Older Adults Technology Services

SENIOR PLANET

Our Mission

Harnessing the power of technology to change the way we age

- Technology as a means to empowerment
- Programs make technology relevant for daily life
- Urban and rural programs
- Online-learning
- Impact areas

Older Adults Technology Services

Training & Partnerships

Access isn't enough

- Technology adoption requires participant-driven learning
- Presenting technology as conduits to empowerment
- Government & corporate entities are key partners in OATS's success

OATS

Older Adults Technology Services

SENIOR PLANET

Methodology

- No one-size-fits-all approach to successful technology training
- Respect, Relevance, Experience
- Orientation to learning is life or work-centered
- Learning must be experience-based to be effective

Financial Security Curriculum

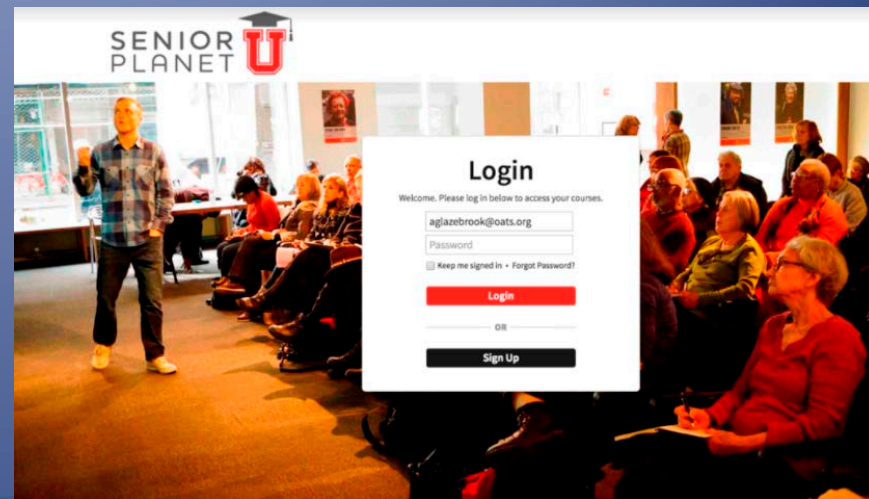

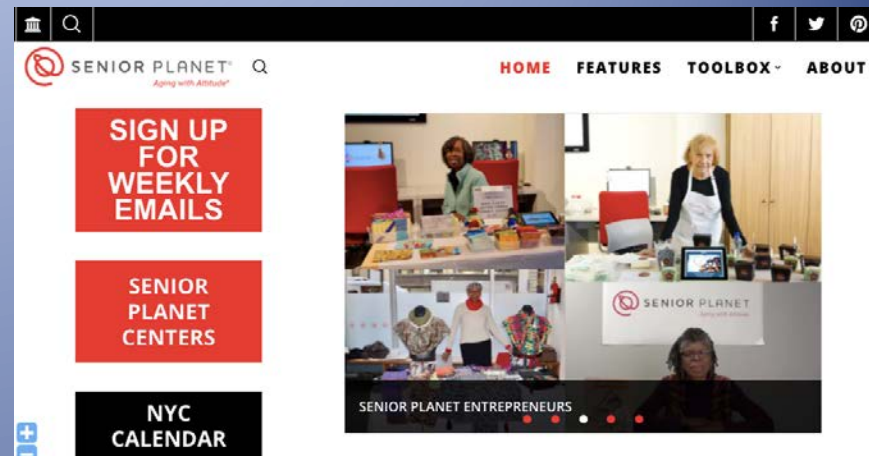

- Low-income older adults
- Digital tools can help to budget, spend less & supplement income
- Offered in community settings
- Knowledge is shared

**READY, SET,
BANK**™ ONLINE
BANKING
MADE EASY
