

2024 Medicare Part B Standard Premium

The Health and Life Insurance Section (HLIS) wishes to inform all Medicare B participants that effective 1 January 2024 the monthly Medicare Part B Standard Premium is \$174.70.

If your Medicare Part B Premium is the Standard Rate, please be advised that no action is required by you as HLIS will adjust your reimbursement to the new Standard Rate.

However, if you received notification from the Social Security Administration (SSA) advising that your 2024 Medicare Part B Premium is higher than the Standard Rate because you are subject to an "Income-Related Monthly Adjustment Amount" (IRMAA), you will need to submit a completed Medicare Part B Premium Reimbursement Request form along with the letter received from the SSA to enable HLIS to appropriately update your monthly reimbursement amount for 2024.

Please note that the IRMAA will **not** be reflected in your monthly reimbursement **unless and until** you submit the Medicare Part B **annual** reimbursement request form and the necessary supporting SSA document(s) to HLIS for processing.

The Medicare Part B Premium Reimbursement Request Form and Checklist are available on HLIS website, www.un.org/insurance (<http://www.un.org/insurance>), and appended below for ease of reference.
