

UNDT/2011/135, Perrot-Maitre

UNAT Held or UNDT Pronouncements

Considering that the Respondent's allegation that the Applicant's contract was not renewed for unsatisfactory performance during the period 2009-2010, the Tribunal noted that the rating "Partially meets performance expectations" had been considered by the Rebuttal Panel as unfair and changed to "Fully meets performance expectations". In the light of this finding the Tribunal took the view that the decision not to renew the Applicant's contract on the ground of unsatisfactory performance for the year 20092010 was prima facie unlawful.

Decision Contested or Judgment/Order Appealed
