INFORMATION CIRCULAR

To: Members of the staff

From: The Controller

Subject: GROUP LIFE INSURANCE - PREMIUM RATE INCREASE
AND WAIVER OF AUTOMATIC INCREASE*

1. The purpose of the present circular is to announce that the premium rate applicable to the Aetna group life insurance plan will increase modestly with effect from 1 August 1995. In addition, the life insurance indemnity level under the Aetna group life insurance plan, adjusted periodically in accordance with increases in the pensionable remuneration of each participant, will be adjusted with effect from 1 October 1995.

Premium rate increase

2. Effective 1 November 1989, the premium rate for the Aetna group life insurance plan was reduced from \$0.34 per \$1,000 of coverage to \$0.28 per \$1,000 of coverage. The \$0.28/\$1,000 rate has been unchanged since that time. As a result of adverse claims experience in the past two years, it is now necessary to increase the premium rate, with effect from 1 August 1995, by \$0.02 to \$0.30 per \$1,000 of coverage.

3. The new premium rate of \$0.30 per \$1,000 of coverage will be implemented in the July 1995 payroll, as life insurance premiums are paid to Aetna at the beginning of each month. The new monthly payroll premium schedule is set out in annex I to the present circular.

Waiver of automatic increase

4. As indicated in paragraph 1 above, an automatic adjustment in the level of insurance coverage, in accordance with increases in the pensionable remuneration

of each participant, will be implemented in the September payroll in respect of coverage effective 1 October 1995. The adjustment for 1995 will take into account any increases in pensionable remuneration of a participant implemented since 1 July 1992 and which may be implemented between the date of the present circular and September 1995.

5. Consequently, all participants in the plan, other than those who have previously signed a waiver of automatic increase, are reminded that if their pensionable remuneration in September 1995 places them at a higher insurance level, their coverage will automatically be increased to that higher level unless they execute the waiver set out in annex II to the present circular.

Effect of the waiver

6. In signing the waiver form, a participant is choosing to retain his or her group life insurance coverage at the current level. The waiver thus freezes the participant's coverage at that amount indefinitely unless the participant decides at some time in the future to apply for the higher amount of coverage based on his or her pensionable remuneration at the time of application. At the time of such application for higher coverage, the participant will be REQUIRED TO PROVIDE EVIDENCE OF INSURABILITY satisfactory to the insurance company. A special "evidence of insurability" application form is available for this purpose. For its part, the insurance company reserves the right to reject any such application and may require the applicant to undergo a medical examination at the applicant's own expense.

7. In making the decision to waive the automatic increase or not, staff members may wish to check the current level of their pensionable remuneration by reviewing their most recent Pension Fund statement in conjunction with the life insurance brackets set out in annex I to the present circular.

Waiver form

8. The waiver form set out in annex II may be detached or photocopied as necessary. Participants who wish to waive any future automatic increase in life insurance coverage should sign and return the completed waiver form to the Payroll Section, Accounts Division, Office of Programme Planning, Budget and Accounts, room S-1826 (or, if payrolled outside Headquarters, to the appropriate finance section) NO LATER THAN 15 AUGUST 1995. A copy of the executed waiver form should also be sent by the participant to the Insurance Section, Office of Programme Planning, Budget and Accounts, room S-2765.

Designation of beneficiary

9. Staff members are reminded to review their designation of beneficiaries in respect of their group life insurance coverage. Changes in the designation of beneficiaries may be made at any time and special forms for this purpose may be obtained from the Insurance Section, room S-2765, extension 3-5806, at Headquarters. Staff members serving away from Headquarters may obtain these forms from their respective administrative officers.
