

Convenient Empire Mobile App

The **Empire App** lets you manager your health care by putting technology to work. Just download the free app on your smartphone, you'll have a network of doctors and urgent care centres right at your fingertips, so booking your next appointment will be a breeze. If you forget your Empire insurance card, you can conveniently access an electronic version using the app. The **Empire App** allows access a limited version of the empireblue.com website, which offers many of the same features and more. For the full experience, visit empireblue.com from your tablet or computer to view your claims and benefits, use your wellness tools and download coupons.
