resolution calls for coordination between both processes to minimize duplication. We are of the view that the processes have different aspects that are better dealt with in either processes. For ins
6. In operational terms, the linkage between FfD and the Means of Implementation for the Post 2015 Development Agenda should come out clearly as we build synergies between both processes.
