

Civil Society Forum
Commission for Social Development
The Social Protection Floor Initiative – Bridging the Gap to Poverty Eradication

Tuesday, January 31, 2012
United Nations HQ, NLB-Conference Room 3

The Civil Society Forum has been planned by the NGO Committee for Social Development in joint sponsorship by United Nations DESA's Division for Social Policy and Development & Friedrich-Ebert-Stiftung. This Forum has been organized to prepare civil society participants to participate during the 50th Session of the Commission for Social Development (Feb 1-10, 2012 at UNHQ in New York) and the UN Conference on Sustainable Development (June 20-22, 2012 in Rio de Janeiro). Speakers will present the Social Protection Floor Initiative (SPFI) as an essential and universal solution to break the cycle of poverty and reduce inequality and social exclusion while accelerating action toward achievement of Millennium Development Goals, 2015.

Upon completion of this Forum, participants will be able to:

- Describe SPFI as a universal framework for achieving equity and sustainable change.
- Discuss the importance of developing innovative strategies for providing social protection floor to high-risk populations.
- Identify the positive experiences and challenges of providing the Social Protection Floor Initiative

This interactive session will offer attendees an opportunity to discuss relevant UN plans and programs of action pertaining to the situation of social groups: persons with disabilities, youth, ageing and the family as one anticipates maximizing the impact of the SPFI in their own organizations. Universal access to basic social protection and social services is necessary to break the cycle of poverty and reduce inequality and social exclusion. "The Global Social Crisis: Report on the World Social Situation 2011" UN Department of Economic and Social Affairs' Publication, 2011 notes, *"The Social Protection Floor Initiative is affordable; its benefits need to be weighed against the potentially high human, social and economic costs of not investing in social protection."*
