

UNDT/2009/001, Tsoneva

UNAT Held or UNDT Pronouncements

UNDT noted that the procedure to be followed for the given position to be re-titled and re-classified had not been completed by the time the Applicant submitted her request to the UNDT. UNDT concluded that no administrative decision had yet been made by the time the request for suspension of action was submitted to UNDT and considered by same. UNDT therefore held that the request had to be considered inadmissible, nothing preventing the Applicant from contesting the forthcoming decision.

Decision Contested or Judgment/Order Appealed

The Applicant requested suspension of the decision to re-title and re-classify her current P-4 post during the pendency of the management evaluation.

Legal Principle(s)

Only an administrative decision may be the object of a request for suspension of action before the Tribunal.
