

June 4th, 2025

Excellency,

We would like to thank all delegations for their engagement throughout the negotiations of the intergovernmental process to identify the terms of reference and modalities for the establishment and functioning of the Independent International Scientific Panel on Artificial Intelligence (AI) and the Global Dialogue on AI Governance.

Please find enclosed the second revised draft of the resolution, which we have prepared based on the edits proposed by Member States during the consultations, and on bridging proposals that attempt to provide solutions to the areas of divergence.

An informal consultation of the revised draft will take place on June 11th in CR.5 from 10 a.m. to 1 p.m.

As we enter the final stage of this negotiation, we kindly ask delegations to express their views on the revised draft with a view to resolving any outstanding issues. Our intention is to proceed to a silence procedure shortly thereafter, in order to enable the timely adoption of the resolution by the General Assembly.

We count on your continued flexibility and constructive spirit to bring this important process to a successful conclusion.

Please accept, Excellency, the assurances of our highest consideration.
