Privacy Notice

In evaluating your insurability, we (Aetna) will rely primarily on the health information you furnish to us in this Proof of Good Health Statement (Evidence of Insurability). In addition, however, we may ask you to take a physical examination, or request additional medical information about you from any of the sources specified in the authorization on Page 4 of 4 of this form.

Disclosure of Information to Others

All of this information will be treated as confidential and will not be disclosed to others without your authorization, except to the extent necessary for the conduct of our business and not contrary to any law. For example, Aetna Life Insurance Company may also release information in its file to its reinsurer(s) and to other life insurance companies to whom you may apply for coverage, or to whom a claim for benefits may be submitted. In addition, information may be furnished to regulators of our business and to others as may be required by law, and to law enforcement authorities when necessary to prevent or prosecute fraud or other illegal activities.

Your Right of Access & Correction

In general, you have a right to learn the nature and substance of any information in our files about you. You also have a right of access to such files (except information which relates to a claim or a civil or criminal proceeding), and to request correction, amendment or deletion of recorded personal information in states which provide such rights and grant immunity to insurers providing such access. We may elect, however, to disclose details of any medical information you request to your (attending) physician. If you wish to exercise this right, or if you wish to have a more detailed explanation of our information practices, please contact:

Aetna Life Insurance Company, Medical Underwriting Department, PO Box 83641, Lincoln, NE 68501-3641

Under New Mexico law, a resident of New Mexico has the right to register as a "protected person" in connection with disclosure of confidential domestic abuse information. If you wish to exercise this right, write to the address shown above.

*AIDS (Acquired Immune Deficiency Syndrome) is a serious disease. It is caused by a virus called HIV (Human Immunodeficiency Virus). The virus is found in some human body fluids of infected people, most notably in semen and blood. If the AIDS virus finds its way into the bloodstream, it can damage the body's defenses against disease, resulting in life-threatening diseases. There is no known cure.
