

2017 Global Infrastructure Forum

Delivering Inclusive and Sustainable Infrastructure

April 22, 2017. Washington D.C.

March 8th, 2017

Dear participant,

On behalf of Luis Alberto Moreno, President of the Inter-American Development Bank (IDB) and Werner Hoyer, President of the European Investment Bank (EIB), and the multilateral development banks (MDBs), we cordially invite you to the **2017 Global Infrastructure Forum** on **April 22nd 2017** in Washington DC.

In line with the 2015 Addis Ababa Action Agenda on the implementation of the sustainable development goals and building on last year's Forum, the **2017 Global Infrastructure Forum** is on the theme of '**Delivering Inclusive and Sustainable Infrastructure**'. Its key objectives are to enhance public and private sector infrastructure investment, to improve alignment between established and new infrastructure initiatives among multilateral and national development banks and institutions, and to facilitate the implementation of sustainable infrastructure for developing countries.

The Forum will take place at the Inter-American Development Bank headquarters in Washington DC during the World Bank Group-International Monetary Fund Spring Meetings. The details of the Forum can be found in the attached program and background note.

To attend this event, prior online registration is compulsory. An overview with relevant information on participation and logistics is enclosed for your convenience.

We look forward to meeting you at the Forum.

Sincerely,

Thomas C Barrett
Permanent Representative
European Investment Bank
Washington DC

Pablo Pereira dos Santos
Senior Advisor
